

A female student with dark hair tied back, wearing glasses, a white lab coat, and blue gloves, is focused on using a green and white pipette to transfer liquid into a small vial. She is in a laboratory setting with shelves of supplies in the background. The text 'IMPACT-STEM SCHOLARSHIP' is overlaid in large white letters.

IMPACT-STEM SCHOLARSHIP

for **Biology B.S.** majors
entering **JWU** in **2026**

JWU's new IMPACT-STEM Scholars Program is designed to support talented Biology B.S. majors with financial need—helping students stay on track to graduate and prepare for a career in the life sciences.

What you receive:
