# Academic Calendar

The academic calendar lists start and end dates for classes, in addition to holidays and makeup class meeting dates (as applicable). These calendars are offered for planning purposes only and are subject to change.

For financial aid purposes, the definition of an academic year is a period in which a student completes three terms (quarter credit hours), which consists of 11 weeks for a total of 33 weeks, or two semesters (credit hours), which consists of 16 weeks for a total of 32 weeks. The academic calendar includes three terms (fall, winter and spring) or two semesters (fall and spring). Summer is optional for undergraduate programs but may be required for some graduate programs.

Graduate degree programs, except for the master's level education programs, are semester based and may require a summer semester.

For the purposes of awarding Title IV financial aid, the payment period is the academic year.

# Staying Connected

This section of the handbook includes resources on where to get important Johnson & Wales University information and updates.

## Important Information

Every JWU student receives a web-based email account for sending and receiving email. Students are expected to monitor their accounts frequently for official communications from faculty and the university.

Johnson & Wales University Information Technology (JWU IT) provides technology support to all students, and computer labs and printing stations are conveniently located on campus. The JWU IT website provides how-tos and information on the various available technology services, and students can email JWU IT (it@jwu.edu), chat online or call 866-JWU-HELP (866-598-4357) with any technology-related question.

## JWU Communications with Students

Johnson & Wales University is committed to providing communication that is timely and relevant to students. Any correspondence sent by JWU email or via mail is deemed to be an official notification.

### Emergency Notification System

This system (Blackboard Connect) is used so JWU can quickly provide notice and accurate information and instructions to the entire university community during an unforeseen event or emergency. All students will be required to supply the university with a valid phone number, preferably a cellphone, so they can be contacted and notified regarding a course of action. Log into jwuLink (Academics page) to review or make updates to your phone number(s).

### Email

JWU email is the university's primary medium of formal communication. All emails are sent with the full expectation that students will receive and read them in a timely manner. Accordingly, all enrolled students are required to monitor their university email account on a frequent and consistent basis. Students experiencing technical difficulties when accessing their university email account must contact the IT Service Desk for assistance via email (it@jwu.edu) or at 866-JWU-HELP (866-598-4357).

### jwuLink and Social Media

Students are advised to login often to jwuLink to review timely announcements, news and events. In addition, following JWU social media is recommended. Visit the JWU Social Hub for a directory of accounts for university clubs, organizations, athletics, departments and more.

### Addresses

Select correspondence is mailed to a student's physical address. Students are expected to keep their address listings up-to-date, at all times. There are multiple address types, but students are required to list a Permanent Home Address as well as a Local Address. Log into jwuLink (Academics page) to review or make updates.

- **Mailing Address:** This is classified as the preferred mailing address during enrollment. Most correspondence from the university will be sent to this address. If no mailing address exists on file, the permanent address will be used.
- **Permanent Home Address (Required):** This is classified as the student's home address. If no address is supplied during the enrollment period, a schedule hold will be placed on the student's account. Students are required to update their permanent home address so that the information is correct and current at all times of enrollment.
- **Local Address (Required):** This is classified as the address of residence during enrollment. Post office box addresses will not be accepted for this address. If no address is supplied during the enrollment period, a schedule hold will be placed on the student's account. Students are required to update their local address so that the information is correct and current at all times of enrollment.
- **Internship Programs Address:** Any student participating in an internship or internship abroad must provide Experiential Education & Career Services with any change(s) in contact information.

- **Work-study and Student Employees:** Students who are employed by the university must also notify Student Employment of any change in address.
- **International Students:** The United States Citizenship and Immigration Services (USCIS) requires that all aliens residing in the United States report all changes of address to the USCIS within 10 days of any move that takes place within the United States by completing form AR-11 (available in the International Center). Post office box addresses will not be accepted in any address for international students.

# General Information and Policies

This section of the handbook includes important information and policies for students in the JWU community.

## Advising

Students at the university have a personal My Success Network of faculty advisors and academic counselors/advisors which they can view in their Success Network in uSucceed (accessed through jwuLink). Members of the Success Network work with students throughout their academic career.

The Success Network found on uSucceed is an online communication system that connects students to a network of support and the resources needed to be successful at JWU. Academic counselors/advisors, faculty, faculty advisors, financial planners and various support staff make up a student's Success Network.

The goal of using the uSucceed Success Network is to make it easy for students to communicate and connect with their network of support. Students can use the scheduling tool in their Success Network to make appointments with members of their Success Network. They are also able to track their academic progress. Faculty are able to raise flags to let students know they may need additional support, and inform students how and where to find additional support. Faculty can also issue kudos to congratulate students on their successes.

For personal and clinical counseling services, students may seek the support of Counseling Services (p. 62).

## Automobiles on Campus

The university is not responsible for any vehicle or its contents while the vehicle is parked on university property.

All students and visitors who park a vehicle on campus must display a university parking permit and abide by all rules listed on the permit application and traffic signs throughout the campus. Parking permits can be obtained at Campus Safety & Security or Student Academic & Financial Services.

## Parking Permits

All students who park on campus must obtain a university parking permit. Visitors must park in designated visitor areas or obtain a temporary university parking pass.

Student parking permits are handled solely by Campus Safety & Security and issued at no cost. Students (resident and commuter) who plan to bring a vehicle on university property must register their vehicles with Campus Safety & Security upon arrival by visiting the Campus Safety & Security station (1705 NE 124<sup>th</sup> St.).

It is the responsibility of the person applying for the permit to have and maintain

1. a valid driver's license and current JWU ID
2. a valid vehicle registration
3. valid proof of insurance

Campus Safety & Security issues free, temporary parking permits to students and their guests for up to five days of use (after five days, a university permit must be purchased). Temporary permits are valid only in designated parking areas.

Temporary parking permits can be obtained from Campus Safety & Security for the following purposes:

- short-term use of vehicle, including rental vehicles

Temporary parking permits will not be issued

- in lieu of the proper vehicle registration
- for a second vehicle operated or parked on campus on a frequent basis
- for any reason which would circumvent the requirements or intent of campus parking and traffic regulations

Campus Safety & Security reserves the right to refuse to issue a decal to any person. Should this occur, said person will not be permitted to park a motor vehicle on campus. In extreme instances, Campus Safety & Security reserves the right to revoke the parking privileges and remove the decal of certain students subject to the outcome of a Conduct Review hearing. Parking permits/decals obtained through fraud or misrepresentation shall be subject to confiscation.

## Parking Areas

### Resident Students

A student's decision to bring a car on campus should be well-informed, as parking space is limited. See the campus map for specific parking locations.

### General Guidelines

- Businesses in the area will tow Johnson & Wales and/or other unauthorized vehicles, including personal vehicles that park in their parking spaces.
- Please do not park in marked visitor spaces, red curbs, yellow curbs, or in intersections, crosswalks, near fire hydrants or any other location prohibited by law.
- Students with guests visiting campus should visit Campus Safety & Security at 1705 NE 124th St. or call 305-892-7604 for visitor parking information. Students are not permitted to park in spaces designated for staff and faculty.

## Complaints and Grievances

It is the intention of Johnson & Wales University to resolve complaints and grievances quickly, informally and as close as possible to the point of origin. The complaint and grievance process set forth below is not intended to be a forum to challenge university policy, but rather a means by which individuals can seek a timely and fair review of their concerns.

Exempt from Johnson & Wales' complaint and grievance process are those areas for which there presently exists a separate complaint or grievance process or built-in review or appeal. Those exempt areas include, but are not limited to, the following:

1. Actions by the dean of students, including matters that have been referred to Community Standards and Conduct
2. Actions by Residential Life concerning contract release or room relocations
3. Actions by the Academic & Financial Appeals Committee
4. Actions by a faculty member, staff member or third party which may constitute harassment or discrimination (which should be referred to the nondiscrimination and Title IX coordinator, a nondiscrimination campus liaison, or Human Resources & Payroll, as set forth in the Prohibited Discrimination and Harassment Policy (p. 19))
5. Actions relating to voluntary medical withdrawal (p. 38)
6. Actions relating to the review of accommodation decisions (p. 71)
7. Actions relating to academic integrity (p. 40)

### Complaint and Grievance Process

For the resolution of academic and administrative issues outside of the exempt areas, please follow the following process:

#### Step 1

A student should first address the complaint or grievance orally with the faculty or staff member involved within five days of the incident. The faculty or staff member will consider the complaint or grievance and notify the student of the faculty or staff member's decision within a reasonable time, usually five days.

#### Step 2

If the complaint or grievance cannot be resolved at the previous level, the student should present the complaint or grievance, in writing, to the appropriate department chair or department director within five days of receipt of the faculty or staff member's decision. The department chair or department director will document their decision and provide a copy to the student, faculty or staff member, and dean of the appropriate school or college (in the case of an academic complaint or grievance) or the dean of students (in the case of an administrative complaint or grievance) within a reasonable time, usually five days.

#### Step 3

If the complaint or grievance is still unresolved, the student may request a final review at the dean's level by submitting a written request for review to the dean of the appropriate college or school (in case of an academic complaint or grievance) or the dean of students (in case of an administrative complaint or grievance) or their designees. The written request should set forth the reasons that the student is seeking a review of the earlier decision and, in particular, should specify if the student feels that relevant, new information has come to light since the decision was made or that the decision was unjust or inconsistent with the circumstances of the incident. The request will be considered by the appropriate dean or designee. The decision of the reviewing dean will be final and a written copy of the decision will be given to the student.

#### Expedited Review

If there is a legitimate need for an immediate or expedited review of an academic or administrative decision, then written complaints and grievances or requests for review and decisions may not be required. The determination of whether an expedited review is appropriate is determined in the sole discretion of the dean of the appropriate college or school (in case of an

### Payments and Appeals of Parking Citations

1. During regular business hours, parking citations may be paid at the Student Accounts Window at Student Academic & Financial Services (University Center, first floor).
2. After-hours, a promissory note may be obtained and signed for the removal of an immobilization device (boot). The promissory note can be obtained at Campus Safety & Security, 1705 NE 124th St., North Miami, FL, 33181, by contacting the Officer In Charge (OIC) on duty.
3. Any person found in violation of university parking and traffic regulations, and consequently cited, shall have an opportunity to appeal the citation to Campus Safety & Security.
4. Appeals may be made on the grounds that the facts cited in the citation are in error, the citation was issued in error, or there were mitigating circumstances which may excuse the violation.

academic complaint or grievance), the dean of students (in case of an administrative complaint or grievance) or their designees.

Note: Retaliation against any individual who has made a good faith complaint or grievance or cooperated in the investigation of such a complaint or grievance is a violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including termination or dismissal.

#### Copyright Infringement

Students should be aware that unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject the student to civil and criminal liabilities. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. For more information, please see the website of the US copyright office, especially their FAQs. Please refer to the Computer and Technology Use Policy for a further description of prohibited activities regarding the use of university technology resources.

## FERPA

### Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. These rights include

1. The right to inspect and review the student's education records within 45 days after the day the university receives a written request. A student should submit a written request to the department that maintains the record(s) the student wishes to inspect. The department will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be made.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the university to amend a record should write the university official responsible for the record, clearly identify the part of the record the student wants amended and specify why it should be amended. If the university decides not to amend the record as requested, the university will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The university discloses education records without a student's prior written consent under the FERPA exception for disclosure to university officials with legitimate educational interests. A university official is a person employed by the university in an administrative, supervisory, academic, research or support staff position; a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A university official also may include a volunteer or contractor outside of the university who performs an institutional service or function for which the university would otherwise use its own employees and who is under the direct control of the university with respect to the use and maintenance of PII from education records, such as an attorney, auditor or collection agent, or a student volunteering to assist another university official in performing his or her tasks. A university official has a legitimate

educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the university. Upon request, the university also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC, 20202. Phone: 800-USA-LEARN (800-872-5327)

#### Disclosures in Case of Emergency

The university only discloses personally identifiable information from an education record to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals. The university complies with the changes made to FERPA as a result of the USA Patriot Act.

## Directory Information Public Notice

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that the university, with certain exceptions, obtain a student's written consent prior to the disclosure of personally identifiable information from the student's education records. The university may, however, disclose appropriately designated "directory information" without the student's written consent. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can be disclosed to outside organizations and individuals without a student's prior written consent. However, each request by outside parties for directory information is evaluated separately to safeguard the privacy of our students. Additionally, most requests for directory information of all students (or categories of students) will be denied. For example, the university will not release any directory information to individuals or organizations seeking to conduct solicitations or fundraising activities.

The university has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Email address
- Photographic, video or electronic images
- Date and place of birth
- Major
- Fields of study
- Anticipated degree and degree date
- Dates of attendance
- Student dissertations
- Dates and place of employment
- Grade level
- Credits earned
- Enrollment status
- Class schedule
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors and awards received
- Vehicle description and registration
- The most recent educational agency or institution attended

The main purpose of designating the above information as "directory" is to permit the university to include this information in certain publications (e.g., academic honors or other recognition lists, Commencement programs, or sports activity sheets).

The university may disclose a student's directory information without obtaining student's written consent, unless the student has submitted a Request to Prevent Disclosure of Directory Information Form. The form is available upon request in Student Academic & Financial Services and may be filled out any time. To withhold disclosure, this form must be completed and submitted to Student Academic & Financial Services in person with a photo

ID. Students should consider very carefully the consequences of any decision made to withhold directory information, as any future requests for such information from non-institutional persons or unauthorized organizations will be refused. A request to prevent disclosure will remain in effect until it is revoked in writing. Note: Completion of this form does not change any authorized user access granted in jwuLink. Students are responsible for changing any authorizations granted. Furthermore, completion of this form means that JWU cannot speak to any authorized user that has been designated even if a passphrase exists.

Please note that students who inform Johnson & Wales University not to release directory information will have their records marked confidential. A confidential hold will not allow JWU to respond to any requests for information about the student except where permitted or required under FERPA, such as when the university receives a subpoena. The university will be unable to verify enrollment or degrees conferred. This includes potential employers who want verification of degree(s). The university will not acknowledge any record of the student to any person or entity who inquires.

Johnson & Wales University will honor a student's request to withhold directory information but cannot assume responsibility to contact the student for subsequent permission to release them. The institution assumes no liability for honoring student instructions that such information be withheld.

## Proxy/Authorized User

Currently enrolled students can authorize other individuals to access certain portions of their status at Johnson & Wales University. These individuals are known as a proxy/authorized user. Through jwuLink, students have the ability to select, from a list of authorizations, which pieces of information their proxy can view. Information given to the proxy will be available in view-only format. The proxy will not be able to update any student information or request any written documentation via their proxy access. Please note that authorized user access is deactivated any time a student is not currently enrolled. Visit jwuLink Authorized Users for additional information and instructions.

## Financial Obligations

Continuation as a student in good financial standing is conditional upon being current in all financial obligations (i.e., tuition and fees) to the university, including loans in which the university appears as a holder or guarantor. Diplomas will not be granted, nor transcripts released, and enrollment in future term/semesters will be prohibited until a student's financial obligations have been deemed current.

Repaying loans helps establish favorable credit ratings that make it easier for students to buy homes, rent apartments, purchase cars, obtain credit cards, find employment, further their education or open checking accounts. Students should call Student Academic & Financial Services to review how much they have borrowed or for more information about their student loans. Developing a budget that considers loan payments is highly recommended. Students should notify their loan holder and JWU if there are any changes to their address and/or phone number.

## Financial Aid

### Financial Aid Notes

1. Students must reapply for financial aid each academic year as soon as possible after October 1.
2. If a student has ever been convicted of the possession or sale of illegal drugs for an offense that occurred while he or she was receiving federal student aid (such as grants, loans or work-study), the student may be in jeopardy of losing his or her aid.
3. Code of Conduct for Education Loan Practices: Johnson & Wales University's student loan policies take borrowers interest into consideration. The university has adopted the Code of Conduct for Education Loan Practices requiring all university employees and agents to act lawfully, ethically and with integrity, and to avoid actual or potential conflicts of interest in connection with education loans made to prospective, current or former students and their families.
4. All undergraduate annual loan amounts are subject to pro-ration (i.e., off-term/semester graduation, etc.). Please note that a student/borrower remains responsible for the repayment of education loans that he/she borrows even if the student is not successful in completing the educational program and/or obtaining employment. No student is

required to apply for, or accept, any particular type of financial aid; however, it is strongly recommended that a student accept all grants.

5. Student loan borrowers are required to complete student loan exit counseling prior to leaving Johnson & Wales University. For more information on student loan responsibilities and to complete student loan exit counseling, refer to Loan Repayment.
6. Students and parents of students are advised that if they enter into a Title IV, HEA loan, the loan data will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders and institutions determined to be authorized users of the data system.
7. There is a maximum eligibility on the total amount of JWU scholarships and grants that the university will award to a single student during a given academic year. The maximum amount is determined prior to each year's financial aid awarding process and includes both university-funded and university-administered monies. Please contact Student Academic & Financial Services for further information regarding this policy.
8. Students participating in programs that are not assessed at full-price tuition (e.g., study abroad) may not be eligible for all of their institutional grants, scholarships or loans, and the award may be pro-rated.
9. Students are not denied financial aid solely on the grounds that the student is participating in a study abroad program.

Please consult the catalog for a complete listing of scholarships and grants that are available to Johnson & Wales University students. Available scholarships may also be posted in Student Academic & Financial Services, and on the Scholarships and Grants webpage of the JWU website under Outside Agencies.

### Refunds for Overpayment

Students may request a refund if their account is overpaid. Refund requests must be made via jwuLink (Financial tab). Once eligibility is determined, refunds can take up to 10 business days for processing. The student only needs to request the refund once per academic year; the eligible refund will be processed each term/semester. Students can request their refund be deposited into their personal bank account or added to the jwuSource card. If one or both parents applied and were approved for a Federal PLUS loan and did not authorize the release of funds to the student, the refund will be made payable to the borrower and mailed to the address shown on the PLUS application. The parent(s) with an approved PLUS loan can authorize the release of the refund to the student in writing with Student Academic & Financial Services and the refund will be processed as requested. If a student does not request a refund, the funds will remain on the student's account until the expiration of that academic year at which time the refund will be processed.

### Credit Balances

Students who are eligible for a refund due to Title IV Federal Funds exceeding tuition and fees are processed automatically, without a request by the student. These refunds are processed within 14 days upon receipt of the Title IV Federal Funds. Students may apply for the jwuSource card for a quick, convenient way to receive their funds. Students may also opt to receive their funds in their personal bank account. Students with a credit balance due to federal funds exceeding their charges have the ability to receive a book voucher two weeks prior to the start of the term/semester.

## Firearms

Except as set forth below, no person shall possess a firearm, gun or explosive device of any kind on university property or in any buildings or facilities owned, controlled or used by the university. Exceptions to this policy are limited to the following:

- Licensed and authorized possession and use by federal, state and municipal law enforcement officials ("law enforcement officials") in the course of their official duties
- Firearms and guns of off-duty law enforcement officials that have been properly disarmed and secured in vehicles outside of university buildings
- In instances where an off-duty law enforcement official is required to carry a firearm or gun while off duty as a condition of employment, after prior written notification to the director of security or his or her designee, provided that such instances may be limited as directed by the director of security or his or her designee

- In instances where there is a demonstrated operational or administrative need, such as to allow courier services to pick up or deliver currency and to allow financial institutions to service automated teller machines located on campus, but only to the extent authorized, in writing, by the director of security or his or her designee.

## Graphic and Editorial Standards Policy

Johnson & Wales University has established specifications and guidelines for the use of its name, identifying marks and logo for internal and external university communications. They are to be used by the JWU community (administration, staff, faculty, students and alumni) and for approved collaborations with outside vendors and partners. Guidelines for graphic standards, editorial style, web guide, logo usage, forms and fact sheets are available on the university website under JWU Web & Editorial Standards.

## Hazing Policy

It is the goal of Johnson & Wales University to provide an educational environment free from all forms of hazing. Such conduct violates not only university policies, but also state law.

Hazing is inappropriate and will not be tolerated at Johnson & Wales University. Such behavior or the tolerance of such behavior on the part of any student violates the Student Code of Conduct (p. 63) and may result in student conduct sanctions (individual (p. 68) or group (p. 69)) up to and including dismissal from the university.

Consent is not a defense to hazing and will not absolve an individual or group from a finding of responsibility for hazing under the Student Code of Conduct.

### What is Hazing?

Hazing is any severe, persistent or pervasive behavior that, for purposes of initiation or admission into or affiliation with any organization or group, endangers an individual's mental or physical health, well-being or safety, or unreasonably interferes with an individual's ability to freely participate in university life.

Hazing may take many forms, and while it is not always easy to define precisely what behavior constitutes hazing, examples of behavior that may constitute hazing include, but are not limited to

- the explicit or implicit pressuring or coercing of a student into violating law or university policy
- any brutality of a physical nature, such as whipping, paddling, beating, branding, exposure to the elements, abandonment, forced or encouraged consumption of any food, liquor, drug or other substance, or other forced physical activity
- any activity that is likely to subject the student to substantial mental stress, such as sleep deprivation, conduct that could result in extreme embarrassment, or other activity that could adversely affect the mental health, academic pursuits or dignity of the student
- prohibiting individuals to speak for extended periods of time and/or forced exclusion from social contact, prohibition from speaking with university officials, faculty, employers/clients, roommates, family/friends, club members or leadership, etc.
- requiring a regimented public demeanor (e.g., marching, military-like demeanor, restricting walking patterns, prescribing set walking formations)
- confinement
- kidnapping
- verbal abuse
- carrying any items (shields, paddles, bricks, etc.) that serve no constructive purpose or that are designed to punish or embarrass the carrier
- misleading prospective members into believing that they will be hurt during induction or initiation
- interrogating an individual in an intimidating or threatening manner
- assigning or endorsing pranks such as borrowing or stealing items, painting property and objects of others, or harassing other individuals or groups
- requiring any personal servitude to another individual or group such as running errands, cleaning, making food runs, performing someone else's

academic work, or payment for any items, goods or services outside of an organization's national requirements

- simulating activity of a sexual nature, or threatening to do so

### What should I do if I think I am the victim of, a witness to, or learn of hazing?

Anyone who is aware of or believes they have witnessed or have been subjected to hazing should immediately report the behavior to Campus Safety & Security. For Campus Safety & Security contact information for each campus, please consult the JWU Directory.

### Silent Witness

Anyone who is aware of or believes they have witnessed or have been subjected to hazing may also make a Silent Witness Report online. Please note that the Silent Witness Program is not designed to replace the need to contact Campus Safety & Security directly about an emergency or potentially harmful situation. The ability to respond appropriately may be limited if the report is anonymous; therefore, students are encouraged to provide an email address and/or phone number so that Campus Safety & Security may follow up with questions if necessary.

### Retaliation

Johnson & Wales University prohibits retaliation against any individual who has made a good faith complaint, cooperated in the investigation of such a complaint, or participated in the Conduct Review Process (p. 65). Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal from the university.

## Holds

Holds are placed when students are not in compliance with payment deadlines, term/semester start requirements (p. 35) or university policy. Holds will prevent a number of activities, including (but not limited to) course registration, entry to class, graduation and transcript requests. Students are advised to review holds in jwuLink frequently, especially after each term/semester's deadline for completing term/semester start requirements and before the start of each term/semester.

### Academic Progress Warning Hold

The academic progress warning hold prevents course registration. This hold is placed if the student is in danger of losing financial aid eligibility due to noncompliance with satisfactory academic progress requirements. This hold is removed once the student has contacted and met with the assigned academic counselor/advisor in Student Academic & Financial Services.

### Academic Standing Hold

The academic standing hold prevents course registration. This hold is placed if the student failed to meet the requirements for good academic standing. This hold is removed once the student has contacted and met with the assigned academic counselor/advisor in Student Academic & Financial Services.

### Athletic Hold

The athletic hold for unreturned university athletic gear prevents course registration and release of diploma. This hold will be placed if the student has unreturned athletic gear or owes replacement fees. This hold will be removed when the student has returned the athletic gear or paid replacement fees to the equipment coordinator.

### Collections Hold

The collections hold prevents course registration, entrance to class, access to release of official transcripts and release of diploma. This hold will be placed on a student's account if a student is no longer enrolled at the university and has outstanding charges for tuition, fees, room, meals, etc. with the university. A collections hold will be removed from a student's account once the outstanding balance is paid in full.

### Federal Direct Loan Master Promissory Note (MPN) Hold

A Federal Direct Loan MPN hold prevents course registration and entrance to class. This hold will be placed on a student's account if a student was awarded a Federal Subsidized and/or Unsubsidized Direct Loan and the student has not completed the required Direct Loan MPN prior to the term/semester's posted deadline for completing term/semester start requirements. Students can complete their Direct Loan MPN online. This hold will be removed once Student Academic & Financial Services has received a completed Direct Loan MPN. If this hold is not cleared by the end of the add/drop period, the

student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term/semester.

### **Financial Aid Hold**

The financial aid hold prevents course registration and entrance to class. This hold will be placed if the financial aid area of Student Academic & Financial Services has requested documentation (e.g., parent tax transcripts, student tax transcripts, dependent verification worksheet, etc.) from a student and that documentation was not provided to the financial aid area prior to the term/semester's posted deadline for completing term/semester start requirements. This hold will be removed once all requested documentation has been received by the financial aid area of Student Academic & Financial Services. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term/semester.

### **Financial Hold (Fall, Winter, Spring and Summer)**

The financial hold prevents course registration. (If this hold is in place, the student's schedule is deleted and, if applicable, student-athletes will not be able to participate in their team's activities.) In addition, a financial hold will prevent a student from securing a residence hall. This hold will be placed on the student's record if they have not established an acceptable payment plan with the university prior to each term/semester's posted deadline for completing term/semester start requirements. All payment plans must remain in good standing prior to the deadline for completing term/semester start requirements in order to avoid a hold. This hold will be removed once a payment plan has been established and/or payments are up-to-date.

### **Health Services Hold**

The health services hold prevents course registration and entrance to class. This hold is applied to the records of new and returning full-time undergraduate, graduate, culinary, and part-time undergraduate or graduate students in a health science program who have failed to comply with the university's medical documentation/immunization requirements. This hold is released only after all requirements have been met. If this hold is not cleared by the end of the add/drop period, the returning student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term. New students will not be allowed to enroll for the next term. In addition, this hold may be applied to the records of students who are approved for a campus transfer and have not complied with the medical documentation/immunization requirements of their new campus. This hold is released after all health services requirements of the new campus (destination campus) are satisfied. Students will have no more than one term to meet these requirements.

### **Home-School Verification Hold**

The home-school verification hold prevents course registration.

Home-schooled students are required to provide their high school transcripts and copies of their SAT or ACT test scores. Both the grades on the transcript and the SAT/ACT test scores will be reviewed to determine admissions and scholarship eligibility. SAT scores of 27 in Reading and 530 Math or ACT equivalent are required for admittance.

Home-schooled students must be able to document that they have completed high school. Verification documents for home-schooled students include at least one of the following:

- a high school diploma/transcript recognized by their state department of education
- high school equivalency exam

or, with respect to home-schooled students who are above the compulsory age of school attendance,

- a secondary school completion credential for home school (other than a high school diploma or high school equivalency exam) provided for under state law; or
- if state law does not require a home-schooled student to obtain the credential described in the preceding bullet, a certification letter that the student has completed a secondary school education in a home-school setting that qualifies as an exemption from compulsory attendance requirements under state law.

It is the student's responsibility to provide verification of high school completion. Without such verification, the student may not be allowed to

register for the current term or continue enrollment and will be in jeopardy of revocation of admission to the university as well as losing all financial aid.

This hold will be removed once the student has provided documentation to Student Academic & Financial Services or Admissions.

### **International Student Hold**

The international student hold prevents course registration and entrance to class. This hold is applied by the International Student Services Office to the records of any student who has not completed all required documentation, in accordance with federal regulations. This hold is released only after ALL documentation requirements have been met. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term; as a result, the student's immigration status will be compromised.

### **Community Standards and Conduct Hold**

Community Standards and Conduct may apply a hold to a student's account for various reasons. The community standards and conduct hold may prevent course registration, entrance to class, and/or graduation. This hold is applied to the records of students who have been suspended and/or dismissed from the university or have other outstanding obligations with community standards and conduct. A community standards and conduct hold for suspended students will be released only after the term(s) of the suspension have expired and all other conditions for reinstatement have been met. The director of community standards and conduct, or their designee, will notify a student when their request for reinstatement has been approved. A community standards and conduct hold for dismissed students will not be released. Holds for other outstanding obligations with community standards and conduct will be released upon a student's fulfillment of any such obligations and upon notice from Community Standards and Conduct.

### **Library Hold**

The library hold for unreturned materials prevents release of diploma. This hold will be placed if the student has unreturned library materials or owes replacement fees for unreturned materials. This hold will be removed when the student has returned the materials or paid replacement fees to the library.

Library fees are to be paid online through the links below to the campus where the student is enrolled:

- Providence
- North Miami
- Denver
- Charlotte

### **Loan Delinquent Hold**

The loan delinquent hold prevents course registration, entrance to class, access to/release of transcripts and release of diploma. This hold will be placed on a student's account if a student is delinquent and/or is in default with a Federal Perkins Loan and/or Johnson & Wales Achievement Loan. This hold will be removed once the loan is in good standing.

### **Medical Hold (A or B)**

Medical hold A (issued by Health Services) and medical hold B (issued by Counseling Services) prevent course registration and entrance to class. These holds will be removed when the student has contacted the appropriate university office and satisfied requested requirements.

### **North Carolina Residency Application Hold**

The North Carolina Residency Application hold prevents course registration and entrance to class. This hold will be placed if a student attending the Charlotte Campus was awarded a North Carolina need-based scholarship and has not completed the North Carolina Residency Determination prior to the term's posted deadline for completing term start requirements. This hold will be removed when the residency form is received.

### **Previous Balance Hold**

The previous balance hold prevents course registration and entrance to class. This hold will be placed on a student's account if the student is delinquent and/or is not in compliance with the current established payment plan with the university by the posted term/semester deadline for completing term/semester start requirements. All payment plans must remain in good standing in order to avoid a hold. This hold will be removed once the payment plan has been brought up-to-date.

## Schedule Hold

The schedule hold prevents course registration. This hold may be assigned when requirements or policy are not satisfied. A schedule hold may also be placed on students who are enrolled in certain programs. The reason the hold was applied is viewable in jwuLink. The hold will be removed when the student satisfies the requirements of the hold.

### Student Loan Entrance Counseling (Interview) Hold

The entrance counseling hold prevents course registration and entrance to class. This hold will be placed if a first-time borrower for the Federal Direct Loan program has not completed entrance counseling. Entrance counseling can be completed online. An entrance counseling hold will be removed once the student has completed the entrance counseling. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately and permanently deleted and the student will be considered withdrawn from the term.

### Verify Final Grades Received Hold

The verify final grades received hold prevents course registration and entrance to class. This hold will be placed if an undergraduate student has not provided the university with final, official documentation that verifies high school diploma completion or equivalent; or a graduate student has not provided the university with final, official documentation that verifies bachelor's degree completion.

Undergraduate students should see High School Completion Verification for additional information on acceptable documentation.

Prior to the start of the term/semester, documentation must be submitted to Admissions. After the beginning of the term/semester, documentation must be submitted to Student Academic & Financial Services.

This hold will be removed once the student has provided documentation to Admissions or Student Academic & Financial Services.

## Hoverboard Policy

It is the policy of Johnson & Wales University to prohibit any person from carrying, storing or operating a hoverboard anywhere on or inside property owned or leased by Johnson & Wales University. Violations of this policy may result in disciplinary action up to and including termination or dismissal from the university.

Johnson & Wales University has become aware of unresolved product safety problems with hoverboards that cause these items to catch fire and project sparks and flames. This policy is to establish a clear prohibition against bringing any hoverboard onto Johnson & Wales University-owned or -leased property so as to avoid associated risks of personal injury or property loss.

Hoverboard is defined as a self-balancing two-wheeled board or self-balancing electric scooter equipped with a rechargeable battery.

1. No person shall be allowed to carry a hoverboard inside a building on any Johnson & Wales University campus.
2. Storage of a hoverboard inside any vehicle parked in any parking lot or garage on campus is strictly prohibited.
3. Hoverboards cannot be transported by any Johnson & Wales University bus or other transit vehicle.
4. Any discovery of a hoverboard on campus should be immediately reported to Campus Safety & Security.

## Identification Cards

Official university student identification (ID) cards are issued to all students and must be carried at all times. Primarily serving as students' official university ID, the card is part of the JWU campus electronic security system, campus dining meal plan and transportation ridership.

All campus buildings are equipped with electronic card-access devices for security purposes. ID cards enable students to gain access to all campus administrative and academic buildings by simply passing the card before the reader device located near the entrance door. Residential student ID cards are programmed for 24-hour access to the individual's assigned residence hall. ID cards are also programmed with students' meal plans for ease of transaction at a variety of campus dining service locations. The campus bus transportation service, and any public transportation service afforded by the university, can only be utilized with the university ID card.

Other uses of the ID card include accessing online university library services and print services at the university computer labs, purchasing tickets at Student Involvement & Leadership, and attending various campus-related events held both on and off campus.

Use of the issued university ID is restricted to the person to whom the card is issued and whose photograph appears thereupon. Transferring a card to another person or using another person's card for any reason is strictly prohibited. Any violation of this card-use rule will be referred to Community Standards and Conduct.

Once students receive their university ID, the following conditions shall apply:

- Immediately report a lost or stolen card to Campus Safety & Security.
- Lost or damaged ID cards will incur a \$30 replacement fee.
- Students are only permitted one ID card.

All university-issued ID cards remain the property of Johnson & Wales University.

For Campus Safety & Security hours, location and contact information, please consult the appropriate campus JWU Directory.

## Name Change

Applicants, current and former students have the opportunity to change their names on university records by submitting a Name Change Request Form along with appropriate documentation showing the student name has been officially changed. A copy of a court order, marriage certificate, passport or social security card are examples of documentation required to support an official name change. Please note that if you have ever applied for or received financial aid, the only acceptable form of documentation is a new copy of your **social security card**. Upon receipt of the form and supporting documentation, the name change will be processed immediately (except when records exist on microfilm).

**Important note for international students:** International students' names must appear on university records exactly as they appear on the passport issued by the student's home country.

### Name in Use

Students at JWU who use a name (name in use) other than their legal name have the ability to have their first name added as a "preferred name" to the university's student information system (Banner), which will appear on ulearn class rosters and online course discussion tools. However, the name in use cannot replace a legal name for financial aid or immigration purposes. Official university communications will default to legal name (this includes mailings home). If or when a student legally changes their name, the university will make that change in the university system when the student submits a Name Change Request Form with the required documentation.

Currently, students can have their name in use reflected on

- their JWU student ID
- university name tag (academic or on-campus involvement/employment-based)
- "preferred name" field in Banner
- ulearn discussion boards
- uSucceed
- their Outlook display name in address book

Steps to request add name in use/preferred first name:

- Contact Student Academic Services (SAS) to have your name in use added to the "preferred name" field in Banner. This will automatically transfer to ulearn discussions within 24 hours. You may email (sas.pvd@jwu.edu) this request.
- Speak with JWU ID Services to have your JWU ID card printed and, when applicable, your JWU name tag with your name in use printed at no cost to you (there is a fee for lost IDs).
- Email the IT Service Desk (it@jwu.edu) from your Wildcat email to request a change to your display name for Wildcat Email.

Students may also contact the Gender Equity Center (p. 62) director who can provide assistance with any of the above steps and review additional resources available.

## Posting Policy

All posted advertisements for student organizations must be approved through Student Involvement & Leadership or their designee. All student organization flyers must be reviewed for content by a Student Involvement & Leadership staff member. Student Affairs and/or Student Involvement & Leadership reserve the right to reject any flyer. Only active or petitioning recognized student organizations may have items approved. University departments are responsible for ensuring their own promotions follow the requirements stated below.

As a general rule, any material or flyer that is determined to be illegal, unethical, harassing, or targets an individual or group in a demeaning manner, or promotes the use of alcohol, its consumption or sale, illegal drug use, hazing, or other violation of the student code of conduct, will not be approved. All flyers must bear the name of the sponsoring organization and will be stamped and numbered, if approved. All apartment listings must be approved through the appropriate campus-designated department.

Any posted materials on campus must follow the requirements below:

- Any hallway posting at the Providence Campus must be contained within a glass-enclosed bulletin board.
- Any materials hung in the hallways or on doors, walls or windows of any building and classroom, or on trees, telephone poles, etc., or other unauthorized areas, whether they carry the appropriate approval or not, will be immediately removed. "Special marketing" can be approved if agreed upon by a designated facility manager and Student Involvement & Leadership representative.
- Only authorized bulletin boards or designated posting locations are to be used to display approved posters and flyers. There are a number of bulletin boards or other designated posting locations throughout the university that are reserved for the specific use of one office or department. Students may not use these restricted bulletin boards for posting notices.
- Any requests to post a document within an enclosed board must be made through the administrator in charge of the building or floor.

All postings must have an end date for when the information is no longer valid. This may often be the date of the event promoted on a flyer. However, if no specific event date is listed, an end date that eliminates the expectation that the flyer would be posted for an indefinite period must be included on the documents to be posted.

## Prohibited Discrimination and Harassment (including Sexual Harassment) Policy

Johnson & Wales University (JWU) values and fosters an educational and employment environment free from all forms of intimidation, hostility, offensive behavior, discrimination and harassment, including sexual harassment. The university prohibits unlawful discrimination, including

harassment, on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status, or any other unlawful basis in admission to, access to, treatment of, or employment in its programs and activities. Such conduct violates not only university policy, but may also violate federal and state laws.

Harassment may take many forms, including physical, verbal and nonverbal acts and written statements. Harassment does not have to include intent to harm, be directed at a specific target or involve repeated incidents. A single incident involving severe misconduct may sometimes rise to the level of harassment.

Discrimination and harassment are inappropriate and will not be tolerated at JWU. Such behavior or the tolerance of such behavior on the part of an employee violates university policy and may result in disciplinary action up to and including termination of employment. Such behavior on the part of a student also violates the Student Code of Conduct (p. 63) and may result in student conduct sanctions (p. 68) up to and including dismissal from the university.

The university undertakes to comply with all federal and state discrimination laws, including, but not limited to Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (504), the Age Discrimination Act of 1975, Title VII of the Civil Rights Act of 1964 and the Americans with Disabilities Act of 1990.

Johnson & Wales University also does not tolerate harassment of any kind. Sexual harassment and sexual misconduct are a form of sex discrimination and prohibited by the university.

Additional information, including the university's complete Prohibited Discrimination and Harassment (including Sexual Harassment) Policy and the Sexual Assault and Relationship Violence Policy is included in the Student Handbook (p. 19) for each campus and available by contacting Equity & Compliance Services (Equity&ComplianceServices@jwu.edu).

Inquiries concerning the application of the notice of nondiscrimination may also be referred to the appropriate governmental agencies listed below under State and Federal Discrimination and Harassment Enforcement Agencies (p. 21).

## What Is Sexual Harassment?

Sexual harassment is a form of sex discrimination prohibited by federal and state laws and university policy. Under this policy, sexual harassment is defined as: unwelcome words, conduct or actions of a sexual or gender-based nature, and (1) submission to such behavior is made either explicitly or implicitly a term or condition of employment or education at JWU, (2) submission to or rejection of such behavior is used as the basis for employment, academic or other decisions, or (3) it is sufficiently severe, pervasive or persistent and has the purpose or effect of unreasonably interfering with work or academic performance, denying or limiting the ability to participate in or to receive benefits, services or opportunities in the university's programs, or creating an intimidating, hostile or offensive working or educational environment.

Sexual harassment includes the misuse of authority to emphasize the sexuality of an individual in a manner that prevents or impairs that individual's full enjoyment of employment or educational benefits, environment or opportunities. While sexual harassment may take the form of physical conduct, it may also appear in verbal or written derogatory or discriminatory statements that may affect recommendations, status, promotions, raises or favorable work assignments for employees, or campus life, class assignments, grades or recommendations for students.

While sexual harassment often takes place in relationships with a power differential between the persons involved, the university also recognizes that sexual harassment may occur between persons in the absence of such a relationship.

Sexual harassment does not include words, conduct or action of a reasonably socially acceptable nature. However, some behavior which is appropriate in a social setting may not be appropriate in the workplace or academic environment. Additionally, sexual harassment does not include words, conduct or actions with reasonable educational or professional justification.

It is not always easy to define precisely what behavior constitutes sexual harassment; however, examples of conduct which may constitute sexual harassment include, but are not limited to

- unwelcome sexual advances and requests for sexual favors;
- sexual teasing, joking, suggestive looks, gestures or staring;
- peer harassment that creates a hostile environment, such as spreading rumors about sexual behavior, sexually charged name calling, or inappropriate sexual text messages, emails, social media posts and/or inappropriate communications in any other manner or media;
- direct or implied threats that submission to sexual advances will be a condition of employment, promotion, grades, status in a course or program, letters of recommendation, or participation in an activity;
- unwelcome touching of any nature, including patting, embracing, caressing or pinching;
- improper brushing against another's body, or "friendly" arms around the shoulders;
- offers of money or other consideration, including an employment-related or education-related reward, for sexual activity;
- repeated requests for dates despite being asked to stop;
- suggestive sexual remarks or innuendos;
- improper or unwelcome inquiries about someone's sexual or personal life, or sharing information about one's own sexual or personal life;
- overt or subtle pressure for sexual activity or direct or implied propositions of a sexual nature;
- sexual assault and relationship violence prohibited by the university's Sexual Assault and Relationship Violence Policy (p. 23), and the Student Code of Conduct (p. 63);
- the use or display of pornographic or sexual materials without reasonable educational justification. In the educational setting, judgment must be used in determining the appropriate content when the presentation of academic material is required; or
- epithets, slurs, quips or negative stereotyping that relate to sex and/or gender.

## What Are Other Types of Prohibited Harassment?

In addition to sexual harassment, offensive conduct on the basis of one or more of the other listed protected categories (race, religion, color, national origin, age, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status, or any other unlawful basis) may constitute prohibited harassment. Under this policy, harassment is defined as unwelcome words, conduct or actions based on any protected category that are sufficiently severe, pervasive or persistent and have the purpose or effect of unreasonably interfering with work or academic performance, denying or limiting the ability to participate in or receive benefits, services or opportunities in the university's programs, or creating an intimidating, hostile or offensive working or educational environment.

Harassment does not include behavior of a reasonably socially acceptable nature. However, some behavior which is appropriate in a social setting may not be appropriate in the workplace or academic environment. It is not always easy to define precisely what conduct constitutes harassment; however, examples of conduct which may constitute harassment include, but are not limited to

- epithets, slurs, quips or negative stereotyping that relate to any protected category;
- threatening, intimidating or hostile acts that relate to any protected category;
- written or graphic material (including graffiti) that denigrates or shows hostility or aversion toward an individual or group because of actual or perceived membership in any protected category, and that is placed on walls, bulletin boards or elsewhere on university premises, or circulated or displayed in the workplace;
- teasing, joking, pranks or other forms of "humor" that are demeaning or hostile with regard to any protected category; or
- the use or display of offensive or discriminatory materials without reasonable educational justification. In the educational setting, judgment must be used in determining the appropriate content when the presentation of academic material is required.

## What To Do

### What should I do if I think I am the victim of, a witness to, or learn of discrimination or harassment?

**There is no obligation to address the matter directly with the offending party.** Occasionally, people are able to resolve a potentially harassing situation by speaking with the offending party directly about the conduct they find offensive and/or unwelcome. Informal discussions will sometimes resolve the problem; however, the university strongly advises anyone who has a concern of discrimination or harassment to report the incident if they are not comfortable discussing it directly with the offending party or if the behavior they find unwelcome and/or offensive continues. For information regarding reporting a complaint or concern, please see Filing A Complaint (p. 20), Investigation and Resolution (p. 21) and Retaliation (p. 21).

Anyone who is aware of or believes they have witnessed or have been the subject of discrimination or harassment, including sexual harassment or relationship violence, should immediately notify the nondiscrimination coordinator, a nondiscrimination campus liaison, Human Resources & Payroll or Campus Safety & Security as set forth under Filing A Complaint (p. 20) and Equity & Compliance Services.

For a list of state and federal government enforcement agencies, please see Enforcement Agencies (p. 21).

## Filing a Complaint

Any employee, student or applicant for employment or admission who is aware of or believes that he or she has witnessed or been subjected to any form of unlawful discrimination or harassment may make a complaint as outlined below. The complaint should be as specific as possible regarding the circumstances, including the dates and places of the incidents, individuals involved, names of any witnesses and any other relevant information.

## Discrimination or Harassment Complaints Against Students

Campus Safety & Security investigates complaints about student behavior. Concerns about the behavior of student-employees are reported as set forth below (p. 23).

Anyone who is aware of or believes they have witnessed or been the subject of discrimination or harassment (including sexual harassment, sexual assault and relationship violence) by a student should immediately report the behavior to Campus Safety & Security. Reports can also be made to the nondiscrimination coordinator or any nondiscrimination campus liaison, Residential Life, or any other trusted university employee who will then report the incident to Campus Safety & Security ([www.jwu.edu/compliance](http://www.jwu.edu/compliance) > Nondiscrimination Liaisons by Campus).

### How do I contact Campus Safety & Security to report a complaint?

Campus Safety & Security can be reached by calling the appropriate campus number listed below:

- Providence Campus Safety & Security: 401-598-1103
- North Miami Campus Safety & Security: 305-892-7011
- Denver Campus Safety & Security: 303-256-9500
- Charlotte Campus Safety & Security: 980-598-1900

## Discrimination or Harassment Complaints Against Employees, Student Employees and Third Parties

The nondiscrimination coordinator (who is also the Title IX and Section 504 coordinator) investigates complaints about the behavior of employees, student employees (acting in their capacity as employees) and third parties (e.g., a visitor to campus or an individual doing business with the university).

Anyone who is aware of or believes they have witnessed or been the subject of discrimination or harassment (including sexual harassment, sexual assault or relationship violence) by any employee of the university, a student employee or a third party should immediately report the discrimination or harassment to the nondiscrimination coordinator, any nondiscrimination campus liaison, or Human Resources & Payroll. Reports can also be made to Campus Safety & Security, Residential Life or any other trusted university employee, who will then report the incident to the nondiscrimination coordinator.

### Who are the nondiscrimination coordinator and nondiscrimination campus liaisons?

The nondiscrimination coordinator (who is also the Title IX and Section 504 coordinator) and nondiscrimination campus liaisons are university employees who are specially trained and authorized to take reports of discrimination, harassment, sexual assault and relationship violence, and conduct discrimination, harassment, sexual assault and relationship violence investigations. Refer to the JWU Equity & Compliance Services webpage for more information about the nondiscrimination coordinator and nondiscrimination campus liaisons ([www.jwu.edu/compliance](http://www.jwu.edu/compliance) > Nondiscrimination Liaisons by Campus).

In the event of a conflict of interest or other circumstances where reporting to the university nondiscrimination coordinator or a nondiscrimination campus liaison would not be appropriate, reports of discrimination or harassment may be made to the vice president of human resources (401-598-1845), any campus vice president or the senior vice president of administration on the Providence Campus (401-598-1754).

### Who coordinates the university's compliance with Title IX, Section 504 and other discrimination laws?

The nondiscrimination coordinator has been designated to carry out the university's responsibilities under all federal and state discrimination laws, including, but not limited to, Title IX of the Education Amendments of 1972 (Title IX), Section 504 of the Rehabilitation Act of 1973 (504), the Age Discrimination Act of 1975, the Civil Rights Act of 1964 and the Americans with Disabilities Act of 1990. Refer to the JWU Equity & Compliance Services webpage for more information ([www.jwu.edu/compliance](http://www.jwu.edu/compliance)).

### What should I do if I have a complaint about gender equity in athletics?

If you have a complaint about gender equity in university athletics programs, you should contact the nondiscrimination coordinator (who is also the university's Title IX coordinator and Section 504 coordinator). Refer to the JWU Equity & Compliance Services webpage for more information about the nondiscrimination coordinator ([www.jwu.edu/compliance](http://www.jwu.edu/compliance)).

## Sexual Assault and Relationship Violence

In addition to the procedures described above, employees, students or third parties who are victims of sexual assault or relationship violence (including dating violence, domestic violence or stalking) may seek assistance as described in the university's Sexual Assault and Relationship Violence Policy (p. 23).

Please also see Investigation and Resolution (p. 21), Retaliation (p. 21), the Student Code of Conduct (p. 63) and the Conduct Review Process (p. 65).

## Investigation and Resolution

Once discrimination or harassment has been reported, the university promptly begins an investigation. The investigation may involve meeting with and interviewing the parties, providing the parties the opportunity to identify witnesses or present other information, interviewing witnesses with relevant knowledge, and reviewing other relevant materials and documents. Reasonable efforts are made to preserve confidentiality and protect the rights of all parties; however, the university cannot guarantee confidentiality or anonymity if disclosure is necessary to investigate or resolve the situation or put an end to any discriminatory and/or harassing behavior in compliance with applicable law.

Reasonable efforts will be made to complete the investigation and determine an outcome within 60 days of receipt of the complaint; and, upon a determination of responsibility, the university will take action to prevent the recurrence of the harassing or discriminatory behavior and to mitigate its effects, including providing appropriate remedies or sanctions up to and including termination of employment or dismissal from the university. In some instances, immediate interim action may be taken to help protect an individual or the community.

## Retaliation

### University's Prohibition Against Retaliation

Johnson & Wales University prohibits retaliation, including intimidation, threats, coercion or discrimination, against any individual who has made a good faith complaint, who has cooperated as a witness or a complainant in the investigation of such a complaint, or who has participated as a witness or complainant in any university proceeding. Any person found to have engaged in retaliation, or to have encouraged others to engage in retaliation, will be subject to disciplinary action up to and including termination of employment or dismissal from the university.

### University's Prohibition Against False Claims

The reporting of a knowingly false complaint of behavior prohibited by university policy or the Student Code of Conduct is also a violation of university policy and the Student Code of Conduct and may result in disciplinary action up to and including termination of employment or dismissal from the university.

## Satisfactory Academic Progress

### Satisfactory Academic Progress

To be eligible for financial aid, all students must satisfy Satisfactory Academic Progress (SAP), which is required by federal law. SAP measures a student's completion of coursework toward a degree. JWU evaluates SAP at the end of each term/semester, including summer, for each student. Students who do not meet all SAP criteria may lose their eligibility to receive all types of financial aid (e.g., federal, state, private, institutional and other aid). Students will be notified of the decision both verbally and in writing.

### Maximum Time Frame Criteria

Completion of undergraduate or graduate programs cannot exceed 150 percent of the published length of the program measured in credit hours attempted, as determined by the student's program requirements.

### Pace Measure of Academic Progress Criteria

- Students must complete a specified percentage of all credit hours attempted (see below).
- This percentage includes all credit hours attempted regardless of whether or not financial aid was received.
- This pace measurement is calculated by dividing the cumulative number of hours that the student has successfully completed by the cumulative number of hours that the student has attempted.
- Credits attempted are defined as all classes for which a student receives a grade (D or better), or an F, I, W, WP, WF, NC, GP, S, U, PL, CX, NG, AU, etc.
- All transfer credit hours accepted from another institution toward the student's educational program at JWU will be counted as both attempted and completed hours.

- The student's GPA and pace of completion are negatively impacted by course incompletes, withdrawals, failures or repetitions (incompletes, failures and withdrawals count in attempted credits, but not completed).

### Grade Point Average Criteria

- All undergraduate and graduate students must maintain a minimum Grade Point Average (GPA).
- The student's cumulative GPA for financial aid eligibility must be calculated on all grades received.
- All students, regardless of their enrollment status (e.g., full or part time), must meet the following minimum academic standards to remain eligible for financial aid.

Program	Total Credit Hours Attempted	Minimum Cumulative Pace	Minimum Cumulative GPA
Undergraduate	0–21	45%	1.00
Undergraduate	21.1–42	50%	1.26
Undergraduate	42.1–106.9	60%	1.50
Undergraduate	107 or higher	67%	2.00
Graduate	0 or higher	67%	2.00
Occupational Therapy Doctorate	0 or higher	67%	3.00
Doctor of Business Administration	0 or higher	67%	3.00
Doctor of Education	0 or higher	67%	3.25

### Warning Period

Students who fail to meet SAP criteria will be placed on financial aid warning for one academic term/semester and a hold will be placed on the student's record, which will prevent them from course registration for all future term/semesters. Students remain eligible for financial aid during the warning term/semester. If SAP criteria are not satisfied at the end of the warning term/semester, the student will be ineligible for financial aid. Students on warning must meet with an academic counselor/adviser to clear the hold prior to course registration, and/or to pursue an appeal. Students on warning must submit their appeal and supporting documentation no later than the 11th week of the warning term/semester.

### Ineligible for Financial Aid Period

Students who fail to meet SAP criteria after the warning period are ineligible for financial aid. If the student does not have an approved appeal, the student is no longer eligible for financial aid. Students may continue to take courses without financial aid to re-establish SAP standards; however, a payment plan must be established for the tuition and applicable fees associated with the course(s). Once a student is meeting JWU's minimum SAP standards, the student may regain financial aid eligibility. Students who are interested in reestablishing aid eligibility should meet with an academic counselor/adviser to determine what they would need to do to meet JWU's minimum SAP standards.

### Appeal Process/Probationary Period

If extenuating circumstances impacted successful adherence to SAP criteria, the student may pursue an appeal. The appeal will require the student to indicate why they did not make SAP and what has changed in the student's situation that will allow the student to demonstrate SAP by the next term/semester. Circumstances and required documentation are illustrated below. The appeal process begins with the student's academic counselor in Student Academic Services. The student should be able to meet the SAP standards by the end of the next term/semester; however based on the appeal, if the student requires more than one term/semester to meet progress standards, the student can be placed on probation and an appropriate academic plan will be created for the student not to exceed two terms/semesters. If this plan allows the student to meet SAP criteria, the counselor will present it to the appeals committee. Appeals must include complete documentation and are reviewed during the warning period; incomplete appeals will be denied. Appeal decisions are final. Students will be notified of the decision both verbally and in writing. This notification will take place after final grades are reviewed for the warning period.

If an appeal is approved, the student will be placed on a Financial Aid Probation Period, which is a status assigned by JWU to a student who fails to make SAP and who has successfully appealed and has had eligibility for financial aid reinstated. To continue receiving financial aid, the student will

need to satisfy both the academic plan as outlined in their appeal and the SAP criteria.

Circumstance	Required Documentation
The student's own mental or physical illness or injury or condition	Provide documentation (e.g., a physician's statement, police report or documentation from a third party professional, such as a hospital bill)
Death of a family member or significant person in the student's life	Provide a copy of a death certificate
Illness, accident or injury of a significant person in the student's life	Provide documentation (e.g., a physician's statement, police report or documentation from a third party professional, such as a hospital bill) related to the individual for whom the student provided care or support
The student's own divorce or separation or the divorce or separation of the student's parent(s)	Provide an attorney's letter on a law firm's letterhead, petition for dissolution or copy of divorce decree
Personal problems other than the student's own mental or physical illness or injury or condition with the student's spouse, family, roommate or other significant person in the student's life	Provide a written statement from an attorney, professional advisor or other individual describing the circumstances
Natural disaster	Provide a written statement and/or supporting documentation
Military deployment	Provide active duty service orders

## Sexual Assault and Relationship Violence Policy

Johnson & Wales University prohibits sexual assault and relationship violence, which may include dating violence, domestic violence, stalking and sexual exploitation. These offenses constitute violations of university policy, including the Prohibited Discrimination and Harassment (including Sexual Harassment) Policy (p. 19) and Student Code of Conduct (p. 63). These offenses can also constitute violations of state and federal laws.

The university provides proceedings and resources for community members affected by sexual assault and relationship violence (see Getting Help (p. 26)), and offers programming designed to educate the community and prevent the occurrence of such offenses (see Education and Prevention (p. 24)).

### Definitions

**Dating violence** means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. Fondling also includes being forced to touch (with a hand or any other part of the body) another person's clothed or unclothed sex organs, breasts, groin, buttocks or anus, without consent, including instances where the person is incapable of giving consent.

**Consent** means conduct that signifies through words or behaviors that the parties have indicated agreement to engage in sexual activity.

- Past consent does not imply future consent.
- Silence or absence of resistance, by itself, does not imply consent.
- Consent to engage in sexual activity with 1 person does not imply consent to engage in sexual activity with another.
- Consent can be withdrawn at any time.
- Coercion, force or threat of force invalidates consent.

**Coercion** means express or implied threats of any harm that would place a reasonable individual in fear of immediate or future harm and that is employed to make someone engage in sexual activity.

**Force** means the actual use or threat of physical violence that is employed to make someone engage in sexual acts.

**Incapable of giving consent** means that because of the person's age or temporary or permanent mental incapacity they cannot give intelligent, knowing and voluntary consent.

**Incest** means sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Rape** means the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person without consent, including instances where the person is incapable of giving consent.

**Statutory rape** means sexual intercourse with a person who is under the statutory age of consent.

**Sexual exploitation** means taking sexual advantage of another individual's nudity or sexuality without consent and includes, but is not limited to,

- allowing third parties to observe private sexual acts;
- knowingly or recklessly exposing another person to a significant risk of sexually transmitted infection or virus; and/or
- exposing one's genitals to another individual

**Stalking** means a course of conduct directed at a specific person that would cause a reasonable person to

- fear for the person's safety or the safety of others; or
- suffer substantial emotional distress

**Course of conduct** means 2 or more acts, including, but not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person's property.

**Reasonable person** means a reasonable person under similar circumstances and with similar identities to the victim.

**Substantial emotional distress** means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

If there is reason to believe that JWU's rules prohibiting sexual assault and relationship violence have been violated, either on or off campus, the administration may pursue disciplinary action through the university's Conduct Review Process (p. 65) for students, Human Resources & Payroll for employees, and/or through any other available proceedings. When an individual accused of this behavior is not a member of the university

community, the university will determine the appropriate response depending upon the nature of the individual's relationship with the university and other factors.

In considering these offenses, JWU will, if required by law, refer to the laws of Rhode Island, Florida, Colorado, North Carolina and/or Massachusetts.

## Education and Prevention

Johnson & Wales University takes a proactive stance to educate its community regarding issues of sexual assault and relationship violence, including retaliation, and methods of prevention.

JWU's education and prevention programming includes programs, initiatives, strategies and campaigns intended to address sexual assault, dating violence, domestic violence and stalking. Education and programming focus on various types of prevention: awareness raising, risk reduction, bystander behavior and intervention, promotion of healthy relationships and sexuality, and addressing societal or environmental causes. These programs are both in-person and online. In addition, the programs are a mix of guest speakers, university staff members, externally created programs and university-created programs.

For students, education about sexual assault and relationship violence awareness and prevention begins at new student orientation, where incoming students and involved families participate in in-person and online sessions addressing the university's stance against sexual assault and relationship violence.

New student orientation staff members are trained to handle issues of sexual violence and relationship violence, and participate in programming designed to help students understand university expectations and policy; the intersection between alcohol, sexual assault and relationship violence; and ways to reduce the risk of, as well as prevent, sexual assault, dating violence, domestic violence and stalking. This programming promotes safety and introduces options to decrease perpetration, increase reporting, and empower individuals to take safe and comfortable bystander action.

Students also learn about safe and effective forms of bystander intervention to prevent harm or intervene when there is a risk of sexual assault, dating violence, domestic violence or stalking. Bystander intervention means safe and positive options that may be carried out by an individual or individuals that proactively promote safe and respectful interactions before the precursors to harm are ever witnessed. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

To promote a safe and engaged community, the university addresses bystander behavior by participating in programs like Green Dot as a core component of its comprehensive violence prevention efforts.

Prevention and education efforts continue throughout the year and are supported by multiple departments such as Student Involvement & Leadership (including student organizations and fraternities and sororities), Residential Life and Athletics. These efforts are targeted at awareness raising, self-defense, alcohol use, definition of consent, healthy sexuality and relationships, risk reduction and bystander behavior. The university provides education through its "Consent Is..." campaign, which educates students about the university's policies related to sexual assault; the definition of consent; the intersection between alcohol, sexual assault and relationship violence; where to obtain resources; and where to report violations. Literature addressing issues of sexual assault and relationship violence is available from multiple departments and individuals, including Campus Safety & Security, Counseling Services, Health Services, Health Education, the Gender Equity Center, Student Involvement & Leadership, Athletics, Residential Life and the Title IX Coordinator.

Many of the educational programs and events offered to students are open to all community members, and employees have the opportunity to participate in a variety of educational programs. In addition, employees are offered programming on the Prohibited Discrimination and Harassment (including Sexual Harassment) Policy, and the Sexual Assault and Relationship Violence Policy. These programs inform employees of the university's stance against sexual assault and relationship violence, and the university's prohibition against retaliation.

For information regarding sexual assault and relationship violence awareness and prevention programming, contact the Title IX Coordinator or director of the Gender Equity Center. Upcoming programs can also be found on [jwuLink](#) and the student calendar.

See additional information: Sexual Assault and Relationship Violence (p. 23), Steps to Follow (p. 24), Getting Help (p. 26), Criminal and Disciplinary Action (p. 30), Retaliation (p. 21) and State Laws (p. 30).

## Steps to Follow If an Offense Occurs

If you believe you are the victim of sexual assault or relationship violence (including dating violence, domestic violence, stalking or sexual exploitation), you are encouraged to take the following steps:

1. **Go to a safe place.**
2. **You may seek medical attention. Immediate medical attention is strongly encouraged for any possible injuries.** Medical attention is important to diagnose and treat any injuries (including internal injuries) or infections which may have resulted from the offense. Please note that local laws differ as to the healthcare provider's obligations in regards to a medical exam related to a suspected sexual assault.

### Providence Campus:

Getting an exam does not mean that you have to report the incident to the university or local law enforcement; however, a medical exam may help to preserve evidence should you choose to report to police or seek a protective order at some point.

### North Miami Campus:

Getting an exam does not mean that you have to report the incident to the university or local law enforcement; however, a medical exam may help to preserve evidence should you choose to report to police or seek a protective order at some point.

### Denver Campus:

Getting an exam does not mean that you have to report the incident to the university or local law enforcement. The healthcare provider is legally mandated to report a suspected sexual assault to law enforcement. You may choose to remain anonymous during this process. A medical exam may help to preserve evidence should you choose to report to police or seek a protective order at some point.

### Charlotte Campus:

Getting an exam does not mean that you have to report the incident to the university or local law enforcement. Hospitals will retain forensic exam information as part of the medical record and contact a law enforcement agency to provide the agency with the evidence kit. No identifying information will be on the package. A medical exam may help to preserve evidence should you choose to report to police or seek a protective order at some point.

*Time sensitive steps:* Some actions are more effective or only may be taken within a few days after a sexual offense. **You may wish to consult with medical personnel quickly regarding these items:**

- Preventative treatments for pregnancy and sexually transmitted infections
- Evidence collection
- Toxicology testing if there are signs that drugs or alcohol may have facilitated the assault/violence

Individuals of any gender can be victims of sexual assault or relationship violence. JWU encourages victims to go to the appropriate hospitals for their campus listed in Getting Help (p. 26).

3. **Consider your reporting options.** Your options include
  - reporting the offense to law enforcement authorities by dialing 911 or contacting the appropriate police at the numbers listed in Getting

Help (p. 26). Campus authorities will assist you with notifying law enforcement authorities, if desired; and/or

- filing a disciplinary complaint and reporting the offense to the university for investigation by Campus Safety & Security (see Getting Help (p. 26) for your campus information):
  - reporting the offense directly to Campus Safety & Security;
  - reporting the offense to a Residential Life staff member (such as your Resident Assistant [RA] or Resident Director [RD]);
  - reporting the offense to the university's Title IX coordinator or nondiscrimination campus liaisons; and/or
  - reporting the offense to any of the other organizations or departments listed in Getting Help (p. 26)

If you wish to report confidentially or are uncertain about your next step you may call Counseling Services (see Getting Help for your campus information).

Johnson & Wales University strongly urges students and employees to report criminal offenses to local police and Campus Safety & Security so that the university can take appropriate measures to provide help to the victim and prevent future crimes. However, you have the right not to report the matter.

**4. Consider steps to preserve and record evidence.** If you wish to press charges or seek a protective order, it is important to preserve and record evidence, including recording the name (if known) and a description of the perpetrator (including type of clothing, race, age, height, weight, hair color, eye color, distinguishing marks, etc.), details of events, where events occurred, and the direction of travel of any vehicle involved. Best practices to preserve evidence with respect to sexual offenses include seeking medical attention from a hospital emergency department shortly after the event and

- avoid washing anything (including your hands, mouth and face) or showering
- avoid going to the bathroom, brushing your teeth, eating, drinking, douching or changing your clothes
- It is recommended that you bring an extra set of clothes with you to the hospital.

If you do change or have access to other materials like sheets or blankets present during the assault/violence, those materials can be brought to the hospital or given to law enforcement for evidence collection. Please use a paper bag, not plastic bag, if you choose to transport any of these materials on your own.

You may also consider preserving electronic evidence and other relevant information such as communications from the perpetrator (e.g., social media posts, emails, texts or other materials).

**5. You may seek free confidential counseling services.** You can obtain free confidential counseling assistance whether or not you file a report:

- Contact Counseling Services directly (see Getting Help (p. 26) for your campus information as well as assistance available in the community).
- Without disclosing any details of the incident, ask a Residential Life staff member or Campus Safety & Security to contact the on-call counselor. Campus Safety & Security will also provide you with written information about university counseling resources.

**6. You may seek assistance regarding obtaining interim or protective measures at the university, including No Contact Orders and changes to university academic, living, student financial aid, visa and immigration, working, and transportation situations, regardless of whether you choose to report the crime to local law enforcement.** Campus Safety & Security, the Title IX Coordinator, Deputy Title IX Coordinators and/or a Nondiscrimination Campus Liaison will provide you with written information about university and community resources for changing situations or addressing needs.

**7. You may also wish to create a safety plan with the assistance of people and organizations listed as offering this service** under Getting Help (p. 26).

**8. You may seek an order of protection, court-ordered No Contact Order, restraining order or similar lawful orders from a court.** Please note that the local police are responsible for the enforcement of these items and not Campus Safety & Security, but Campus Safety & Security will provide you with assistance. When an allegation of sexual assault or relationship violence is made against a student, that student will receive a university-issued "no

contact" order, which will remain in effect until at least the Conduct Review Process has been completed.

**9. You may seek additional help, counseling, advocacy, legal assistance and other assistance.** People and organizations offering these services are listed under Getting Help (p. 26).

### Reporting Offenses to the University

JWU strives to be supportive of and accommodating for all victims of sexual assault and relationship violence. University representatives will make every effort to help in these ways:

1. We will meet with you privately at a place of your choice on campus to take a statement, explain your options and provide you with a written list of rights and resources.
2. We will treat information that you share with the highest level of discretion.
3. **CONFIDENTIALITY:** We will do our best to honor your request to maintain confidentiality, provided your request does not interfere with our obligation to provide a safe, non-discriminatory environment for all students.
  - The Title IX Coordinator will evaluate a request to maintain confidentiality and consider several factors in evaluating such a request:
    - i The totality of known circumstances
    - ii The seriousness of the offense
    - iii Whether the prohibited conduct involved physical violence or use of weapons
    - iv Whether the report reveals a pattern of prohibited conduct
    - v Whether the respondent has a history of arrests or is the subject of prior reports indicating a history of violence
    - vi Whether multiple respondents were involved
    - vii The complainant's age
    - viii Any other available and relevant information and evidence
  - The university's crime log will not include identifying information about the complainant to the extent permissible by law.
  - Please be advised that if we honor a request to maintain confidentiality, our ability to meaningfully investigate the incident and pursue disciplinary action against the respondent may be limited.
  - Any accommodations or protective measures provided to you will be kept confidential, to the extent that maintaining such confidentiality will not impair the ability of the university to provide the accommodation or protective measures.
  - If we cannot honor your request to maintain confidentiality, we will inform you and, to the extent possible, only share information with people responsible for handling our response to the incident.
4. We will not prejudice you.
5. We will treat you and your particular situation with courtesy, sensitivity, dignity, understanding and professionalism.
6. If you feel more comfortable talking with either a counselor or representative of a specific gender, we will do our best to accommodate your request.
7. We will assist you in arranging for any hospital treatment or medical needs.
8. We can assist you in privately contacting local law enforcement officials, counseling, Campus Safety & Security, advising and other available resources, both on campus and in the community as set forth in Getting Help (p. 26).
9. We will fully investigate your report with respect and discretion.
10. We will continue to be available for you — to answer your questions, explain the systems and processes involved, and be willing listeners.
11. We will consider your report seriously, without bias based on a protected category.
12. We will provide written notification of rights and options, including interim and protective measures.

## Getting Help

After a sexual assault or incident of dating violence, domestic violence, stalking, sexual exploitation and/or retaliation, there are many options. Understanding and choosing between these options can feel confusing and overwhelming. You are not alone.

Information, support and resources are available on and off campus to help students. The university provides a non-exhaustive list of organizations and departments by campus that offer or arrange for immediate support and response, including arrangements for emergency services, if needed; transportation to medical resources; contact with local authorities; information regarding criminal and civil proceedings and/or the university's Student Conduct Review Process or Human Resources procedures, as appropriate; advocacy services; referrals/advice about university and community counseling services; and assistance with personal safety concerns.

Many of these resources are available to respondents as well. Community members are encouraged to seek assistance and locate resources that are right for them.

Please see the appropriate section for resources at JWU's branch campuses.

Please see Getting Help (p. 26) for sources of assistance for victims when moving through the prosecution process.
2. **University Disciplinary Action:** If you choose to report the matter to the university, the incident should be reported to Campus Safety & Security. Please see Getting Help (p. 26) for contacting Campus Safety & Security.

Sexual assault, sexual harassment and relationship violence alleged to have been committed by students are addressed through the university's Conduct Review Process (p. 65) and, as applicable, in accordance with Title IX and relevant state and federal law. Please see the Conduct Review Process (p. 65) for more information about the rights of parties related to complaints of sexual assault and relationship violence. Possible sanctions for a violation of the Student Code of Conduct regarding sexual assault and relationship violence are set forth in Sanctions for Individuals (p. 68) and Sanctions for Groups (p. 69).

**When any one of the options above is pursued, you do not forfeit your right to pursue the remaining options.** Compliance with the items listed above does not constitute a violation of the Family Educational Rights and Privacy Act (20 U.S.C. 1232g).

(b) Any person who commits the offense defined in this section is guilty of a Class A1 misdemeanor. (2003-252, s. 2; 2015-181, s. 15.)

#### **Dating Violence**

North Carolina State Law does not provide a definition for dating violence.

#### **Domestic Violence**

Chapter 50 B

##### **§ 50B-1 Domestic violence; definition**

(a) Domestic violence means the commission of one or more of the following acts upon an aggrieved party or upon a minor child residing with or in the custody of the aggrieved party by a person with whom the aggrieved party has or has had a personal relationship, but does not include acts of self-defense:

- (1) Attempting to cause bodily injury, or intentionally causing bodily injury; or
- (2) Placing the aggrieved party or a member of the aggrieved party's family or household in fear of imminent serious bodily injury or continued harassment, as defined in G.S. 14-277.3A, that rises to such a level as to inflict substantial emotional distress; or
- (3) Committing any act defined in G.S. 14-27.2 through G.S. 14-27.7.

(b) For purposes of this section, the term "personal relationship" means a relationship wherein the parties involved:

- (1) Are current or former spouses;
- (2) Are persons of opposite sex who live together or have lived together;
- (3) Are related as parents and children, including others acting in loco parentis to a minor child, or as grandparents and grandchildren. For purposes of this subdivision, an aggrieved party may not obtain an order of protection against a child or grandchild under the age of 16;
- (4) Have a child in common;
- (5) Are current or former household members;
- (6) Are persons of the opposite sex who are in a dating relationship or have been in a dating relationship. For purposes of this subdivision, a dating relationship is one wherein the parties are romantically involved over time and on a continuous basis during the course of the relationship. A casual acquaintance or ordinary fraternization between persons in a business or social context is not a dating relationship.

#### **Stalking**

North Carolina General Statutes § 14-277.3

##### **§ 14-277.3A Stalking**

(b) Definitions — The following definitions apply in this section:

- (1) Course of conduct — Two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, is in the presence of, or follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

- (3) Reasonable person — A reasonable person in the victim's circumstances.

(4) Substantial emotional distress — Significant mental suffering or distress that may, but does not necessarily, require medical or other professional treatment or counseling.

(c) Offense — A defendant is guilty of stalking if the defendant willfully on more than one occasion harasses another person without legal purpose or willfully engages in a course of conduct directed at a specific person without legal purpose and the defendant knows or should know that the harassment or the course of conduct would cause a reasonable person to do any of the following:

- (1) Fear for the person's safety or the safety of the person's immediate family or close personal associates.
- (2) Suffer substantial emotional distress by placing that person in fear of death, bodily injury, or continued harassment.

#### **Consent**

North Carolina State Law does not provide a definition for consent in reference to sexual activity.

## **Smoking**

Johnson & Wales University is a tobacco-free campus. All uses of tobacco-related products are prohibited by students, faculty, staff and visitors on all JWU campuses

- consistent with applicable laws;
- in all university-owned and -leased property and facilities including, but not limited to, common work areas, classrooms, conference and meeting rooms, private offices, elevators, hallways, stairs, restrooms, vehicles and all other enclosed facilities;
- on university grounds including, but not limited to, parking areas, loading docks of university facilities, athletic and recreational facilities, lectures, conferences, meetings and social events held on university property.

For purposes of this policy, tobacco-related products include cigarettes, electronic cigarettes, cigars, cigarillos, blunts, pipes, bidis, hookahs, chewing tobacco, dip, smokeless tobacco, snuff or any other items containing or reasonably resembling tobacco or prohibited products.

The sale, free distribution or advertisement of smoke and tobacco products is prohibited on all campuses and in all university publications.

It is the responsibility of all members of the university community to comply with this policy, and it is expected that both smokers and nonsmokers will cooperate by complying in an atmosphere of mutual respect and consideration. All members of the university community are encouraged to promote compliance with this policy by politely reminding students, faculty, staff, volunteers, visitors and vendors that Johnson & Wales University is a tobacco-free campus, as necessary.

## **Student Demonstrations/Open-Air Assemblies, Presentations and Forums Policy**

Johnson & Wales University embraces diversity for a richly inclusive community of local, national and international citizens, and therefore acknowledges the desire of its students to discuss and advocate for issues and express opinions, both publicly and privately, within constitutionally valid limitations, set by local, state or federal law. Students, whether as individuals or registered student organizations, may support causes by orderly means.

To this end, enrolled students are permitted to conduct orderly demonstrations/open-air assemblies, presentations or forums (herein referred to as "demonstrations") which do not disrupt, obstruct or impair the educational or administrative processes taking place at the university, or interfere with the rights of any member of the university community. At the same time, it should be made clear to the academic and larger community that students or student organizations speak only for themselves, not for the university as an institution, in their public expressions or demonstrations.

#### **Conduct Expectations**

The broadest possible exercise of freedom can be carried out only in conjunction with a deep sense of responsibility. Therefore, conduct that adversely affects the health, safety or security of the university community, local residents or property, the name of the university, or the integrity of the educational process is strictly prohibited.

As always, students and their guests are expected to conduct themselves in a manner compatible with the university's function as an educational institution and the Student Code of Conduct (p. 63). The university defines guests as any inactive student, non-student, or external organizations that are invited to or are associated with a campus event or meeting (inclusive of demonstrations). Accordingly, students and student organizations are responsible for communicating the expected behaviors outlined in the Student Code of Conduct with any individuals or external parties invited as their guests.

### Guidelines for Demonstrations

Campus events that include demonstrations and/or guests must be scheduled in accordance with space reservation and/or student organization guidelines (as outlined in the Student Organizations Handbook). All media requests must be approved through Communications & Media Relations in accordance with the university's Campus Media Policy.

A student who wishes to stage a demonstration or protest at any event on university property should contact and arrange a meeting with the dean of students or their designee a minimum of 48 hours prior to the anticipated demonstration to discuss university policy, demonstration-specific regulations and safety issues. Student organizations must first schedule a meeting with the director of Student Involvement & Leadership or the director's designee to discuss the objectives of the event and/or demonstration. The student(s) or student organizations coordinating the planning and execution of the demonstration will be considered the event host (see Event Host Responsibilities below).

Campus Safety & Security must be consulted in the planning of all organized demonstrations a minimum of 48 hours in advance of the anticipated demonstration, in order to notify other pertinent university offices about the planned demonstration. The desire of Johnson & Wales University is to promote intellectual inquiry and exchange in a respectful and civil manner. The safety of all participants is of the utmost importance to the university, and appropriate procedures must be enacted to ensure safety during demonstrations.

Event planners in conjunction with Student Involvement & Leadership and Campus Safety & Security will determine the following for any demonstration approved on campus:

#### Location

The location of an approved demonstration will be determined following space and use guidelines for all venues and common areas on campus and in accordance with this policy.

If the demonstration is against an issue at another approved campus event, the location of an approved demonstration will be as proximate to the other event as deemed appropriate considering the following:

- nature of the other event
- security needs of the other event
- time of the other event
- any other appropriate considerations

The use of streets for parades or demonstrations is subject to town ordinance and requires a city permit.

#### Time and Duration

Demonstrations may not interfere with the academic and educational mission of the university. The time and duration of the demonstration will be determined with regard to the following:

- nature of the event and/or demonstration
- security needs of the event and/or demonstration
- time of the event and/or demonstration
- any other appropriate considerations

#### Event Host Responsibilities

**Funding:** Event hosts may be responsible for any associated costs for the demonstration, including but not limited to an appropriate security detail, extensive clean-up or trash removal, damage or destruction of university property, or special permits required by local ordinances.

**Managing Disruptive Behavior:** Within the guidelines of this protocol, the event hosts are expected to help determine when behavior at their event is being disruptive. The hosts should always attempt to gain cooperation by asking that the disruptive behavior stop prior to requesting that the person(s)

leave the event, regardless of whether they are or are not guests of the event hosts. A security detail is required for any approved demonstration; therefore, the hosts are encouraged to contact the respective security officers on site about the disturbance or behavior.

**Safety and Security:** Event hosts are responsible for consulting with Campus Safety & Security to determine a suitable detail for the demonstration or event. At any event, Campus Safety & Security will locate the hosts before handling any situation of non-violent behavior unless the disruption necessitates action to prevent greater confrontation. Campus Safety & Security has the authority to act upon any acts of violence, threats of violence or overcrowding without first contacting the event hosts.

In addition to the foregoing, the university reaffirms all of its rights to utilize and seek the aid of public authorities and such judicial, civil and criminal process and proceedings as may, in the discretion of the university, be necessary or appropriate.

## Term/Semester Start Requirements

Term/semester start requirements are mandatory and must be satisfied prior to enrollment. In order to be considered officially enrolled in classes at the start of each term/semester, all university term/semester start requirements must be satisfied. Students who fail to fulfill these requirements will have holds placed on their accounts and be prohibited from entering classes or changing their schedules. In some instances, schedules will be deleted and, if applicable, housing assignments will be removed.

Prior to each term/semester's posted deadline for the term/semester start requirements, all students must complete (or confirm completion of) the following requirements. Deadlines are set forth in the Academic Calendar (p. 5) and included in many email communications.

All students must

1. Participate in course registration.
2. Contact Student Academic & Financial Services to review their invoices and payment arrangements.
  - a. Invoices are mailed beginning in May (for the fall term/semester), and emailed in October (for the winter term), December (for the spring semester) and January (for the spring term).
  - b. Students are encouraged to contact Student Academic & Financial Services to streamline the process of completing the term/semester start requirements
3. Meet the Payment Deadline Requirement.

If applicable, students must also

1. Satisfy the financial aid requirements.
2. Satisfy high school requirements and receive a high school diploma (all new undergraduate students), bachelor's requirements (all new graduate students) or master's requirements (all new postgraduate students) by submitting final, official documentation.
3. Satisfy the health services requirement (all new students).
4. Satisfy the international student services requirement.

#### Payment Deadline Requirement

A payment deadline has been established for each term/semester. Prior to this deadline, all students must establish (or confirm) an appropriate and approved payment plan with Student Academic & Financial Services. Failure to satisfy this requirement will result in immediate and permanent deletion of the student's schedule, and a financial hold will be placed on the student's account. In this instance, students will be permitted to register only when holds no longer exist on their record. Students who have not registered by a term/semester's deadline for completing term/semester start requirements will be required to complete their payment arrangements, as well as satisfy all other hold(s) if applicable, before being able to register for courses. Students who subsequently satisfy their payment arrangements shall have no guarantee that they will be able to re-register for the same course(s) and/or section(s) from which they were dropped.

Financial planning representatives are available in Student Academic & Financial Services to help students and families satisfy the payment deadline requirement (see Financial Services for contact information). One, or a combination, of the following options constitutes an appropriate payment plan:

- Pay the entire annual balance due to Johnson & Wales University.
- Make a term/semester payment in full to Johnson & Wales University.
- Pay the enrollment fee and the first month's payment to Tuition Management Systems (TMS), the university's monthly payment plan company.
- Apply for and receive approval for a loan that covers the entire annual balance due to Johnson & Wales University.
- Submit company authorization for tuition reimbursement.

#### Financial Aid Requirement

To receive financial aid, students must first complete the FAFSA (Free Application for Federal Student Aid) with the U.S. Department of Education as soon as possible after October 1; the completed FAFSA must then be on file with Student Academic & Financial Services. If selected for verification, all requested documentation (e.g., parents' federal tax transcript, student's federal tax transcript, verification worksheets, etc.) must be received in Student Academic & Financial Services by the posted term/semester's deadline for completing term/semester start requirements. Failure to satisfy this requirement will result in the placement of holds on the student's account and will prohibit the student from entering class or changing their schedule.

#### International Student Services Office Requirement

Johnson & Wales University, in accordance with federal regulations, requires that all international students maintain current and complete documentation with the International Student Services Office. Students should contact the office directly to verify that their records are complete. Failure to satisfy this requirement will result in the placement of an international student hold on the student's account. If this hold is not cleared by the end of the add/drop period, the student's schedule will be immediately deleted and the student will be considered withdrawn from the term; as a result, the student's immigration status will be compromised.

#### Health Services Requirement

Prior to the first term of enrollment, the university requires all new, full-time undergraduate and graduate students, part-time undergraduate students in a health science program, and all culinary students to submit proof of a complete physical exam conducted within the past year, including documented proof of the following:

#### Vaccination Requirements

- Two (2) doses of MMR (measles, mumps and rubella) vaccine (or titers if applicable)
- Three (3) doses of hepatitis B vaccine (or titers if applicable)
- Two (2) doses chicken pox vaccine (or titers if applicable) or proof of physician-diagnosed disease
- One (1) Tdap dose within the past 10 years (except Charlotte campus, see below)
- One (1) dose of meningitis vaccine. If you received your first meningitis vaccine prior to age 16, a booster is required. A waiver of the meningitis vaccine requirement is available for students 22 years of age and older (please contact Health Services for further information).
- A negative tuberculosis test or chest x-ray within the last year is required for entering students who are from highly endemic countries and have been residents of the United States for less than five years. A list of countries where tuberculosis is highly endemic is available upon request from Health Services.

#### Charlotte Campus Only

- Any student who is under the age of 18 upon enrollment must also submit proof of the polio vaccine series.
- Three (3) doses of tetanus-diphtheria vaccine (including at least one Tdap dose within the past 10 years)

#### Recommended, But Not Required

- Students should check with their primary care provider as to whether the meningitis type B vaccine is appropriate for them.
- Hepatitis A vaccine

Failure to satisfy this requirement will result in the placement of a Health Services Hold on the students' account and will prohibit students from

entering class or changing their schedule. Visit Health Requirements for additional information and required forms.

## Videography and Still Photography on Campus Policy

Shooting video or still images of Johnson & Wales University property, students, staff or faculty by anyone for print, video or online purposes other than academics or job function must be approved by a campus Communications & Media Relations contact. Anyone required to seek approval in accordance with the policy must submit a request form, which can be found online in the JWU Media Center.

## Withdrawal

Before withdrawing from a course or the university, students must visit Student Academic & Financial Services (online program students must contact Online Student Services) to address the impact of withdrawal on their status. Withdrawal should be a last resort, so students should consult with their course instructor and take advantage of university resources, such as tutoring or study skills assistance. Withdrawing from a course (especially a course that is a prerequisite requirement) could result in extra time at the university, additional charges and payments, and potentially more student loans. Any student enrolled solely in culinary lab courses who fails to attempt any of the scheduled courses will be considered to have withdrawn from the university.

Withdrawal may jeopardize or impact

- academic standing
- graduation date
- eligibility to remain in university housing
- eligibility to participate in athletic events
- financial aid eligibility (satisfactory academic progress)
- immigration status
- Veterans Administration benefits

It is the student's responsibility to notify Student Academic & Financial Services or Online Student Services in person or in writing (via JWU email, fax or letter) of their intent to withdraw from a course or the university. Students are not permitted to withdraw from a course or the university during final exams. If students do not officially withdraw, they will remain registered for courses and will be graded accordingly.

Discontinuing attendance (e.g., not showing up for class or not accessing course materials in ulearn) or notifying an instructor does not constitute an official course withdrawal. Students who notify an instructor are still responsible for notifying Student Academic & Financial Services or Online Student Services to be considered officially withdrawn. Students may be withdrawn by an instructor from courses with specific attendance policies. Students should review Attendance (p. 42) for additional policies.

The date the withdrawal notification is received shall be the date used in determining the refund of fees, if applicable, in accordance with the Refund Policy.

A student who does not officially withdraw due to extenuating circumstances may submit a university enrollment dispute. Enrollment disputes must be submitted online within 30 days after the end of the term/semester in dispute. To submit a dispute, students must complete the appropriate form. No adjustments to tuition and fees or financial aid will be made until the dispute is researched and either approved or denied. No enrollment disputes will be considered after 30 days from the end of the term/semester in which the students intended withdrawal. Decisions will be made within 10 business days and students will receive notification via an email sent to the email address provided on the dispute form. The student must present supporting documentation that demonstrates serious and compelling reasons justifying the withdrawal and extenuating circumstances justifying its retroactive nature.

See additional sections for more information regarding withdrawals.

## Course Withdrawal

### Course Withdrawal

If a student drops a course after the add/drop period has ended, the process is referred to as a course withdrawal. Students may withdraw from a course by completing a Course Withdrawal Form with Student Academic & Financial

Services or Online Student Services. A grade of W will be issued for each withdrawn course and recorded on the transcript as attempted credits. This grade is not calculated in the grade point average. A student who remains enrolled in one or more courses in the term/semester will not be eligible for a tuition credit. Students who withdraw from all courses will be withdrawn from the university and are subject to the University Withdrawal Policy.

Students must officially withdraw from a course by the course withdrawal deadline; otherwise, they will not be permitted to withdraw from the course and will be graded accordingly.

A withdrawal request after the deadline will only be permitted for extenuating conditions beyond the student's control. Students must provide documentation of the condition, which must be approved by an academic advisor/counselor. The course grade under these circumstances will be NC.

Withdrawal deadlines for academic courses and courses with an experiential education component are published on the academic calendar. (p. 5)

## University Withdrawal

### University Withdrawal

University withdrawal is defined as a complete withdrawal from all classes in a term. A complete withdrawal before the beginning of the term/semester start date will result in no financial responsibility for that term.

Withdrawal from the university after the start of the term/semester, voluntary or not, will result in tuition charges in accordance with the Refund Policy. The date the withdrawal notification is received shall be the date used in determining the refund of fees, if applicable, in accordance with the Refund Policy. A grade of W will be issued for each withdrawn course and recorded on the transcript as attempted credits. This grade is not calculated in the grade point average. Students withdrawing from the university should note the following:

- Students receiving financial aid are required to complete an exit interview with Student Academic & Financial Services to discuss the impact of withdrawal on tuition charges and financial aid; the financial aid award (including grants, scholarships, loans and outside awards) for the current or subsequent term/semester may be affected.
- Students living in on-campus housing are required to contact Residential Life prior to the submission of their notice to discuss the impact of withdrawal on housing status. Students must vacate university housing within 24 hours of withdrawal, removing all personal belongings, returning keys and signing out at the front desk of their residence hall.
- When (or if) enrollment resumes, graduation date and academic progress are impacted. The university cannot guarantee when or if courses may be re-offered, or if the student can resume enrollment in their original program of study. Withdrawal from a prerequisite course may impact future course registration, if scheduled, and may impact the sequencing of remaining requirements.

Students may return to the university to register for a future term/semester, but are subject to the university's Readmittance Policy (p. 49).

The university reserves the right to withdraw students who fail to meet financial or specific attendance requirements or who, because of misconduct, disrupt the academic process in violation of the Student Code of Conduct (p. 63).

In compliance with federal regulations, Student Academic & Financial Services will submit an enrollment update to the National Student Clearinghouse within 30 days of the withdrawal notification date, which is the date the student notified Student Academic & Financial Services of their intent to withdraw from the university.

## Allocation of Title IV Refunds

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs are eliminated: the Federal Unsubsidized Direct Loan program, the Federal Subsidized Direct Loan program, the Federal PLUS Loan program, the Federal Pell Grant program, the Federal SEOG program, all other sources of aid, any unpaid institutional aid.

## Involuntary Medical Withdrawal Policy

Johnson & Wales University has existing policies and procedures that seek to provide a safe and secure environment for all members of the university

community, which address potential risk to others by students based upon a student's conduct, behavior or other factors. Those policies are applied equally to all students, without regard to disability. However, when the potential risk of injury to the health or safety of others is based, in whole or in part, on the medical conditions of a student (physical or mental), it is critical that the rights of students with disabilities be protected and that decisions are made based upon objective information, not assumptions or stereotypes.

The purpose and intent of the university's Involuntary Medical Withdrawal Policy is not to single out students with disabilities from other students, but to provide additional guidelines and procedural protections.

### Criteria for an Involuntary Medical Withdrawal

This Procedure outlines when and how a student may be involuntarily placed on a Medical Withdrawal if the university determines on an individualized, case-by-case basis, in accordance with the procedures listed below, any of the following:

- the student is unable or unwilling to carry out substantial self-care obligations;
- objective evidence indicates that a student poses a significant risk to the health and safety of others;
- where a student poses an actual risk to his/her own safety;
- or where the nature of the health condition, the student's need for services, or the way the condition is manifested behaviorally and/or physically does not permit the student to participate in and benefit from the programs or services of the university with the services provided and reasonable accommodations.

### Involuntary Medical Withdrawal Process

The university may become aware of the potential need for an involuntary medical withdrawal through a variety of means, including through the Crisis Aversion and Response Evaluation (CARE) Team or directly through the Associate Dean of Students for Counseling, Health & Wellness. Once a potential need is identified, the Associate Dean of Students for Counseling, Health & Wellness or his/her designee is responsible for conducting the initial assessment. This dean or his/her designee will collect available information, such as information obtained from incident reports, CARE Team meetings, conversations with students, faculty and staff, and the opinions of appropriate medical/clinical professionals if such information is available. When the Associate Dean of Students for Counseling, Health & Wellness makes a preliminary assessment that the criteria for an involuntary medical withdrawal may reasonably be met, he or she will, where reasonably possible, meet with the student to discuss the issues raised; explore whether there are reasonable accommodations that will avoid the need for leave, options for a voluntary medical withdrawal, and the procedures for an involuntary medical withdrawal. If, after the meeting, the student maintains that he/she would like to remain enrolled, the Associate Dean of Students for Counseling Health & Wellness, or designee, will request that the student sign an authorization permitting medical/clinical professionals who have treated the student to share information with the Associate Dean of Students for Counseling, Health & Wellness, or designee, and other university officials. Failure by the student to sign the authorization will be considered as failure to cooperate and the decision-makers will be required to act on the information available to them.

### Involuntary Medical Withdrawal Committee

If, following the initial assessment and meeting, the Associate Dean of Students for Counseling, Health or Wellness believes an involuntary medical withdrawal may be appropriate, he or she will then convene an "Involuntary Medical Withdrawal Committee" comprised of the Associate Dean of Students for Counseling, Health & Wellness, and the Directors of Counseling and/or Health Services, and the Director of Accessibility Services/Center for Academic Support, or any of their designees. Additional university administrators will be added to the committee if and when appropriate. The Committee will review collected information. The committee will make a determination on an individualized, case-by-case basis, taking into consideration the nature, timing, probability, and severity of the risk and whether reasonable modifications of the university's policies, practices, or procedures will mitigate the risk. This individualized assessment will be based on current medical knowledge or the best available objective evidence. The Committee will confer with individuals who have in-depth knowledge of, and experience in, the relevant medical field. The Committee will render a decision and the Associate Dean of Students for Counseling, Health & Wellness will present that decision to the student in writing.

## Reinstatement Procedures and Conditions

Should the decision be to place the student on a Medical Withdrawal, a student who is involuntarily withdrawn shall have a hold placed on his or her records, and be notified in writing, at the time of the student's withdrawal, of any conditions that must be satisfied (in addition to the university's Readmittance Policy) for the student to return to the university. These conditions may include, but are not limited to, documentation or other evidence satisfactory to the Involuntary Medical Withdrawal Committee, that the student is qualified and ready to resume studies and function safely and successfully as member of the university community, with or without reasonable accommodations. To fulfill such requirements, students are required to provide medical documentation from their individual treatment providers. The university relies heavily on the information received from the student's treatment providers. Students will be asked to provide an authorization form to allow Health Services and Counseling Services and the Associate Dean of Students for Counseling, Health & Wellness or his/her designee to communicate with such treatment providers, university deans, Accessibility Services/Center for Academic Support and other university personnel, where appropriate, regarding the student's return. The university may also require further information from the student if it determines that the information provided by the student's treatment provider is not sufficient (e.g., if information provided by the treatment provider is incomplete, requires further explanation or clarification, or when there is a disconnect between the medical information provided by the treatment provider and other information in the student's files) to make a determination that the student is ready to resume studies and function safely and successfully as member of the university community, with or without reasonable accommodations.

In addition, in unusual circumstances (e.g., where the university is concerned about the provider's credentials), the Associate Dean of Students for Counseling, Health & Wellness or his/her designee may request that the student undergo an additional assessment to allow the university to make a determination about the student's return. In those cases, the university will provide the student with a written explanation for such determination.

Students who are out of school on an involuntary medical withdrawal should submit such documentation to the applicable office (campus Health Services or Counseling Services) at least two weeks prior to their desired return date to allow the university time to evaluate the documentation. The documentation will be evaluated by the Involuntary Medical Withdrawal Committee. The Associate Dean of Students for Counseling, Health & Wellness or his/her designee will make the final determination of whether the student has satisfied the conditions of reinstatement and inform the student in writing of such determination.

Students with disabilities may be eligible for reasonable accommodations. Students are responsible for communicating their requests for accommodations to Accessibility Services/the Center for Academic Support (p. 71).

## Tuition Credit and School Health Insurance

A student who is returning to the university after an involuntary medical withdrawal may be eligible for a tuition credit equal to the amount of adjusted tuition charged for the term/semester the student was unable to complete due to the involuntary medical withdrawal. However, to be eligible the student will need to return within 12 months. This credit can only be applied toward tuition charges for the term/semester in which the student returns. In addition, the university allows students enrolled in the JWU Student Health Insurance Plan, who have been given an involuntary medical withdrawal, to continue such enrollment for a maximum of one term/semester; however, students must complete an enrollment application, available at campus Health Services and/or Counseling Services, and pay separately the current premium for that term to the university's insurance agency. International students may be able to continue to remain in the United States in compliance with applicable immigration regulations. Please consult with the International Student Services Office.

## Appeal

Students may appeal a decision regarding involuntary medical withdrawal and/or reinstatement by submitting a request in writing, by hand delivery or certified mail, to the Dean of Students or his/her designee. The request must be submitted within 10 days of the date of the decision and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within a reasonable time. The decision of the appeal officer will be final.

## Voluntary Medical Withdrawal

Students may choose to apply for a voluntary medical withdrawal if they need to leave school for a period of time to address illness or physical or mental health conditions that significantly impair their ability to function successfully or safely as a member of the university community. Students who are granted voluntary medical withdrawals may be eligible for an additional tuition credit to their student account upon their return to the university. A voluntary medical withdrawal is intended only for serious medical or psychological conditions, which may involve hospitalizations, intensive treatment or other similar conditions or events. In these instances, time away from the university for treatment and recovery can often restore functioning to a level that will enable a student to return to the university and be successful.

Students considering a voluntary medical withdrawal for health-related conditions are encouraged to contact campus Health Services (for physical health issues) or Counseling Services (for mental health issues) to discuss the appropriateness of a voluntary medical withdrawal.

Requests (including required documentation) will be reviewed in a timely fashion and either approved or denied by the appropriate Health Services or Counseling Services staff and the associate dean of Counseling, Health & Wellness, or the associate dean's designee. Medical documentation must be provided to certify the severity of the condition. Requested documentation may include a written recommendation from a university healthcare provider or an appropriately qualified medical or mental health professional from the community.

A student who is returning to the university after an approved voluntary medical withdrawal may be eligible for a tuition credit equal to the amount of adjusted tuition charged for the term/semester the student was unable to complete due to the voluntary medical withdrawal. This credit can only be applied toward tuition charges for the term/semester in which the student returns. In addition, the university allows students enrolled in the JWU Student Health Insurance Plan, who have been granted a voluntary medical withdrawal, to continue such enrollment for a maximum of one term/semester; however, students must complete an enrollment application, available at campus Health Services and/or Counseling Services, and pay separately the current premium for that term to the university's insurance agency. International students may be able to continue to remain in the United States in compliance with applicable immigration regulations. Please consult with the International Student Services Office.

A student approved for a voluntary medical withdrawal will be notified in writing, at the time of the student's withdrawal, of any conditions that must be satisfied (in addition to the university's Readmittance Policy (p. 49)) for the student to return to the university. Such conditions will be determined on an individual basis and in accordance with law.

These conditions may include, but are not limited to, documentation or other evidence satisfactory to university Health Services or Counseling Services staff and the associate dean of Counseling, Health & Wellness or the associate dean's designee, that the student is qualified and ready to resume studies and function safely and successfully as member of the university community, with or without reasonable accommodations. To fulfill such requirements, students are typically required to provide medical documentation from their individual treatment providers. The university relies heavily on the information received from the student's treatment providers. Students will be asked to provide an authorization form to allow Health Services and Counseling Services and the associate dean of Counseling, Health & Wellness or the associate dean's designee to communicate with such treatment providers, university deans, Accessibility Services/Center for Academic Support and other university personnel, where appropriate, regarding the student's return. The university may also require further information from the student if it determines that the information provided by the student's treatment provider is not sufficient (e.g., if information provided by the treatment provider is incomplete, requires further explanation or clarification, or when there is a disconnect between the medical information provided by the treatment provider and other information in the student's files) to make a determination that the student is ready to resume studies and function safely and successfully as member of the university community, with or without reasonable accommodations.

In addition, in unusual circumstances (e.g., where the university is concerned about the provider's credentials), the associate dean of Counseling, Health & Wellness or the associate dean's designee may request that the student undergo an additional assessment to allow the university to make a

determination about the student's return. In those cases, the university will provide the student with a written explanation for such determination.

Students who are out of school on a voluntary medical withdrawal should submit such documentation to the applicable office (Health Services or Counseling Services) at least two weeks prior to their desired return date to allow the university time to evaluate the documentation. The documentation will be evaluated by a designated professional in the Health Services or Counseling Services office, as appropriate, who will provide a recommendation to the associate dean of Counseling, Health & Wellness or the associate dean's designee. The associate dean of Counseling, Health & Wellness or the associate dean's designee will make the final determination of whether the student has satisfied the conditions of reinstatement and inform the student in writing of such determination.

Students with disabilities may be eligible for reasonable accommodations. Students are responsible for communicating their requests for accommodations to Accessibility Services/Center for Academic Support (p. 71).

### Appeal

Students may appeal a decision regarding voluntary medical withdrawals by submitting a request in writing, by hand delivery or certified mail, to the dean of students or the dean's designee. The request must be submitted within 10 days of the date of the decision and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within a reasonable time. The decision of the appeal officer will be final.

## Military Withdrawal

Students who are members of any branch of the United States Armed Services, including the National Guard, who are called to active duty while enrolled are entitled to the following options:

- Students may work with each individual instructor to determine if an incomplete grade is appropriate. If an incomplete grade is not a viable option, the student will be permitted to withdraw either from individual courses or from the university. A credit of tuition and fees will be issued for those courses from which the student has withdrawn.
- Students who are called to active duty while enrolled should contact an academic adviser/counselor to initiate the withdrawal process. An official copy of the military orders must be presented to invoke this special withdrawal and refund process. Students may also consider adding an authorized user to view portions of their academic and financial records via a separate, secure login and website.

## Return of Title IV Funds

### Return of Title IV Funds (Federal Aid)

When a student withdraws (or becomes withdrawn) during a payment period or period of enrollment, the amount of student financial aid program assistance earned is determined by a specific formula. If the student receives (or the university receives on the student's behalf) less assistance than the amount earned, the student may be able to receive those additional funds. Students who received more assistance than what they earned must return the excess funds.

The amount of federal assistance earned is determined on a pro-rata basis. That is, if a student completes 30 percent of the payment period or period of enrollment, the student earns 30 percent of the federal assistance the student was originally scheduled to receive. Once the student completes more than 60 percent of the payment period or period of enrollment, the student earns all scheduled federal assistance.

The student's loan monies (subsidized, unsubsidized and PLUS) must be on record with the Department of Education before the student's last day of attendance in order for the money to be considered within the formula. If the student is eligible for a post-withdrawal disbursement, a written notice will be mailed requesting the consent of the borrower to post the funds to the student's account. The amount of institutional assistance earned is based on the week that the student withdraws from the university and follows the percentage the university credits the student's charges.

If a student receives excess funds that must be returned, Johnson & Wales University must return a portion of the excess, equal to the lesser of

- the student's institutional charges multiplied by the unearned percentage of the student's funds
- the entire amount of the excess funds

If the university is not required to return all excess funds, the student must return the remaining amount. Any loan funds that the student must return must be repaid by the student (or the student's parents for a PLUS Loan) in accordance with the terms of the promissory note.

If a student is responsible for returning grant funds, the student does not have to return the full amount. Students are not required to return 50 percent of the grant assistance received that is the student's responsibility to pay. Any amount not returned is a grant overpayment and the student must make arrangements with the university or Department of Education to return the funds.

Federal regulations establish the following allocation for students who receive Title IV, HEA program funds:

A refund owed to a student who received funds under any Title IV, HEA program will be returned to the Title IV, HEA programs from which the student received aid in the following order until the amounts received by the student from these programs is eliminated: the Unsubsidized/Subsidized Direct Loan, Parent PLUS Loan, Pell Grant, FSEOG program, all other sources of aid, and the student.

## Unofficial Withdrawal

Federal financial aid regulations state that a student who earns no passing grades in all courses for a term/semester must be considered an unofficial withdrawal, unless the institution can document that the student engaged in some academic activity beyond the 60% point of that term/semester. A student must be engaged in academically related activities beyond the 60 percent of the enrollment period to retain eligibility for federal, institutional and external financial aid. If a student was not engaged in any academically related activities beyond the 60 percent, they will be assigned a withdrawal date based on the last date of an academically related activity.

A student who does not earn at least one passing grade during a term/semester for which federal funds were disbursed will have a Return of Title IV Funds calculation performed to determine how much of the federal funds were earned. Unearned federal funds must be returned to the source, in most cases with a charge to the student's university account.

# Academic Policies

This section of the handbook contains important information about academic policies, grading systems and other academic requirements.

## Academic Decisions

Students who wish to appeal an academic decision should seek the help of the following people, in the following order:

1. Professor or instructor
2. Department chairperson
3. Academic dean of appropriate college or school (final appeal)

Please note that this process does not apply to decisions regarding academic integrity infractions.

For more information, see Complaints and Grievances (p. 11).

## Academic Integrity

### Review Process

Faculty members who suspect that a violation of academic integrity (including, but not limited to, cheating, plagiarism, self-plagiarism, inappropriate distribution of course material, or unauthorized collaboration) has occurred will first notify the student that they will be submitting a report of the alleged violation and then complete the electronic Academic Integrity Referral Form.

Community Standards and Conduct will receive and review the submitted Academic Integrity Referral Form and any supplemental documentation and initiate the Conduct Review Process (p. 65). If, as a result of the Conduct Review Process, it is determined that the student is responsible for the alleged violation, the sanction(s) recommended by the faculty member on the Academic Integrity Review Form will be imposed, along with supplemental sanctions designated by Community Standards and Conduct. The faculty member and the student will be notified in writing of the outcome of the Conduct Review Process.

The Academic Integrity Review Process should only be used for violations of academic integrity. Threatening behavior in the classroom, labs or other learning environments, including practicum properties, should be immediately reported to Campus Safety & Security. Students who are disruptive in the classroom, labs or other learning environments, including practicum properties, may be referred to Community Standards and Conduct for review through the Conduct Review Process. Threatening or disruptive behavior may result in an interim suspension from the classroom, labs or other learning environments, including practicum properties, pending the outcome of the Conduct Review Process. Please see the Student Code of Conduct (p. 63), Conduct Review Process (p. 65), and Sanctions for Individuals (p. 68) or Sanctions for Groups (p. 69) for more information.

Students agree that by taking courses at Johnson & Wales University, papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Usage policy posted on the website.

## Academic Standing

A student's academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the academic standing standards charts for specific requirements. Students not in good academic standing will not be able to register until they have met with their assigned academic counselor/advisor. At this meeting an academic agreement outlining the grades needed to return to good academic standing will be developed, and the schedule hold will be removed. Students are urged to make an appointment with their assigned academic counselor/advisor at the beginning of their probation term.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.

- Doctor of Business Administration and Occupational Therapy Doctorate students need a minimum GPA of 3.0. In addition, students must earn grades of B- or higher in each course. No classes may be repeated.
- Doctor of Education students need a minimum GPA of 3.25 and earn grades higher than F in each course. No classes may be repeated.
- Accelerated Master's Program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on academic probation or dismissed.

Good Standing	0–higher	0–3.24	Academic Dismissal

Note: Students will be dismissed if their GPA is less than 3.25, or when they earn a grade of F in any course. No classes may be repeated.

#### Academic Probation

Probation may affect a student's ability to register and/or graduate. Graduate program students and Accelerated Master's Program students are allowed a maximum of two terms on probation.

First-term undergraduate students earning a cumulative GPA less than 1.0 are strongly encouraged to attend study skills strategy seminars and tutoring in identified content areas.

#### Academic Dismissal

Dismissed undergraduate and graduate students may no longer matriculate at the university for at least one term/semester and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. All students should be discussing this process with their assigned academic counselor/advisor. The committee will also consider appeals that document mitigating circumstances. Students may only appeal their dismissal once and the decision of the committee is final.

Undergraduate student requirements:

- Take one term off from Johnson & Wales University. The summer term is not counted as a term off.

- Take a minimum of two classes at an accredited college or university within the same term. Students must earn a minimum GPA of 2.50 and only one grade of C (70) in one class is permitted.
- Submit their official transcript.
- Submit a written statement about the circumstances of the dismissal and their plan for academic success if approved to return to Johnson & Wales University.

#### Graduate student requirements:

- To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. All students should be discussing this process with their assigned academic counselor/advisor.

#### Doctoral student requirements:

- To return to the university, students may petition the appropriate doctoral program director, through the written appeals process.
- Individuals who have been dismissed from a doctoral program for poor academic performance or progress may appeal the dismissal decision to the appropriate doctoral program director.
- A written appeal of academic dismissal must be submitted to the doctoral program director in writing no later than 30 days after the date of the notice of dismissal. The letter of appeal should include a) the basis for the appeal; b) a summary of discussions, if any, between the student and representatives of the student's program such as the student's major advisor and/or the student's doctoral program director; and c) outcome or remedy proposed by the student. The letter may include additional or new relevant information. The doctoral program director will communicate with the dean of the appropriate college by transmitting the student's letter of appeal.
- **Grounds:** The following are grounds for appeal: 1) incorrect calculation of grade point average; 2) misapplication of standards for academic performance and satisfactory progress by the appropriate college; 3) circumstances which had not been known which might be relevant to the dismissal.
- **Disposition:** The dean of the appropriate college may 1) act on the appeal, 2) appoint a designee to collect additional information for the dean, or 3) constitute a 3-person ad hoc review committee from the college. The purpose of the ad hoc committee is to provide an opinion and recommendation to the dean regarding the appeal. The ad hoc committee will review all materials and communications related to the case. Additional information may be requested.
- The dean will inform the student and the doctoral program director in writing of the method of disposition of the appeal. If a dean's designee is appointed, the student and the doctoral program director will be informed of the name and contact information for the dean's designee.
- The dean's decision with respect to a student's appeal shall be final. The student and the doctoral program director will be informed in writing of the dean's decision.

### Academic Warning

Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term/semester due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students may be required to attend mandatory study skills strategy seminars and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

## Attendance

The purpose of the university's attendance policy is to help students develop a self-directed, professional attitude toward their studies and maximize their educational opportunities. Regular class attendance provides fundamental educational value and offers the most effective means to gain command of the course concepts and materials.

Students are expected to attend all classes, arrive on time and remain for the entire class period, and report to class fully prepared with all required

materials. To meet these expectations, students must arrange course schedules that minimize conflict with other commitments, including personal commitments, work, or participation in athletics or other university-sanctioned events. When students encounter difficulty meeting these requirements, they must actively engage their faculty member to discuss the concern.

Individual faculty define the specific role that class attendance plays in the calculation of final grades for each course. Additionally, excessive absences in certain courses may result in withdrawal from the course at the instructor's discretion. Students should consult the course syllabus and course instructor for specific faculty policies on attendance and make-up work within a course. Student Academic Services does not issue excused absences from class. Students must contact their course instructor directly to discuss the missed class.

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term by the census date if they are in attendance by the second class meeting or, for online courses, by completing the first stated assignment or activity by the due date. If students do not meet these criteria, they will be withdrawn without academic penalty from the course (i.e., as never attended) and, when appropriate, issued a tuition adjustment in accordance with the Tuition and Fees Credit Policy (p. 36).

It is the student's responsibility to notify Student Academic & Financial Services of any courses that they wish to drop from their schedule, as well as any intent to leave the university. Discontinuing attendance or notifying an instructor does not constitute an official course or university withdrawal.

### College of Culinary Arts (Laboratory Courses)

The culinary/baking and pastry arts laboratories are professionally focused, skill-oriented learning experiences. The daily exercises in each laboratory are unique and not repeated. Students must attend every class to maximize their educational opportunities. Excessive absence will result in withdrawal from the laboratory segment by the instructor. In the day program, one absence is permissible, regardless of lab delivery schedule. In the Continuing Education program, students may miss half of one laboratory day in a four-week segment. The period between 7am and 12:45pm constitutes a half day, and the period between 12:45pm and 6:30pm constitutes a half day. No other combination of hours is permitted. Any tardiness beyond 30 minutes for laboratory classes will be considered excessive and may result in punitive action taken by the course instructor.

For the purposes of financial aid and verification of enrollment, a day program student must be in attendance by the second meeting of each lab segment. In the Continuing Education program, students must be in attendance by day 1 of the first scheduled lab segment. Students who are enrolled solely in laboratory segments and not in attendance by the second meeting of each lab segment (day 1 for Continuing Education lab segments), or fail to meet attendance requirements, will be officially withdrawn from the university. Students who are not in attendance by the second meeting of each lab segment (day 1 for Continuing Education lab segments) will **not** be withdrawn from the university if they are also enrolled in at least one academic course that meets for the full term. When appropriate, students may be issued a tuition and/or financial aid adjustment in accordance with the Tuition and Fees Credit Policy. Additionally, students receive full charges for the culinary/baking and pastry segments not attended.

### Internships

Attendance policies for internships are quite strict and intended to help students transition into the working world. Students are expected to adhere to the attendance policy and term dates as outlined in each campus's Student Guide to Internship online and the student data sheet.

### Online, Hybrid and Self-paced Courses

Students are expected to meet stated due dates and/or meeting requirements as provided by the faculty member at the beginning of each course. Students confirm enrollment by submitting the first graded assignment in the initial two weeks of the course.

### Participation in Athletics or Other University-sanctioned Events

Students participating in university-sanctioned events, including, but not limited to, athletics (games and related travel), student government, student organizations, etc., on occasion may have to miss class. Students must notify the faculty member in advance of the missed class. Any student who misses class for this reason should not be penalized and any work should be allowed

to be made up in a timely fashion as discussed between the faculty and the student. Students in this situation are responsible for all material missed in class. Student-athletes are not allowed to miss class for practice.

Occasionally the dates and/or times of events may change and these changes are beyond the student's control. The student must notify faculty immediately should such a change occur.

### **Illness- and Injury-related Class Absences Due to Participation in University-sanctioned Events**

Students adversely affected by illness and injury due to participation in a university-sanctioned event will be allowed to make up all necessary work without prejudice. However, students must notify their faculty of any such issue.

## **Add/Drop Policy**

Add/drop is defined as adding and dropping any number of courses but maintaining active registration in at least one other course in the term/semester. For non-online courses, students may add or drop a course prior to its second class meeting; however, if a student has attended a culinary/baking and pastry laboratory segment and does not drop a future segment by Tuesday of the first week of the term, full charges will be assessed. For online and hybrid courses, students may add a course by the first Saturday of the course session or drop by the second Saturday of the course session. An official add or drop must be completed via jwuLink or with Student Academic & Financial Services.

Whenever students participate in add/drop, their financial aid and account charges may be adjusted. Students are encouraged to visit or consult Student Academic & Financial Services to review the potential impact, especially if their enrollment status changes to or from part time/full time.

**Please note: The add/drop period occurs during the first week of the term/semester, with the exception of online and internship courses which extend until the second week of the term/semester. During the first week of the term/semester, the university will credit 100 percent of tuition for students that drop courses during this time.**

When students drop a course during this time, the course is removed entirely from the student's schedule (there is no record of the course on the academic transcript), and if the course becomes closed it may not be added back to their schedule. Most importantly, students are strongly advised to stay on track and maintain their graduation date, especially to avoid incurring unnecessary financial debt. Learn more about repaying loans (start dates, repayment options, avoiding default) and review debt management resources online.

## **Change of Program**

Students may request a program change by completing a Change of Status form with Student Academic & Financial Services. The ability to enter a new program is not guaranteed and is subject to the availability of space and the student meeting eligibility criteria (as applicable).

Students can view the list of available programs in the current catalog. It is recommended that students meet with their assigned academic counselor if they are unsure of their choices.

It is recommended that students request to change their program or catalog or declare their bachelor's degree program as early as possible so that they may seek proper advice as well as facilitate new program registration. Any program change may delay graduation and impact satisfactory academic progress. Students are encouraged to use the What-If feature in GPS to determine how their coursework applies to a new program or current catalog.

Approved changes will become effective for the subsequent term/semester if requested after the add/drop period. Registering for courses in the new program is the student's responsibility; registration is subject to availability.

Note: Students who have met the degree requirements for their program of study but continue to enroll in courses in a subsequent term/semester will automatically be enrolled as an extension student and will be ineligible for financial aid.

Please review the following information carefully regarding program changes:

- Students may request to follow the curriculum requirements as published in the current catalog for their program of study. Students may not combine program requirements from multiple catalogs.

- Students are responsible for the curriculum specified in the catalog in place at the time of program change. Note: Associate degree students declaring a bachelor's degree will follow the same catalog year in which their associate degree was declared.
- Courses that no longer apply to the student's new program will be calculated in the cumulative GPA as well as counted as credits attempted for the purposes of determining satisfactory academic progress.
- Prior college transcripts and/or previous transfer credits will be reviewed and may be adjusted based on the student's new program of study.
- Students enrolled in a degree program may not declare a certificate in that same discipline.
- Students may not request to transfer into a program that has been discontinued.
- Students who have only ever been enrolled in an extension program may declare a program of study, but must first be accepted through Admissions.
- Students under review for graduation and have one term remaining are ineligible for a program change in the same degree level.

At the discretion of the deans or department chairs, revised curricula may be implemented.

Students on academic probation are not eligible to change their program without the approval of their academic counselor.

As applicable, undergraduate day program students with one term remaining toward degree completion who have a Career Management requirement outstanding may change to the Continuing Education program. However, the student will still be required to complete the outstanding Career Management requirement as a Continuing Education student.

## **Class Cancellations**

### **Faculty Absence**

Unless an announcement is made to the contrary, classes are considered dismissed if the instructor does not appear within 15 minutes of the beginning of the class period.

### **Inclement Weather/Emergencies**

Any cancellation of classes due to inclement weather or emergencies will be announced through JWU email and the emergency information line at 305-892-7598. Cancellations will also be posted in the emergency alerts section of jwuLink, JWU North Miami social media and the North Miami Campus website.

**Please refrain from calling other university numbers for information on cancellations or closings due to inclement weather.**

## **Class Schedules**

The course schedule is published before registration begins each term/semester. The course schedule includes course meeting days and times, seat capacity, course prerequisites and additional information for courses meeting the search criteria.

Occasionally, make-up classes may be scheduled due to holidays or other missed days to meet minimum classroom-hour requirements. It is possible that at times a course may not be rescheduled and the student will be responsible for all work as outlined in the syllabus.

Please note that students enrolled in courses at the university may be required to participate in online discussion forums, student-to-student collaborations and student presentations with other students as part of course requirements.

## **Curriculum Modifications**

In an effort to improve and modify curricula, university administration may modify course requirements and programs of study. These changes in curricula are not always reflected in the current university catalog.

At the discretion of the deans or department chairs, the university will implement the revised curricula when deemed appropriate and notify students of the change via their JWU email account. A student's degree audit will reflect these changes. Students should contact their dean and/or department chairperson with any questions about curriculum modifications.

## Teachout Policy

In the event of program discontinuation, the university will make every effort to teach out currently enrolled students and to discontinue admission of students to the program once the decision is made to terminate the program. The university will ensure that those students already enrolled in the program are able to complete the program in a timely fashion, with minimal disruption, and with faculty who have the appropriate credentials and experience. Students will be notified of potential program discontinuation considerations and the time frame for phasing out programs, so that students and the university can seek acceptable solutions for the protection of enrolled students.

Before terminating a degree program, every reasonable effort will be made to allow students to complete their degrees. Transfers to comparable programs at external institutions will be considered and facilitated, if mutually acceptable to the student and the receiving institution. Students will be provided advising assistance with respect to their academic program options.

## Enrollment Verification

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term/semester by the census date if they are in attendance by the second class meeting or, for online courses, by submitting the first graded assignment in the initial two weeks of the course.

Students may print their own enrollment certificates conveniently and easily via jwuLink. These certificates can be viewed or printed by the student and then sent to student service providers. Students can also view deferrals sent to lenders.

The official provider of enrollment certification for the university is the National Student Clearinghouse. Enrollment data is reported to the clearinghouse every 30 days. If a student has registered late, this information may not be reported until the submission of the next file.

The enrollment certificate will provide details on whether a student is enrolled full time, half time or less than half time for the current term/semester or for all of the terms/semesters they have been enrolled at the university. Certifications can be used for insurance companies, scholarships, good student discounts, prospective employment and all other services that require proof of being enrolled at the university. Each certification that the National Student Clearinghouse supplies is an official university document.

The following are the criteria for classification of enrollment by level of program and credit hours of registration:

Status	Undergraduate(Te	Graduate(Terms)	Graduate(Semester)/ Post Graduate
Full-time	12 or more	9 or more	12 or more
Three-quarter time	9–11.99	n/a	n/a
Half-time	6–8.99	6–11.99	6–11.99
Less than half-time	0–5.99	0–5.99	0–5.99

## National Student Clearinghouse

Johnson & Wales University has authorized the National Student Clearinghouse to provide degree and enrollment verification. Potential employers or services providers are directed to verify a student's status through degree verification. Refer to The National Student Clearinghouse for contact information.

The university began submitting data to the National Student Clearinghouse in September 1999.

## Final Exams

All final exams are administered during the exam period. No student will be excused from a final exam in any course for any reason except for illness, participation in athletics, or other university-sanctioned event. In this case, students must contact the faculty member regarding the absence.

## Grade Appeals

Final grades are generally not appealable. In the case of clerical or mathematical error in the calculation or recording of a grade, students have one calendar year from the term-end date within which they may appeal an official grade. This appeal must be addressed to the faculty member in

writing. Approved grade changes are only viewable on academic transcripts or degree audits.

## Grade Point Average

A term GPA and a cumulative GPA are calculated for each term.

### Formula

The formula for calculating the GPA is as follows:

1.  $GPA = \frac{\text{Total Quality Points}}{\text{Total GPA Hours}}$
2.  $GPA\ Hours = \text{Course's Grade Quality Point Value} \times \text{Course's Credit Hours}$   
(Note: GPA calculation does not use all grades.)

The GPA is truncated (not rounded) after two decimal places (a GPA calculation of 3.156 would be evaluated as 3.15).

See Grading System (p. 44) for a list of Grade Quality Point Values.

### Repeated Courses

When the appropriate course is available, the course may be repeated to earn a better grade. In order for a repeated course to apply to a student's degree, the course must be repeated prior to their last term/semester of enrollment. Students who have met the degree requirements for their program of study but chose to repeat a course in a subsequent term will automatically be enrolled as an extension student in the subsequent term and will be ineligible for financial aid.

Upon successful completion of the course at a later date, the cumulative grade point average (GPA) is adjusted to reflect the highest grade earned.\* However, each grade earned will appear on the academic transcript and count toward attempted credits. Students are required to pay any applicable tuition charges for all repeated coursework. Students are eligible for financial aid for only one repetition of a previously passed course.\*\*

\* A W grade issued prior to June 2017 will still be included in the student's GPA after the same course is successfully completed.

\*\* When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the cumulative point average.

### The above policy is not applicable to English as a Second Language Courses (ESL).

## Grade Reports

A student must be officially registered in a course for a final grade to be issued. Students are notified via their JWU email account when final grades are available in jwuLink (generally by the Thursday after final exam week). While grades may appear in ulearn or on the degree audit, they are not yet official and grade point averages (GPAs), academic standing and course repeats may not yet be processed. Grades are considered official and final only when listed on the academic transcript.

Students who believe that a grade was reported incorrectly, after final grades are issued, should consult with the instructor of the course. More information can be found in Grade Appeals (p. 44).

The university does not mail grade reports.

## Grading System

### Definition of Credit Hour

As of July 1, 2011, federal law (Title 34, Code of Federal Regulations, sections 600.2 and 600.4) requires all accredited institutions to comply with the federal definition of the credit hour. Accordingly, for all Johnson & Wales University degree programs and courses bearing academic credit, the "credit hour" is defined as "the amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

1. one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately 15 weeks for one semester or trimester hour of credit, or 10 to 12 weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or
2. at least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practice, studio work, and other academic work leading to the award of credit hours."

A credit hour is assumed to be a 50-minute period. In courses in which "seat time" does not apply, a credit hour may be measured by an equivalent amount of work, as demonstrated by student achievement.

Please see the appropriate tab to review the respective grading system.

## Undergraduate

### Undergraduate Grading System

The grading system is as follows:

Grade Range	Letter Grade	Quality Points
95–100	A+	4.00
90–94	A	4.00
85–89	B+	3.50
80–84	B	3.00
75–79	C+	2.50
70–74	C	2.00
65–69	D+	1.50
60–64	D	1.00
0–59	F	0.00
Audit	AU	
Challenge Exam Credit	CX	
Grade Pending	GP	
Incomplete	I	
No Credit	NC	
No Grade	NG	
Prior Learning Assessment	PL	
Proficiency	P	
Satisfactory	S	
Unsatisfactory	U	
Withdrawal	W	

Note: Not all grades are used by all colleges or schools.

### Honors Option (H)

If a course was taken as an Honors Program requirement, the grade received will be followed by H (e.g., AH, BH).

### Failure (F) #

A grade of F is issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student's academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

### Withdrawal (W) #

To record attempted credits, a grade of W is recorded when a student withdraws from a registered course after its add/drop period has ended or is withdrawn from a culinary/baking & pastry laboratory course or a course with an experiential education component due to excessive absences. This grade is not entered into the term and cumulative grade point averages.

### Audit (AU) #

An audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

### Challenge Exam (CX)

A grade of CX is granted for specifically designated courses upon successful completion of department challenge exams. This grade is not calculated into the term and cumulative grade point averages.

### Grade Pending (GP) #

This is a temporary mark given when the completion of course requirements is still underway. A GP is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within 1 year, it will automatically become an F.

### Incomplete (I) #

A grade of I is issued to students if they are unable to complete course requirements because of authorized absences due to service commitment

or illness. Outstanding work must be completed within 2 weeks of the final exam class day or the grade will automatically become an F and be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an Incomplete (I) will change to a U.

### No Credit (NC) #

This is a non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

### No Grade (NG) #

A grade of NG is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student's GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within 1 year, it will automatically become an F and the grade will be included in the term and cumulative grade point averages.

### Prior Learning (PL)

Students may earn credit for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel, professional training and seminars, or other comparable sources. This grade is not calculated into the term and cumulative grade point averages.

### Proficiency (P)

A grade of P is granted for achievement of multiple levels of skills in progression where the self-paced approach is in effect. This grade is not calculated into the cumulative grade point average.

### Satisfactory (S)

A grade of S is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

### Unsatisfactory (U) #

A grade of U is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

# These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

87–89	B+	3.30
83–86	B	3.00
80–82	B-	2.70
77–79	C+	2.30
73–76	C	2.00
70–72	C-	1.70
0–69	F	0.00
Audit	AU	
Grade Pending	GP	
Incomplete	I	
No Credit	NC	
No Grade	NG	
Satisfactory	S	
Unsatisfactory	U	
Withdrawal	W	

Note: Not all grades are used by all colleges.

Any courses taken at the undergraduate level to satisfy foundation requirements follow the undergraduate grading system and will not be counted in the graduate-level grade point average (GPA).

## Failure (F) #

A grade of F is issued if a student fails to achieve adequate scholastic progress. The grade is recorded permanently on the student's academic record. Upon successful completion of the course at a later date, the term and cumulative grade point averages are adjusted to reflect only the passing grade. However, both grades will appear on the academic transcript.

## Withdrawal (W) #

To record attempted credits, a grade of W is recorded when a student withdraws from a registered course after its add/drop period has ended or is withdrawn from a culinary/baking & pastry laboratory course or a course with an experiential education component due to excessive absences. This grade is not entered into the term and cumulative grade point averages.

## Audit (AU) #

An audit occurs when no academic credit is granted. This grade is not calculated into the term and cumulative grade point averages.

## Grade Pending (GP) #

This is a temporary mark given when the completion of course requirements is still underway. A GP is not calculated into the term and cumulative grade point averages and is generally used under extreme, extenuating circumstances. If a grade is not submitted to replace the GP within one year, it will automatically become an F.

## Incomplete (I) #

A grade of I is issued to students if they are unable to complete course requirements because of authorized absences due to service commitment or illness. Outstanding work must be completed within two weeks of the final exam class day or the grade will automatically become an F and will be included in the term and cumulative grade point averages. For classes graded S/U (Satisfactory/Unsatisfactory), an I will change to a U.

## No Credit (NC) #

This is a non-punitive designation issued to a student who has been authorized to withdraw from class, or the university, due to extenuating circumstances. This grade is not calculated into the term and cumulative grade point averages.

## No Grade (NG) #

A grade of NG is issued temporarily when there is no grade provided by the faculty member. This grade is not factored into the student's GPA. Once a grade is submitted, the cumulative average and transcript will reflect only the new grade. If a grade is not submitted to replace the NG within one year, it will automatically become an F and the grade will be included in the term and cumulative grade point average.

## Satisfactory (S)

A grade of S is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

## Unsatisfactory (U) #

A grade of U is used for designated courses throughout the university. These grades are not calculated into the term and cumulative grade point averages.

# These grades will be counted as attempted but not earned credits for the purposes of determining satisfactory academic progress.

## Graduate Studies Prerequisites

Prerequisite courses are undergraduate classes required for students who need to prepare for graduate study. Course descriptions for undergraduate prerequisite courses are listed in the university catalog.

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. Foundation courses with grades below a C will need to be repeated. The academic standards for students in foundation courses are the same as the standards for other courses in the student's graduate program.

Students should refer to Testing Services regarding policies and procedures for satisfying prerequisite and foundation requirements through testing options. These options may not be exercised after the first term of enrollment in a graduate program. Contact Graduate Admissions (pvdgrad@admissions.jwu.edu) or Online Admissions (online@admissions.jwu.edu) (for online students) for more information on prerequisite and foundation courses.

## Graduation Requirements

Please see the appropriate tab for information regarding graduation requirements.

### Graduation Review

Students are reviewed for graduation when they have completed all requirements in their program of study. Graduation is not recorded until after the term/semester has ended, grades have been received, and the degree audit of each expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term/semester grades have been submitted. Students who have met the degree requirements for their program of study but continue to enroll in courses in a subsequent term will automatically be enrolled as an extension student in the subsequent term and will be ineligible for financial aid.

### Rules to Determine Catalog Year for Graduation

- The catalog in effect for the term/semester a student is admitted to the university for their program of study is assigned as the student's "catalog year." Students will follow the program requirements specified in their catalog year to progress toward graduation.
- Students who are continuously enrolled will maintain their catalog year. Students with a break in enrollment of more than one year will follow the catalog in effect at the time of re-admittance.
- When the university discontinues a program, students who are currently enrolled in the program will be allowed a specified amount of time to complete the requirements as long as continuous enrollment is maintained. Additional students may not declare a program that has been discontinued.

### Graduation Application

Each student is required to submit an online graduation application in jwuLink for each expected degree (i.e., associate, bachelor's, master's, doctoral) at least two terms/semesters prior to completion. This application ensures that 1) students are reviewed for degree completion at the end of the correct term/semester, 2) students' names are printed correctly on their diploma and 3) students receive their diploma at the correct address. Please note the following:

- Failure to submit an application may result in delayed graduation.
- The graduation application is not an application for commencement participation. It informs the university of a student's intent and expected time frame to complete their specified degree. It also designates the student's diploma information.
- Graduation application submission does not imply degree completion.
- Before submitting an application, students should refer to their degree audit to review program requirements and confirm their expected degree completion term/semester.
- Students completing a certificate program must complete a graduation application, but are reminded that, as non-degree recipients, they are not eligible to participate in commencement.
- In the event that degree requirements were not met, students are required to submit a new graduation application for the term/semester in which they expect to complete the outstanding requirements. Failure to submit a new application may result in delayed graduation.
- When a graduation application has not been submitted, the student's name will be printed on the diploma as listed in university records, and the permanent home address on file will be used for diploma mailing.

### Additional Graduation Obligations

In addition to submitting a graduation application, students must complete exit counseling online and attend an exit counseling session with Student Academic & Financial Services during the last term/semester of enrollment. Completion of these steps does not imply degree completion or attendance at graduation ceremonies; refer to Commencement for information on the ceremonies.

### Undergraduate

#### Undergraduate Degree Candidates

Graduation requires successful completion of a prescribed sequence of study and a minimum 2.00 grade point average. Students with a cumulative GPA below 2.00 will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. Furthermore, as required

by their program, all students must successfully complete any and all requirements as indicated on their degree audit.

All associate-level degrees require the completion of a minimum of 90 quarter credits. All bachelor's-level degrees require the completion of a minimum of 180 quarter credits. While most programs have variations that require slightly more quarter credits for completion, no program requires fewer than the 90/180 quarter credit minimum.

Students who graduate with a bachelor's degree must leave Johnson & Wales University with effective writing skills to fulfill the graduation writing requirement. These writing skills will be assessed at the completion of ENG1021 Advanced Composition and Communication. Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop. Writing skill assessment for transfer students who are exempt from ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse will occur in ENG0001 Writing Workshop.

For policy and appeal procedures, please see Graduation Writing Requirement Appeals Process (p. 47).

### Undergraduate Latin Honors

The following undergraduate Latin honors are issued upon graduation, based on students' graduating grade point averages:

- cum laude: 3.40–3.60
- magna cum laude: 3.61–3.80
- summa cum laude: 3.81–4.00

For publication purposes in the commencement program, the honors status of students completing remaining course requirements in or following the spring term is determined by the cumulative GPA at the **end of the winter term** of the current year. A student's final GPA will be used to record graduating honors, as applicable on the student's diploma and academic transcript.

### Graduate

Graduation is not recorded until after the term/semester has ended, grades have been received and the degree audit of each expected graduate has been reviewed. Confirmation of graduation will occur approximately 30 days after final term/semester grades have been submitted.

Upon verification, the degree or certificate is awarded and noted in the student information system so that it displays on official JWU transcripts. Diplomas are printed and mailed after the degree or certificate verification process is complete.

Graduation requires successful completion of a prescribed sequence of study and a minimum grade point average of 3.00 (3.25 for Ed.D. candidates). Students with a cumulative GPA below 3.00 (3.25 for Ed.D. candidates) will not be in compliance with the criteria for good academic standing and may be subject to academic dismissal. In addition, Ed.D. students must not receive a grade of F; DBA and OTD students must not receive a grade lower than B- in any course.

All master-level degrees require the completion of a minimum of 30 semester/45 quarter credits. While most programs have variations that require slightly more credits for completion, no program requires fewer than the 30 semester/45 quarter credit minimum.

Please note that M.A.T., M.Ed., and doctoral programs have different requirements. For program-specific requirements, please refer to the program page.

## Graduation Writing Requirement Appeals Process

In order to graduate with a Bachelor's degree, students must fulfill the requirements of the Graduation Writing Requirement (GWR). The students are made aware of the GWR process during their first composition class, ENG1020 English Composition or ENG1024 Honors Composition: Writing in the Academy, and are further prepared during ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse. During week 8 of ENG1021 Advanced Composition and Communication/ENG1027 Honors Advanced Composition

and Communications: Civic Discourse, students take the GWR assessment. The assessment asks students to write an essay based on one of three writing prompts, which are developed by English faculty. The students are given the full class period to take the assessment.

With the use of the GWR rubric, the essays are graded by two English faculty (three English faculty, if needed). ENG1021 Advanced Composition and Communication/ENG1027 Honors Advanced Composition and Communications: Civic Discourse faculty receive the grades by the end of the term. A grade of Satisfactory or Unsatisfactory is issued under the course name ENG0100 Writing Assessment. If a student is absent for the assessment, they are issued an Unsatisfactory. If a student has dropped ENG1021 Advanced Composition and Communication/ENG1027 Honors Advanced Composition and Communications: Civic Discourse, a withdrawal grade of W will be issued. The same grade of W is issued for ENG0100 Writing Assessment.

Students who receive an Unsatisfactory will have to enroll in ENG0001 Writing Workshop to have the chance to work on their writing weaknesses and earn a Satisfactory grade. The workshop can be taken during any term and is a free, non-credit course that meets once a week for two hours. Assessment opportunities are provided in weeks 1, 5 and 10. If a student earns a Satisfactory on any of these assessments, they have satisfied the requirement and no longer attends the class.

Students with documented disabilities that may affect their performance on Criteria 6 of the Graduation Writing Requirement, which assesses proficiency of English grammar, are encouraged to work with the Center for Academic Support/Accessibility Services to determine reasonable ADA/504 accommodations. Accommodations exclude the use of grammar check or other electronic tools or programs to identify grammar errors since the use of technology or programs of this type fundamentally alter the nature of the assessment and therefore are not reasonable accommodations for the Graduation Writing Requirement.

Students who have met the requirement of ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse outside of Johnson & Wales University must fulfill the graduation writing requirement through successful completion of ENG0001 Writing Workshop. Writing skill assessment for transfer students who are exempt from ENG1021 Advanced Composition and Communication or ENG1027 Honors Advanced Composition and Communications: Civic Discourse will occur in ENG0001 Writing Workshop.

### Appeals Process

Any student who has completed ENG0001 Writing Workshop twice and has received a grade of Unsatisfactory may file an appeal with the chair of the English department. The appeal will involve the following:

- The student will write a letter to the chair of the English department, explaining their wish to appeal the Unsatisfactory grade. The letter must be submitted no later than two weeks after the posting of grades.
- The chair will meet with the student. At such time, the student may present information to support the appeal, including any mitigating circumstances affecting the failure to complete the Graduation Writing Requirement.
- The chair will meet with the faculty member from the student's ENG0001 Writing Workshop section to discuss the student's writing and performance in class in order to have a fuller understanding of the student's performance, which will be presented to the appeals committee.
- An appeals committee that consists of the chief academic officer of the campus or their designee, the English department chair, and two other faculty, selected by the chair, will make a holistic final assessment of the student based on:
  - The student's assessment essays in ENG0001 Writing Workshop
  - The progress of the student's writing in ENG0001 Writing Workshop
  - The student's academic background
- The decision of the appeals committee is final with one exception. Students with documented disabilities that may affect performance on the assessment and who did not receive requested accommodations pursuant to the ADA/ Section 504 and JWU procedures may request reconsideration by the Center for Academic Support/Accessibility

Services and/or appeal that denial. The process for review of accommodation decisions is in the Student Handbook.

## Hand Washing and Food Handling

### Food Handlers Illness Reporting Policy

#### Rationale

To help reduce the risk of foodborne disease transmission, all students who prepare or handle food in the course of their studies and/or student employment must sign and abide by a Food Handler Reporting Agreement. This agreement requires students to notify the Person In Charge (PIC)/ faculty member of the food service site/laboratory classroom when students experience certain symptoms, or have been diagnosed with or exposed to certain illnesses. The executive director of food safety, with the guidance of the FDA Food Code 2-2, will determine if the student must be restricted or excluded from class/work.

The purpose of this reporting requirement is so that the university can take appropriate steps to reduce the risk of foodborne illness transmission, while complying with the FDA Food Code. Failure to comply with the terms of this reporting agreement may jeopardize the health of students, faculty and guests, as well as lead to legal action by the university and/or state regulatory agency, and possible dismissal from the academic program or termination of student employment status.

#### Symptoms

Students who have the following symptoms are required to report these symptoms to the PIC:

- vomiting
- diarrhea
- jaundice
- sore throat with fever

#### Lesions

Students who have lesions containing pus (boil or infected wound) that are open, draining or meet the following specifications must report these symptoms to the PIC:

- lesions that are on hand or wrist that can't be protected through an impermeable barrier
- lesions that are on exposed portions of forearms that can't be protected through an impermeable barrier
- other exposed body parts that can't be covered by a dry, durable, tight fitting bandage

#### Foodborne Diseases

Students who have been diagnosed by a health practitioner with an illness due to one of the following diseases, or who have been identified as the suspected source of an outbreak from the following diseases, are required to report to the PIC:

- norovirus
- hepatitis A infection
- shigellosis
- typhoid fever
- EHEC/STEC (enterohemorrhagic or shig toxin producing e. coli)
- E.coli (escherichia coli 0157:H7)
- salmonella ssp. (non-typhi)

#### Exposure

Students who meet the requirements of exposure as defined below must also report the circumstances to the PIC:

- Students have consumed food prepared by a person who has been diagnosed with a reportable disease.
- Students have consumed foods or prepared foods that have been implicated in a **confirmed** outbreak.
- Students live with someone who has been diagnosed with a reportable disease.
- Students have attended or worked at an event where a **confirmed** outbreak has occurred.

## Handwashing Policy

### Rationale

Proper personal hygiene is essential to the prevention of foodborne illness. In compliance with the FDA Food Code 2-3 Personal Cleanliness, the university has adopted the following policy on handwashing. Every student, faculty and staff member are required to adhere strictly to this policy.

### Preventing Contamination from Hands

Food handlers (faculty, staff and students) must wash their hands and exposed portion of their arms with an approved cleaning compound for at least 20 seconds, thoroughly rinse their hands with clean water, and properly dry their hands with a disposable towel or other approved method. Handwashing must occur at sinks designated for handwashing.

All food handlers shall keep their fingernails trimmed, filed and maintained so the edges and surfaces are smooth and cleanable. Fingernail polish and false nails are expressly prohibited.

### When to Wash

Food handlers must wash their hands as indicated above

- prior to donning gloves
- after touching bare human body parts
- after using the restroom
- upon entering the kitchen
- after coughing, sneezing, eating, drinking or using a handkerchief or disposable tissue
- after handling soiled equipment and utensils
- immediately prior to engaging in any food preparation activities
- during food preparation as necessary to remove soil and contamination and to prevent cross contamination
- when switching between working with raw food products and ready-to-eat (RTE) food products
- after engaging in ANY activity that may contaminate hands

### Glove Usage

Single-use gloves shall be used for only one task, and discarded when damaged or soiled. If the operation is interrupted, gloves must be discarded, and hands washed and new gloves donned. Hands must be washed immediately to donning gloves to prevent possible cross contamination.

### Ready-to-Eat (RTE) Foods

Ready-to-eat (RTE) food is defined as a food that is edible without washing, cooking or additional preparation.

Bare-hand contact is expressly prohibited with RTE food items. To prevent contamination from hands, food handlers may use single-use gloves, deli tissues, spatulas, tongs or other suitable food service utensils.

## Honor Code

As honor is the foundation of the pursuit of knowledge, a Johnson & Wales student will commit to acting with honor in all aspects of campus life. This commitment to honor is demonstrated through intellectual curiosity, community awareness and strong citizenship, and leads to excellence. This promise includes acting with integrity with original academic work; fostering an environment rich with civil debate and discourse; celebrating the rich, diverse student body; upholding ethical and professional standards; engaging in all aspects of the university community; and behaving in a responsible and respectful manner in and out of the classroom. A Johnson & Wales student recognizes that he or she is bound to this community and promises to assist others in upholding these same high standards. It is with pride that a student commits to this code.

## Name Tags

A name tag is part of the culinary uniform and issued during the first orientation session along with knife kits and textbooks. Students are required to pay a \$7 replacement fee for lost name tags. Name tags may be purchased at the bookstore in the Academic & Student Center on the first floor.

## Occupancy in Class

Occupancy in class is limited to faculty, officially registered students, aides authorized by the Academic Success Center or Accessibility Services, and

invited guests approved by the dean of the respective school, college or campus. No grade will be issued to any student not registered in the course.

## Outcomes Assessment

### University Outcomes

#### Professional Competence

Graduates will demonstrate the knowledge and skills required to succeed in their chosen profession.

#### Foundation for Lifelong Learning

Graduates will demonstrate the knowledge and skills necessary for lifelong learning, including competence in communication, critical and creative thinking, quantitative and scientific reasoning, and the ability to evaluate, integrate and apply knowledge from multiple perspectives when making decisions and solving problems.

#### Global and Community Citizenship

Graduates will demonstrate the necessary skills, including an awareness of ethical responsibility and cultural/global diversity, to live and work collaboratively as contributing members of society.

JWU is committed to outcomes assessment. Faculty and students are therefore part of an ongoing effort to determine and refine the effectiveness of instruction and learning. Names of individual students will not be used when reporting results.

## Plagiarism/Turnitin

Students agree that by taking courses at JWU, required assignments may be subject to submission to Turnitin for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin service is subject to the Usage Policy posted on Turnitin.com.

## Readmittance Policy

If an undergraduate student has previously attended the university, a Readmittance Request is only required if the student's absence from the university will be more than four consecutive terms (including summer).

Readmittance to undergraduate programs must be requested at least six weeks prior to the desired term start date, and no earlier than

- summer term: February 1
- fall term: March 1
- winter term: September 1
- spring term: October 1

If a graduate student has previously attended the university, a Readmittance Request is only required if the student's absence from the university will be more than three consecutive semesters (including summer).

- summer semester: February 1
- fall semester: March 1
- spring semester: October 1

Students approved for readmittance will be assessed the current tuition rate and are responsible for any changes to their program of study that may have occurred during their period of absence. If the break in enrollment exceeds one year or more, the student's program of study may follow the requirements listed in the current year catalog. A review of previously awarded transfer credit will also be conducted and may be adjusted. Students are responsible for reviewing additional readmittance criteria (p. 49).

### Readmission of Service Members

The university complies with Readmission Requirements for Service Members as outlined in the Higher Education Opportunity Act (HEOA). The HEOA provides that an institution may not deny readmission to a service member of the uniformed services for reasons relating to that service. In addition, a student who is readmitted under this section must be readmitted with the same academic status the student had when they last attended the institution. Academic status is defined by a student's grade level and whether or not the student was in a degree/certificate or non-degree/certificate program at the time of separation.

This policy applies to service in the uniformed services, whether voluntary or involuntary, on active duty in the Armed Forces, including service as a member of the National Guard or Reserve, for a period of more than 30 days under a call or order to active duty of more than 30 days. The university will readmit such a student as long as the following conditions are met:

- The student gives advance notice (written or verbal) of the call to active duty or, upon seeking readmission, submits a written verification that such service was performed, requiring their absence.
- The absence from school for active duty does not exceed five years.
- The student submits a notification of intent to re-enroll within three years after the completion of service or within two years after recovery from an illness or injury incurred during the service.
- The separation from service was not dishonorable.

### Tuition and Fees

A returning student must be charged the same tuition and fees in effect during the last academic year the student attended, unless veterans' education benefits or other service member education benefits will pay the amount in excess. For subsequent academic years, the returning student may not be charged tuition and fees in excess of what other students in the program are charged.

### Readmission Requirements

A returning student will be permitted to re-enroll in the next class(es) scheduled in the same academic program, unless the student requests a later date of re-enrollment or agrees to a different program. A returning student will be readmitted into the same academic program the student was enrolled in prior to the military service obligation. If the exact program no longer exists, the student must be admitted to the program that is most similar, unless the student requests or agrees to admission to a different program. Returning students will be re-enrolled with the same enrollment status, number of completed credit hours and academic standing as the last academic year of attendance.

If the university determines that a returning student is not prepared to resume the program or is unable to complete the program, the university must make reasonable efforts to enable the student to resume or complete the program at no additional cost to the student. If such efforts are unsuccessful or place an undue hardship on the university, the university is not required to readmit the student.

In accordance with federal regulations, returning students who receive a dishonorable or bad conduct discharge from the Armed Forces (including the National Guard and Reserves) are not eligible for readmission under this policy. However, service members who receive dishonorable or bad conduct discharge may remain eligible for readmission even though they will not be entitled to the benefits outlined in this policy.

The returning student may be required to provide supporting documentation.

## Additional Readmittance Criteria

- Any readmittance to the university is subject to the university's current admissions requirements.
- Students will not be readmitted into a program that has been discontinued.
- Students seeking readmittance after academic suspension must include documentation in their request that indicates improvement in areas of deficiency. A decision will be determined by the Academic Appeals Committee.
- Readmittance after suspension must be done so in accordance with the process outlined by Community Standards and Conduct.
- Students seeking readmittance after a voluntary medical withdrawal must forward required medical documentation and any other documentation to Health Services or Counseling Services. The documentation must be evaluated and approved as described in Voluntary Medical Withdrawal (p. 38) to determine whether the student is ready to return to the university.
- Students requesting readmittance after attending another institution must meet residency requirements (p. 58). Students must submit an official college transcript to Student Academic & Financial Services within the first term of their readmittance for the university to review transfer credit.

- International students must be cleared and approved by International Student Services Office.
- Students must have submitted verification of high school completion and/or bachelor's degree completion (as applicable) in order to be approved for readmittance.

To submit a request for readmittance, students must complete an On-Campus Program Readmittance Request or Online Program Readmittance Request form. The readmittance request should be submitted at least six weeks prior to the requested term start date.

Following a completed review, the student will receive notification regarding the status of the request. Please allow up to 10 business days for processing. If approved, the student will receive instructions regarding course registration, as well as the presence of any holds, which must be cleared prior to being permitted to participate in course registration.

## Apostilles

An apostille is a form of authentication issued by the Secretary of State that verifies the authenticity of the signatures on a document. A document that has been certified with an apostille seal is accepted for legal use in all nations that have signed the 1961 Hague Convention.

Johnson & Wales University is not authorized to grant an apostille seal. That authentication is obtained only through the Rhode Island Secretary of State's office. JWU can, however, assist by providing notarized copies of transcripts and/or diplomas for students seeking an apostille seal.

The Apostille Request form should be included with all documents needing notarization and certification. Johnson & Wales will notarize and certify documents intended for the apostille at no charge and return them as requested. **Please note that all apostille requests must be sent to the Providence Campus, regardless of campus attended.** Please allow up to 10 business days for processing.

Once you receive your document(s), they must be mailed to the Rhode Island Secretary of State's office for completion of the apostille. A check or money order (made out to "Rhode Island Secretary of State") for \$5.00 **per document** must be included with the apostille request. Additionally, include a cover letter that states:

"I am requesting this Apostille for this (document type) for the country of \_\_\_\_\_ (i.e., France). My mailing information is as follows:

Name

Address"

Document(s), payment, and cover letter should be mailed to

Division of Business Services  
Office of the Secretary of State  
148 West River Street  
Providence, RI 02904

The Secretary of State's office processes requests in the date and order in which they are received. Please allow five business days (Monday–Friday) for processing. Mailed requests are returned via USPS First-Class Mail. Walk-in requests are available and do not require an appointment.

For more information, please refer to the Rhode Island Secretary of State's website.

## Class

### Student Class Level

The following criteria determine a student's class level based on credit hours earned:

#### Undergraduate

Freshman	0 to 40.49 credits
Sophomore	40.5 to 89.99 credits
Junior	90 to 130.49 credits
Senior	130.5 credits and higher

## Commencement

Commencement is the formal ceremony that is held to recognize and honor candidates for graduation. Commencement is the most significant academic event for students and the entire university community, as it is the culmination of years of hard work and personal and financial investment for students and families alike. These ceremonies celebrate the traditional observances that accompany one of the highest rewards of academic achievement.

Visit the Commencement website for information on Commencement ceremonies.

### The Difference Between Graduation and Commencement

Commencement is not the same as graduation.

**Graduation** refers to actually receiving a degree or certificate of completion once Johnson & Wales University has verified a student has met all degree or certificate requirements. Upon verification, the degree or certificate is awarded and noted in the student information system so that it displays on the student's official transcript. A student's graduation date will reflect the last day of the term/semester in which the student completes their requirements, unless completion falls outside of a student's enrollment term/semester, in which case the graduation date will reflect the effective date of completion. Diplomas are printed and mailed after the degree or certificate verification process is complete, approximately six-to-eight business weeks after the end of the term/semester (see Diplomas (p. 54)). A diploma verifies the student's awarded degree and graduation date.

**Commencement** is a ceremony. It is an opportunity for students, families, friends and the JWU community to celebrate their academic accomplishments. Participation in Commencement does not mean that students have graduated, and they will not receive their diploma on that day. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

### Commencement Ceremony Eligibility

For participation in the May 2020 Commencement ceremony and inclusion in the Commencement program, degree-seeking students must fall into one of the following categories:

- The student is awarded a degree in the fall 2019 term/semester or winter 2019–20 term.
- The student is enrolled in the spring 2020 term/semester and, as of March 13, 2020, has an expected degree completion term/semester of spring 2020, summer 2020 or fall 2020.

Names of eligible Doctor of Education (Ed.D.) candidates are submitted by the director of teacher education.

### Participation

To participate in the May commencement ceremony, students must visit the Commencement website to review campus specific requirements.

### The Commencement Program

The Commencement program contains the names of students meeting eligibility criteria. For publication purposes, the honors status of students completing remaining course requirements in or following the spring term is determined by the cumulative GPA at the **end of the winter term** of the current year. A student's final GPA will be used to record graduating honors, as applicable on the student's diploma and academic transcript.

**Note:** Names that are printed in the Commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma. Students should review their degree audit to ensure they have met all graduation requirements.

### Students Enrolled in Online Programs

Students enrolled in online programs will be invited to participate in Commencement ceremonies at the Providence Campus. However, students may choose to attend Commencement at an alternate campus. Students are encouraged to refer to the Commencement website for information on Commencement ceremonies. Doctoral candidates may only participate in the Providence Campus ceremony.

## Concentrations

Undergraduate concentrations are only available to students who entered the university prior to summer 2014. Students may only select a concentration if it is required to meet a degree requirement. Not all concentrations are available for all programs, and students are responsible for meeting all course prerequisite requirements. Concentrations are not guaranteed and are subject to availability of space.

When selecting a concentration to meet a specific degree requirement, students may not apply a course in their program toward a concentration requirement.

Students should consult with their faculty adviser to determine which concentration will best support their career goals. Students then need to

formally declare their concentration by submitting a Concentration Request form to Student Academic & Financial Services.

The successful completion of a concentration will be recorded on the student's academic transcript.

**Note:** Transfer students may apply two transfer courses toward a declared concentration, except for the College of Hospitality Management which permits one course.

## Course Cancellation Policy

The university reserves the right to cancel any course or section in which the number of students enrolled is deemed insufficient or for which an instructor cannot be secured. Students affected by course cancellations are notified via their JWU email account.

It is the students' responsibility to obtain cancellation information, as well as review and manage their course schedule. Students affected by course cancellations may adjust their course registration in jwuLink as long as there are no holds preventing registration on their account.

## Course Registration

This section of the student handbook includes general information regarding course registration. Students should select the appropriate section for specific details. Detailed registration information and steps can be found by visiting Registration Information.

Staying on track and maintaining a graduation date is important, especially to help avoid incurring unnecessary financial debt. Not planning appropriately or withdrawing from any course (especially a prerequisite requirement) could result in extra time at the university, which results in additional charges and payments and potentially more student loans that students will need to repay.

Additionally, taking classes that don't meet degree requirements can/will cause graduation delays. Financial aid cannot be used to pay for classes that do not count toward degree requirements (i.e., an "unused" course). In the event students remain registered for an unused course during the term/semester, their net tuition expense could be higher, resulting in a balance on their invoice.

Students should also familiarize themselves with the Repeat of Courses Policy (p. 58) and Full-time Status (p. 55) requirements.

Note: Students who have met the degree requirements for their program of study but continue to enroll in courses in a subsequent term/semester will automatically be enrolled as an extension student in the subsequent term/semester and will be ineligible for financial aid.

## Auditing a Course

Students may choose to register for classes on an audit basis when space is available in the class (laboratory, doctoral and online courses may not be audited). No credit or grade is earned for an audited course, but it will be recorded on the student's academic transcript with a grade marker of AU (Audit). Subsequently, an audited course cannot satisfy program requirements and does not have an impact on GPA calculation. The academic work required in an audit situation is at the discretion of the course's instructor.

**Students who are auditing a class are not eligible to receive financial aid for that class.**

Satisfactory academic progress may be impacted if the student is registered for a class as an audit but then subsequently withdraws from the audited class. If this change causes the student to complete less than the required pace completion, the student will fail to meet the pace standard. Audited classes do impact a student's maximum time frame as they are considered attempted hours.

Interested students must meet with Student Academic & Financial Services to complete a Course Audit Request Form. (Note: Prerequisite course requirements must be completed.)

Audited courses are subject to normal tuition fees, and must be registered by the end of the add/drop period.

## English as a Second Language (ESL)

English as a Second Language (ESL) is a program that offers instruction in reading, grammar, oral communication, and writing for students who need to build their English language proficiency skills for academic purposes.

Students requiring ESL courses will be registered by Student Academic & Financial Services until all ESL requirements are successfully completed. A schedule hold is in effect during this time which prevents students from making changes to their schedule.

Students enrolled in ESL courses will be allowed no more than three attempts to successfully complete each course. Students who are unsuccessful after the second attempt of a course will be assigned an academic standing hold and be placed on academic probation. Students who are unsuccessful after the third attempt of a course will be academically dismissed.

Upon anticipated completion of all ESL requirements, the schedule hold will be released. Student Academic & Financial Services will then register students for courses required in their degree program for the following term. Students are then required to register themselves for all remaining terms. Should a student not successfully complete any ESL course, the schedule hold will be reactivated and the student will be re-registered accordingly. Note: Students are responsible for the curriculum specified in the catalog in place when they are registered for courses in their degree program. Additionally, prior college transcripts and/or previous transfer credits will be reviewed and may be adjusted based on the student's new catalog.

## Extension

Extension students (also called "non-degree" or "non-matriculating") are those who are not enrolled in a degree-earning program. These students register for courses on a space available basis.

If space is available, undergraduate students may register for a maximum of 21 credits and graduate students may register for a maximum of three graduate courses, excluding doctoral courses, without applying for degree status in an eligible program. Non-degree students attempting to satisfy prerequisite requirements for admissions into another JWU program may be permitted to register additional credits/courses. Undergraduate students not meeting prerequisite requirements for a course should contact Student Academic & Financial Services to discuss waiving the prerequisite. Graduate students must obtain permission from the dean to enroll in a course that requires a prerequisite that the student has not completed.

Extension students are not eligible to receive federal, state or institutional financial aid and are subject to the Tuition and Fees policy. Students taking an undergraduate-level course will be charged Continuing Education rates and graduate-level courses will be charged graduate rates.

Students subsequently wishing to enroll in a degree program must apply through Admissions and will be subject to the university's current admissions requirements. If accepted into a degree program, the student will follow the curriculum specified in the catalog at the time they are accepted and are responsible for all courses prescribed in that program, regardless of previously waived prerequisites.

## Online Courses

The university offers a select number of online courses to undergraduate students at select JWU campuses. Before students register for an online course, they should review what to expect in online classes. Students may not register for more than 13.5 credits in online courses in any given term.

**International Undergraduate Students:** A minimum of nine credits of face to face instruction are required (per term); any credits above that may be taken online.

**International Graduate Students:** A minimum of six credits of face to face instruction are required (per semester); any credits above that may be taken online.

## Summer Enrollment

The university may offer an optional summer term/semester (due to course sequencing, certain programs may require summer enrollment). Summer course offerings are limited and may not provide students with the opportunity to complete program requirements or accelerate the completion of program requirements. Specific course offerings cannot be guaranteed. Please note that accelerating the completion of program requirements may

negatively impact future enrollment (i.e., part-time enrollment during a term/semester in the next academic year). Students are strongly advised to review course projections (i.e., which term/semester each course is offered) and to plan accordingly. Students who are interested in summer study abroad programs should contact Study Abroad for more information.

Normally, undergraduate students are allowed to register for up to 21.0 credits in a term; however, due to the offerings of two sessions and evening classes, during the summer, students (as applicable) may register for a maximum of 27 credits. Students may not attempt more than a course load of four courses at the same time. In accordance with the Tuition and Fees policy, however, students carrying more than 21 quarter credit hours will be charged for each quarter credit over 21. Students who intend to register more than 21.0 credits must meet with an academic counselor for approval.

Students registering for summer courses should contact a financial planner to discuss in detail the charges for summer tuition (including fees, room and meals) and eligibility to receive financial aid. Undergraduate day program students are assessed the traditional tuition rate. Undergraduate students who register a half-time schedule (fewer than 12.0 credits) will be charged a percentage of their tuition charge. Continuing Education and graduate program students are charged according to published tuition and fees.

To be eligible for any federal direct loans, undergraduate students must register for a minimum of 6.0 credits. Undergraduate students registered for a full-time schedule may be eligible for available merit scholarships (based on eligibility requirements) as well as the Johnson & Wales Grant. Students interested in using a portion of their future-year financial aid (if eligible) must complete the FAFSA for the next academic year; eligibility for summer financial aid is based on the student's continuing enrollment for the next academic year. In compliance with federal guidelines, JWU students are able to apply aid for a maximum of three terms during an academic year; the summer term is an optional fourth term.

## Undergraduate

First-term day program students will be registered for courses by Student Academic & Financial Services as part of the enrollment process. These students are expected to register themselves for courses after the first term of enrollment, although assistance with registration is always available. Students enrolled in certain programs may be automatically registered for their required courses beyond their first term of enrollment.

Undergraduate day program students may not register for more than 21 credit hours. Requests to enroll in more than 21 credit hours must be approved by an academic counselor in Student Academic & Financial Services. If approved, students will be charged for each quarter credit over 21. Permission will not be granted to enroll in more than 25 credits in a term.

Day program students accepted in the (p. 55) Special Honors and Rewards Program (SHARP) (p. 55) may register up to 25.0 credits each term with no additional fees. This is accomplished by increasing the student's course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. However, students are reminded that accelerating the completion of program requirements may negatively impact future enrollment (i.e., part-time enrollment during a term in the next academic year). Permission will not be granted to enroll in more than 25 credits in a term.

To ensure that courses are offered as scheduled, it is important that all students register promptly after the date registration becomes available for the upcoming term (see Registration Start Dates). Waiting to register until the last minute before a term starts may cause the cancellation of some courses that students need due to inadequate enrollment in the courses. Please register early to ensure online courses run as scheduled. Additionally, students are strongly advised to review course projections (i.e., which term each course is offered) and to plan accordingly.

For information on registering an internship, refer to Internship Programs (p. 56).

## Courses Taken at Other Institutions

Enrolled undergraduate students must obtain approval from Student Academic & Financial Services prior to registering to take courses at another institution. In order to obtain approval, students must submit a completed Request to Take Classes Elsewhere Form, as well as any additional

documentation as stated within the form. The following requirements must be met:

1. The student must have an overall grade point average above 2.0.
2. The number of credits taken elsewhere while enrolled at JWU must not exceed 18 quarter credits.
3. The course(s) must be taken within one year of permission being granted.
4. The course(s) must not be at a lower level than other higher-level courses previously completed in the same discipline.
5. Approval will only be granted for courses that are applicable to the student's JWU program of study.
6. Course credits from other institutions must equate to the number of credits in the equivalent course at JWU.
7. Grades of C or better (2.00 or equivalent) from an accredited institution may be accepted for transfer. Transfer credits are not calculated into the cumulative grade point average.
8. Students are responsible for tuition and fees for approved course(s) at the other institution.
9. Due to immigration implications, international students attempting their last class at another institution must meet with their international student adviser to better understand their options.

Accelerating the completion of program requirements may negatively impact future enrollment (i.e., part-time enrollment during a term in the next academic year); students are strongly advised to review course projections and to plan accordingly.

Note: Any exceptions to criteria 1–4 will be made by a director in Student Academic & Financial Services or Online Student Services (Sas.onl@jwu.edu), if the student is in an online program.

Once enrolled in a JWU graduate program, students may not take core or concentration courses elsewhere with the intent of transferring them into their JWU program, except when there are extenuating circumstances and permission is granted by the dean's office. Should a student be granted permission to take a course under these conditions, a grade of B or higher must be earned in order for the transfer credit to be awarded.

## Diplomas

University diplomas display the student's legal name, graduation date and degree, along with the name and seal of the institution and the signatures of university officials. If the student has earned applicable honors (p. 55), this accomplishment is indicated. The diploma shows the title of the degree the student has earned (e.g., Bachelor of Arts, Bachelor of Science, Master of Business Administration, etc.); it does not include the student's major(s). A student's major, minor, specialization and/or concentration will appear on the academic transcript.

Diplomas will be issued provided all financial obligations with the university have been met (e.g., outstanding library fee, athletic gear not returned). Students may review holds in jwuLink.

Generally, diplomas are issued six-to-eight business weeks after degree completion. Only one diploma is issued per degree and will be mailed to the address the student indicates on the graduation application. Students will receive notification via email when their diploma has been shipped.

Students may check the status of their diploma order online. Students should log in using their last name and student ID.

Diploma sizes are as follows:

- Undergraduate diplomas are 8.5"x11".
- Graduate diplomas are 11"x14".
- Doctoral diplomas are 12"x15".

### Online Diploma Services

Graduates may use the online diploma services provided by the vendor's website to

- Check the status of a diploma.
- Order and download an e-diploma. (Note: An e-diploma is a certified PDF copy of an issued diploma.)

- Order a replacement copy of a diploma.
- Order a duplicate copy/copies of a diploma .

Graduates must have their personal secure ID to place orders through the online diploma services. This secure ID is provided in the shipping confirmation email(s) sent to graduates when their diploma(s) ships. Note: The secure ID is not the same as the student ID number.

Graduates who do not have a secure ID must submit a Diploma Request through the online diploma services. Once the university verifies the graduate's identity and earned degree, an email containing the secure ID will be sent. Please allow up to **three business days** for processing the request. Please note that longer periods of time may be required during peak request periods and for records prior to 2000. Note: All graduates that completed a degree prior to May 2006 must submit a Diploma Request.

The original copy of a diploma is free of charge. Payments for e-diplomas and replacement/duplicate copies of diplomas are made directly to the vendor through the online diploma services. Express shipping may also be arranged through the online diploma services.

All shipping disputes must be addressed to the Michael Sutter Company.

## English as a Second Language Program

The English as a Second Language (ESL) program is housed within the JWU Global department and offers instruction in reading, grammar, oral communication, and writing for students who need to build their English language proficiency skills for academic purposes.

The ESL Program offers intensive classroom instruction and weekly enhancement activities for students who are preparing for undergraduate and graduate degree programs. Students with TOEFL scores below 550 (for the paper-based TOEFL) and/or TOEFL scores below 80 (for internet-based TOEFL-IBT) (or equivalent English language proficiency exams) are required to enroll in the program before matriculating into degree programs. Upon entrance, students are given a placement test to determine their level of English proficiency.

## Full-time Status

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term/semester by the census date if they are in attendance by the second class meeting or, for online courses, by submitting the first graded assignment in the initial two weeks of the course.

Certification of full-, three-quarter-, half- or less-than-half-time enrollment status for loan deferment, medical insurance, etc. is based on hours of enrollment in a term/semester as of the census date. Listed below are the requirements that constitute full-time student status for official enrollment certification purposes and for financial assistance.

Status	Undergraduate(Terms)	Graduate(Terms)	Graduate(Semester)/ Post Graduate
Full time	12 or more	9 or more	12 or more
Three-quarter time	9–11.99	N/A	N/A
Half time	6–8.99	4.5–8.99	6–11.99
Less-than-half time	0–5.99	0–4.49	0–5.99

Students should realize that in order to receive maximum financial aid they must maintain full-time status. Additionally, insurance companies and scholarship foundations frequently require students to maintain full-time status.

If a student who is receiving veteran's benefits or participating in athletics receives a grade of W or NC in a course, that course will not count toward full-time status.

Note: Undergraduate students must maintain a minimum of 6.0 credits each term for purposes of financial aid only with the exception of the Federal Pell Grant.

## Graduate Planning System (GPS)

### Understanding Degree Requirements

As a member of the Johnson & Wales University student body, you are in a position to graduate with an impressive class of students. To reach that

goal, you first need to be familiar with your degree requirements and how to register them. To help guide you, JWU offers the Grad Planning System (GPS).

## Honors

Johnson & Wales University offers many opportunities for high-level scholastic achievement. This section of the handbook contains information for students interested in an academically advanced curriculum (the Honors Program), an expedited academic program (SHARP) and academic recognition for high-performing students (Dean's List and Latin Honors).

## Dean's List

Full-time **undergraduate** students who demonstrate academic excellence by achieving a term grade point average (GPA) of at least 3.40 while also earning a minimum of 12 or more credit hours, receive dean's list commendation. Upon processing of approved grade changes, student records will be evaluated for dean's list eligibility. Dean's list notation will appear on the student's academic transcript.

Dean's list is not calculated for students enrolled in English as a Second Language programs.

## Honors Program

The Honors Program offers academically talented day program students seeking bachelor's degrees the opportunity to explore challenging and stimulating courses. Eligible applicants must have taken a college prep curriculum, maintained an average of B or better, placed in the top 25 percent of their high school graduating class, and submitted SAT or ACT scores.

Honors students enroll in honors sections of several courses in the Arts & Sciences Core Experience, including smaller, student-centered honors seminars in their sophomore and junior years. All honors students complete a two-term research course sequence, culminating in an honors thesis. Through these experiences, they have the opportunity to work closely with some of the university's most dedicated and accomplished faculty, join a community of academically motivated students, and pursue original and individually directed study.

Students who complete the Honors Program requirements will graduate with the University Honors Scholar designation.

To complete the Honors Program requirements, honors students must complete a total of eight honors courses and submit an accepted honors thesis to earn the University Honors Scholar designation. These courses include ENG1024 Honors Composition: Writing in the Academy ; ENG1027 Honors Advanced Composition and Communications: Civic Discourse ; four honors seminars; RSCH3020 Honors Research Seminar ; and RSCH4020 Honors Directed Academic Experience , culminating in an honors thesis.

### Transfer Students

Transfer students may enter the Honors Program if they can provide documentation of Honors Program enrollment at their former institution, provided their GPA is 3.40 or higher at the time of their acceptance to Johnson & Wales University.

Non-honors students at Johnson & Wales may apply to the program, provided they carry a 3.40 GPA or higher, first-year or sophomore status, and have completed at least a term of study at JWU. Students must provide a faculty recommendation.

Students who transfer into the Honors Program may be eligible to waive some honors course requirements.

Contact the Honors Program director on your campus for application details.

## Latin Honors

Eligible **undergraduate** degree candidates receive cum laude, magna cum laude and summa cum laude recognition according to their academic program average. Students with the designated graduating GPA are eligible to receive honors as follows: cum laude, 3.40–3.60; magna cum laude, 3.61–3.80; and summa cum laude, 3.81–4.00.

## SHARP

Special Honors and Rewards Program (SHARP) is an honors program designed for qualified full-time **undergraduate students in a day program** who wish to accelerate their program to complete degree requirements in less than the normally required time. This is accomplished by increasing the student's

course load each term as scheduling permits. SHARP results in savings of time and expenses for eligible students. Please note that accelerating the completion of program requirements may impact future enrollment (i.e., part-time enrollment during a term). Students should review course projections as well as work closely with their assigned academic counselor and faculty adviser to make sure they can complete their program requirements as anticipated.

Day program students accepted into SHARP may register for up to 25.0 credits each term with no additional fees. Interested students must submit a SHARP application to Student Academic & Financial Services. The following students are eligible for SHARP:

1. incoming first-year students who are honors graduates of approved secondary schools, have been elected to their state or national honor society, or have maintained a minimum GPA of 3.0
2. new transfer students who maintained full-time enrollment at a previous institution and each term earned a cumulative GPA equivalent to dean's list status for that institution
3. students who have maintained full-time enrollment at JWU and a cumulative GPA of 3.40 at the end of each term (English as a Second Language courses are not included when determining eligibility)

Note: The only exception to this policy is the first term of enrollment at JWU, during which the cumulative GPA may be less than 3.40.

If a student does not exercise this option, SHARP eligibility may continue provided that the student maintains continuous full-time matriculation while maintaining a cumulative 3.40 GPA after all terms. Preferred scheduling and graduation acceleration are not guaranteed.

Failure to maintain a cumulative GPA of 3.40 or better after each term will cause the student to become permanently ineligible for the benefits provided by SHARP. Student Academic & Financial Services will only notify a student of their withdrawal from SHARP via their JWU email account, and it is the student's responsibility to drop extra credits, if registered, to avoid incurring additional charges.

## Internship Programs

Internship opportunities are available in all colleges. In many cases, the internship is a required part of the college curriculum. Internship is designed to provide eligible students with practical work experience in their chosen field of study while earning academic credit. Internships generally vary between 4.5 and 13.5 credits, depending on the academic program of study. For details regarding specific program options and eligibility requirements, please refer to the current catalog for the appropriate campus.

Students are also encouraged to contact Experiential Education & Career Services and refer to [Internship Programs](#) for details regarding internships for specific academic programs. For locations, hours and contact information, please consult the JWU Directory.

### Registration

Beginning in late January/early February, eligible students register for the term in which they wish to take an internship in the upcoming academic year. Students are urged to register early to secure their internship in their chosen term, as selection is on a first-come, first-served basis. Students with a required internship who don't register by the stated deadline will be automatically registered for a term by Experiential Education & Career Services. For more information, visit Internship Registration.

Students who do not meet prerequisites three months prior to the selected term may be dropped from the internship and reassigned a new term. Additionally, internship registration will be removed if a student withdraws or fails to enroll in any term prior to their selected internship term.

Graduate students need to meet with Experiential Education & Career Services prior to registering for internship. These students must have their internships approved by the graduate department chair. Once approved, Experiential Education & Career Services will register the student for internship. **Note:** Graduate programs are offered at all campuses except in Charlotte.

Students interested in participating in an internship outside of the U.S. can find details on International Internships.

### Grade Point Average (GPA)

- Some academic programs and/or sites require a 2.75 GPA.
- International internships require a 3.25 GPA.
- Graduate internships require a 3.5 GPA. (not offered at Charlotte Campus)

### Internships for International Students

Due to immigration regulations, international students are only permitted to participate in an internship (curricular practical training) if it is included in their curriculum program. All internships are subject to an approval process through Experiential Education & Career Services and the International Student Services Office. International students must submit all paperwork at least two weeks before the end of the previous term to Experiential Education & Career Services to allow enough time to process the internship request. Failure to do so will result in the internship not being approved. Note: International students who work on campus must consult with Student Employment and the International Student Services Office to determine eligibility to work on campus while completing an internship.

## Minors

A minor provides students the opportunity to acquire knowledge and understanding in a secondary area of inquiry independent of the academic major for the purpose of personal enrichment and/or to enhance options for both for career employment and graduate studies.

- To earn a minor, a student must complete a minimum of 22.5 quarter credits in a single prescribed area of study concurrently with his or her bachelor's degree requirements.
- Internships and individual courses offered through study abroad *may* apply.
- A student may not create their own minor.
- Credits earned toward a major cannot be applied to the minor.
- A maximum of 9.0 quarter credit hours of transfer credit can be applied to the attainment of a minor.
- Pursuing a minor may extend the amount of time needed to complete a degree program.
- The successful completion of a minor will be recorded on the student's academic transcript when the degree is awarded. A minor will not be applied to a student's academic transcript after the degree has been awarded. No form of honors or grade point average will be issued for the minor.

## Placement Testing

Placement testing is used to place students into appropriate course levels and determine students' course schedule.

Although it is critical that students do their best, placement test results do not affect the student's admission to the university. See the appropriate section to review specific placement testing requirements.

### Academic Support and Disability Accommodations

Students with a documented disability requiring accommodations must forward the appropriate documentation to the Center for Academic Support/Accessibility Services on their campus at least two weeks prior to scheduling a placement test in order to ensure that accommodations can be provided. No accommodations will be allowed unless the required documentation is submitted prior to testing. Students who have already participated in placement testing and submit appropriate documentation will have the opportunity to retest with the accommodations in place.

### Mathematics and English

Mathematics and English placement tests are required for all new undergraduate students, including transfer students, prior to orientation or attending classes. Transfer students may be exempt from mathematics and English placement testing only if Johnson & Wales University has awarded them transfer credit for both degree-specific, first-level mathematics and English courses.

The university administers Next Generation ACCUPLACER mathematics and English placement tests to assess students' skills in these areas. The mathematics test is designed to evaluate skills in relation to those required for college math courses. English placement testing includes a writing test which

evaluates writing skills. The ACCUPLACER exams are computer-based tests (CBT) developed by College Board.

All of these tests will result in placement into a course rather than in grades of Pass or Fail.

After acceptance and payment of the reservation fee, students will be emailed instructions for completing the required mathematics and English placement testing online with a virtual proctor. Virtual proctoring allows students to take placement tests online in a quiet and distraction-free location, such as home. Online testing appointments are available seven days a week, 24 hours a day, and require no software installs. All that is needed is a simple webcam, access to the internet and a voucher code that will be provided by the university. There is no charge for virtual proctoring or for the ACCUPLACER assessment. Students will receive a score report immediately following ACCUPLACER administration, and will also be contacted by an academic counselor from Student Academic & Financial Services after they have completed placement testing and prior to their first term of enrollment to discuss their placement and course registration.

Students requesting to retake their placement exam may do so by contacting Student Academic & Financial Services. Students will be allowed one retake 30 days after their initial test at no charge.

Visit Testing Services for additional information.

## Modern Languages

All undergraduate students who studied a language for more than one year in high school are required to take a placement exam prior to registering for a course in the respective language. Modern language placement exams are required for Spanish, French and German.

Modern language placement exams are scheduled at the beginning of each term. Students whose placement score indicates they have met a particular level of language proficiency will not be allowed to enroll in that level of the language. Students placing out of a required level of a language will be given the option to take the CLEP exam to earn the language credits (fees apply), or to have the language credits replaced with an arts and sciences elective course.

For additional information, visit Testing Services.

## English as a Second Language (ESL)

Students admitted into the ESL Program are required to complete the Levels of English Proficiency (LOEP) Test to assess their English-language proficiency. This test includes three sections: reading, language usage and sentence meaning. LOEP tests are scheduled at the beginning of each term and administered via the ACCUPLACER computer-based placement testing system.

Results of the LOEP placement test will determine whether students are placed into the beginner, intermediate or advanced levels of ESL courses. Students with a score of 315 or higher on the LOEP test are eligible to take the Institutional TOEFL Test (ITT). Students who obtain a score of 550 or higher in the ITT can exit the ESL program and enroll directly in their degree program courses. Students with a test score under 550 on the ITT will have their individual section scores reviewed in the areas of listening, grammar and reading. Section scores with a minimum of 550 on the ITT will exempt the student from the corresponding ESL class. Students who do not complete the required LOEP test will automatically be placed into beginner-level ESL courses.

## Prior Learning Assessment

By successfully completing one of the Prior Learning Assessment options [Portfolio Assessment, College Level Examination Program (CLEP)/DANTES Subject Standardized Tests (DSST) or Departmental Challenge Examinations], students may earn undergraduate course credit for previous academic and/or prior learning experiences.

### Policies for Prior Learning Assessment

1. Students must consult with an academic counselor prior to applying for Challenge Examinations or Portfolio Development.
2. Course prerequisite requirements must be completed before permission to take Challenge Examinations or Portfolio Development is granted.
3. Prior Learning Assessments are for academic credit and carry nonrefundable fee(s).
4. CLEP exam credit will only be awarded for passing scores of 50 or higher, and when the JWU course equivalent to the exam title is degree applicable.
5. DSST exam credit will only be awarded for scores which meet the minimum ACE recommended score, and when the JWU course equivalent to the exam title is degree applicable.
6. Official College Board transcripts are required for CLEP exam credit to be awarded.
7. Official Prometric transcripts are required for DSST exam credit to be awarded.
8. CLEP and DSST exams, if failed, can be repeated three months after the initial testing date.
9. Portfolio Development and Challenge Exams cannot be repeated if failed.
10. The university recognizes up to a maximum of 45 undergraduate credits for bachelor's degrees and 22.5 for associate degrees earned through Prior Learning Assessment.
11. Prior Learning Assessment credits cannot be used to meet residency requirement (p. 58)s (p. 58).
12. Students may not take Challenge/CLEP/DSST exams for a lower level course after completing higher level courses in the same discipline.
13. Students may not request to take a Challenge Exam or Portfolio Development for a course that is a prerequisite to a course for which they have already received credit or in which they are currently enrolled.
14. Students must present a valid picture ID when testing.

Visit Testing Services for additional policies, course options, deadlines, examination dates and fees.

In all cases, the academic department determines policy as it relates to the testing options for each course in the department. Several options may be available to students, and it is recommended that students seek the advice of an academic counselor.

## CLEP/DSST Examination

Both CLEP and DSST are forms of Prior Learning Assessment that allow students with knowledge obtained outside the classroom to earn college credit by examination.

### College Level Examination Program (CLEP)

The College-Level Examination Program (CLEP) is a standardized, college-credit-granting exam program maintained by the College Board. CLEP offers 33 exams in five subject areas: business, composition and literature, foreign languages, history and social sciences, science and mathematics.

While the university accepts the American Council on Education (ACE) recommended passing score of 50, subject equivalencies for each CLEP examination are determined by the respective academic department at the university. To view the currently approved CLEP/JWU course equivalencies, go to the Transfer Evaluation System (TES) and type "College Board" in the search box. Exam titles are listed alphabetically preceded by the designation of CLEP.

U.S. military personnel and U.S. veterans may be eligible to receive funding or reimbursement for CLEP exams. For more information on CLEP, visit CLEP for Military. JWU waives the CLEP administration fee for its U.S. military and U.S. veteran students.

Visit Testing Services for additional policies, course options, deadlines, examination dates and fees.

### DANTES Subject Standardized Test (DSST)

DANTES Subject Standardized Tests (DSST) are standardized college-credit-granting exams maintained by Prometric. There are 37 DSSTs available in six subject areas (business, humanities, math, physical science, social sciences and technology), covering material taught in both lower- and upper-level college courses.

While the university accepts ACE recommended scores, subject equivalencies for each DSST examination are determined by the respective academic department at the university. To view the currently approved DSST/JWU course equivalencies, go to the Transfer Evaluation System (TES) and type "DSST Program Exams" in the search box.

U.S. military personnel and U.S. veterans may be eligible to receive funding or reimbursement for DSST exams. For more information on DSST, please visit Get College Credit.

Visit Testing Services for additional policies, course options, deadlines, examination dates and fees.

## Departmental Challenge Examination

Departmental Challenge exams are exams created by the Johnson & Wales University department in which the course is taught and are designed based on the course's content. Exams may be taken for specifically designated undergraduate courses within a department. All matriculating students with previous academic and/or work experience may request such an exam when they feel they possess the knowledge required to meet the course's objectives as listed in the outline for the respective course.

Students may be required to meet additional prerequisites to take certain challenge exams. Visit Testing Services for complete policies, course options, deadlines, examination dates and fees.

## Portfolio Assessment

Undergraduate students may earn credits for the knowledge or skills they have mastered outside the classroom through volunteer work, employment, travel programs, organizations or other comparable sources.

Students are required to meet with an academic counselor to discuss these options.

Prior to applying for the Portfolio Assessment option, students are required to successfully complete ENG1020 English Composition, or a higher-level writing course.

Students must complete the mandatory online Portfolio Development Seminar before submitting a finalized portfolio for review. While there are no regularly scheduled meetings, students are expected to participate in the seminar activities that lead toward the completion of the portfolio. The individual components of the portfolio are covered in self-paced segments.

Portfolios must be submitted within six months of the application date. Completed portfolios are submitted electronically to the appropriate department designee for review. Students are notified of the outcome once the assessment is completed. If credit is denied for a portfolio, the student has 10 days upon notification to file a written appeal for review.

Once the seminar is completed, eligible students, in consultation with an academic counselor, may submit additional portfolios.

Visit Testing Services to review additional policies, course options, deadlines and fees.

## Repeat of Courses

When the appropriate course is available, the course may be repeated to earn a better grade. In order for a repeated course to apply to a student's degree, the course must be repeated prior to their last term/semester of enrollment. Students who have met the degree requirements for their program of study but chose to repeat a course in a subsequent term will automatically be enrolled as an extension student in the subsequent term and will be ineligible for financial aid.

Upon successful completion of the course at a later date, the cumulative grade point average (GPA) is adjusted to reflect the highest grade earned.\* However, each grade earned will appear on the academic transcript and count toward attempted credits. Students are required to pay any applicable tuition charges for all repeated coursework. Students are eligible for financial aid for only one repetition of a previously passed course.\*\*

\* A W grade issued prior to June 2017 will still be included in the student's GPA after the same course is successfully completed.

\*\* When a student has repeated a course previously applied to an awarded degree, each grade earned will be included in the cumulative point average.

**The above policy is not applicable to English as a Second Language Courses (ESL).**

### Course Deficiency

A course deficiency occurs when a student fails to complete a non-English as a Second Language course with a satisfactory grade, either by failing the course or by receiving a grade that does not meet the minimum required by the student's program. Academic warning, probation and dismissal are not determined from one course but by the cumulative GPA.

Students who fail a course after a second attempt will be assigned a course deficiency hold and will be required to meet with an academic counselor/adviser in Student Academic & Financial Services. Academic counselors/advisers will review the following options with the student:

- Consider a change of program.
- Repeat the same course, which will result in only the highest grade earned being calculated in the cumulative average.
- Student may be advised to take a pre-approved course at another institution outside Johnson & Wales University. The original grade will remain on the student's transcript, but will be excluded from the cumulative average.

Students opting to repeat the course will be encouraged to attend content tutoring. The course deficiency hold will be removed once the student meets with an academic counselor/adviser.

### English as a Second Language Courses

Students enrolled in ESL courses will be allowed no more than three attempts to successfully complete each course. Students who are unsuccessful after the second attempt of a course will be assigned an academic standing hold and be placed on academic probation. Students who are unsuccessful after the third attempt of a course will be academically dismissed.

## Residency Requirement

Residency requirement refers to the number of credits that students must take at JWU to be eligible for a degree or certificate, whether they are transfer students or JWU students acquiring an additional degree. Please see the appropriate tab for information regarding residency requirements.

### Undergraduate

The residency requirement for all students pursuing an associate degree is a minimum of 31.5 quarter credit hours, half of which must be within the major field.

For students pursuing a bachelor's degree, the minimum is 45.0 quarter credit hours, half of which must be within the major field.

Students pursuing a certificate program will be allowed to transfer a maximum of 9.0 quarter credits (including JWU courses) toward certificate program requirements.

Upon review, certain related professional studies courses and program electives may be considered when determining residency. Standardized testing credits are not considered when determining residency requirements.

### Additional Degrees

Students may pursue one additional associate degree in a program that has a minimum of 31.5 credits which are not in their primary major (there must be a 31.5-credit difference between the two associate degrees). Half of the credits must be within the major field of the additional associate degree. Classes in the additional associate degree may not be used as electives in the primary major if residency requirements have not been met.

Students may pursue one additional bachelor's degree in a program that has a minimum of 45 credits which are not in their primary major (there must be a 45-credit difference between the two bachelor's degrees). Half of the credits must be within the major field of the additional bachelor's degree. Classes in the additional bachelor's degree may not be used as electives in the primary major if residency requirements have not been met.

Note: Students pursuing additional degrees may also incur additional tuition and fees.

### Graduate

A maximum of 20 percent of the program's credits can be awarded as transfer credit in accordance with the university's Graduate Transfer Credit Policy.

### Additional Degrees

Due to the overlap in core curriculum, students who complete an MBA at Johnson & Wales University are not eligible to complete a second MBA at Johnson & Wales University. However, any student who received a master's degree from Johnson & Wales University may apply for admittance to additional master's degree programs at the university through Graduate Admissions. A maximum of 20 percent of coursework may be shared between the graduate programs. Students must meet the entrance requirements for the prospective program to gain admittance.

Note: Students pursuing additional degrees may also incur additional tuition and fees.

## Transcripts

A transcript is a representation of a student's entire academic record while at Johnson & Wales University. In accordance with the Family Educational Rights and Privacy Act (FERPA), a transcript may be released only upon written request of the student. Students must submit transcript requests online through jwuLink. Students intending to pick up transcripts in person must visit Student Academic & Financial Services or complete a Transcript Request Form.

Official transcripts will not be released if a student has not fulfilled all financial obligations to the university. Within three business days of receipt of an authorized request, official transcripts will be processed. However, a longer period of time may be required for processing at the end of a term or during peak enrollment periods. Records prior to 2000 may be located on microfilm; if applicable, please allow 5–15 business days for processing.

A maximum of 20 official transcripts may be requested per year. Official transcripts are not produced while grade processing and posting is in progress at the end of each term.

Unofficial transcripts may be obtained in jwuLink.

### FedEx Delivery Options

FedEx delivery is used if next-business-day delivery is needed. There is an additional charge for FedEx delivery. A complete street address (P.O. Box is not acceptable) and destination phone number are required. The charge is \$15 for delivery in the continental U.S., \$20 to Canada and Mexico, and \$30 for international FedEx delivery. Requests must be received by 3pm EST. Checks and money orders should be made payable to Johnson & Wales University.

### Transcripts from Other Schools

Transcripts reflecting a student's secondary or previous college education that have been submitted to Johnson & Wales University as a requirement for admission become a part of the student's official file. Johnson & Wales University does not provide copies of other institutions' transcripts. Transcripts must be ordered directly from the institution where the coursework was completed.

## Transfer Credit

Generally, both graduate and undergraduate coursework completed at institutions recognized by a US Department of Education accrediting agency or international Ministry of Education is eligible for transfer credit; however, transfer credit is not guaranteed. Transfer credit evaluations are based on previous college work as it relates to the student's intended program of study. It is the university's policy to accept credits, but not grades. Only grades earned at Johnson & Wales University are calculated into the cumulative grade point average. Students must meet the university's residency requirements.

Please see the appropriate section for detailed transfer credit policies.

### Undergraduate

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment. In some cases, an official course outline or syllabus will be required for evaluation.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions or syllabus (subject details, module descriptors or content outline) are generally required for transfer credit evaluation.

In order to be eligible for transfer credit, courses must be similar in level, content and duration to JWU courses in the student's intended program of study. Additionally, only courses with earned grades of C or higher (2.00 GPA) or equivalent will be accepted. Courses that carry grades of "Pass" (P) are also acceptable for transfer, provided credit was awarded and the grade of P carries a numeric GPA value of 2.00 or greater. Credits earned in developmental and remedial, English as a Second Language courses, or CEUs (continuing education units) are nontransferable.

Upon completion of the transfer credit evaluation, accepted students will receive a copy of their degree audit showing the credit accepted toward their program of study. Students with domestic transfer credit wishing to review such credits must contact a transfer adviser in Student Academic & Financial Services. Those with transcripts from foreign institutions must contact International Admissions.

JWU has a number of articulation agreements and transfer credit equivalencies in place that facilitate student transfers to Johnson & Wales University. The Transfer Evaluation System provides students with information on courses (domestic institutions only) that have previously been evaluated and accepted by Johnson & Wales University.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

The transfer of credit is not guaranteed.

If a student completes a course at Johnson & Wales University that was previously accepted as transfer credit, the course taken at Johnson & Wales University will be excluded from the grade point average, and will not count toward any degree requirements, so that duplicate credit is not granted.

### Graduate

Graduate program applicants with prior graduate-level coursework taken at approved colleges and universities may be eligible for transfer credit. A maximum of 20 percent of the program's credits can be awarded as transfer credit for courses completed with a grade of B or better (3.00 GPA) or equivalent. In some cases, an official course outline or syllabus will be required in order to determine if the course(s) is similar in level, content and duration to courses in the student's intended program of study at JWU. Graduate transfer credit will be approved by the dean of the respective college.

Applicants with transfer credit should submit official college transcripts from any colleges and universities previously attended prior to enrolling at the university. It is the responsibility of those candidates who are currently attending other colleges to have their updated official transcripts sent to Johnson & Wales University as soon as final grades become available and no later than the first term of enrollment.

All non-English documents must be accompanied by certified word-for-word English translations. In addition, course descriptions/syllabi (subject details, module descriptors or content outline) are generally required for transfer credit evaluation.

Upon submission of all of the required documents and completion of the transfer credit evaluation, accepted students will be notified that the evaluation is complete and the degree audit is available for review.

Once enrolled in a JWU master's degree program, a student may not take courses elsewhere and apply them for transfer credit. Transfer credits should be requested prior to initial matriculation into a JWU master's degree program.

The university reserves the right to substitute courses at the discretion of the department chairs, directors or deans.

### Prerequisite and Foundation Courses

Prerequisite courses are required undergraduate classes for students who need such courses to prepare for graduate study.

Foundation courses are graduate-level courses that may be required of some students whose previous academic background does not reflect the course content described. Foundation courses with grades below a C or equivalent will need to be repeated.

For possible exemption from prerequisite and/or foundation courses, candidates must ensure that all official college and university transcripts are submitted prior to enrollment at JWU. In some cases, the official course outline or syllabus will be required in order to complete the evaluation. Only courses similar in level, content and duration to JWU's prerequisite courses, and for which the student has earned a grade of C or higher (2.00 GPA) or equivalent, may be used to exempt the student from the respective prerequisite. Specific graduate degree program prerequisite and foundation requirements are listed in the catalog under each program of study.

Upon transcript review, domestic students may view their degree audit online in jwuLink > Academics > Grad Planning System (GPS), and will be sent a copy of their degree audit reflecting any prerequisites and/or foundation courses met as well as the remaining requirements of their program of study.

International students who enroll in a JWU program can also access their degree audit online in jwuLink.

Students with domestic transcripts wishing to review transfer credit, prerequisite or foundation course credits must contact a transfer adviser in Student Academic & Financial Services. International students should contact a graduate student academic counselor in Student Academic & Financial Services upon enrollment into the graduate school major. Those with transcripts from foreign institutions may be referred to an international credentials evaluator.

If a student completes a course at Johnson & Wales University that was previously accepted as transfer credit, the course taken at Johnson & Wales University will be excluded from the grade point average, and will not count toward any degree requirements, so that duplicate credit is not granted.

## Transfer Within JWU

It is possible for undergraduate and graduate students to transfer from one Johnson & Wales campus to another. The following conditions apply:

- Students must consult with an academic advisor/counselor if they are interested in transferring.
- Campus transfers cannot be guaranteed and are subject to space and course availability. Additionally, not all programs of study are available at each campus.
- Undergraduate students with less than a 2.00 GPA must have their transfer approved by their academic advisor/counselor. Graduate students with less than a 3.00 GPA must have their transfer approved by their academic advisor/counselor.
- Students with a judicial hold must also be approved by the dean of students.
- Students must have submitted verification of high school completion or equivalent (for undergraduate students) or verification of bachelor's degree completion (for graduate students) to be eligible for transfer.
- Students are required to follow the curriculum required for their major based on their new campus catalog requirements as reflected on their degree audit.
- It is the student's responsibility to register for courses at their new campus in jwuLink.
- It is the student's responsibility to address housing concerns and proper dress codes at their new campus.
- Students are required to comply with the medical documentation/immunization requirements of their new campus. A health services hold will be placed on the student's account if the proper documentation has not been submitted. Students will have no more than one term to meet these requirements.

## Transfer and Career Prerequisites

Students who intend to transfer to other colleges or enroll in graduate school after attending Johnson & Wales University must determine the requirements of those institutions and plan their programs of study accordingly. Johnson & Wales University makes no claim or guarantee for transfer credit to other academic institutions. Similarly, students who intend to take state or foreign business, trade or professional licensing examinations should determine the prerequisites of those jurisdictions prior to selecting programs of study.

## Veterans

Johnson & Wales University (JWU) is honored to support our nation's military members and veterans as they pursue their education. JWU is proud to be a Yellow Ribbon Program-participating institution and a participant of the Principles of Excellence. JWU is dedicated to help ensure that our students are maximizing the full potential of their VA education and military benefits. This includes students who are veterans, active duty and military dependents. JWU works with students who qualify for the Montgomery GI Bill (Chapter 30), MGIB Selected Reserve (Chapter 1606), Reserve Educational Assistance Program (Chapter 1607), Dependents Education Assistance (Chapter 35), Post-9/11 GI Bill (Chapter 33), Yellow Ribbon Program, Vocational Rehabilitation (Chapter 31), Tuition Assistance and other programs/benefits.

All students seeking to utilize educational benefits must apply through the Department of Veterans Affairs (VA). Students with questions about their

eligibility should contact the VA first to determine the specific programs for which they may qualify.

Processing of the veterans application by the VA takes approximately 6–10 weeks. The VA will mail the student a Certificate of Eligibility. This must be provided to the campus certifying official in Student Academic & Financial Services to receive benefits for upcoming terms.

Each new student utilizing veteran benefits should submit

1. an application for admission
2. official documentation that verifies high school diploma completion or equivalent
3. official college transcripts from all colleges previously attended and military training transcripts, as applicable
4. Certificate of Eligibility and any other necessary VA paperwork

Students enrolling under the GI Bill for the first time may experience a delay of up to two months before they receive their first check(s). Students should contact the Veterans Affairs Office if no check has been received by week 7 of a term.

Courses that are not required for the student's degree program will not be certified. However, if a student needs to maintain full-time status, they may take courses outside their degree program only in the last term before graduating.

Federal regulations pertaining to the veterans' education benefits program require schools to certify a student's dates of enrollment to enable that student to receive the appropriate benefits. JWU certifies veteran students enrolled in academic courses from the start date of the term to the end date of the term. JWU is also required to certify all lab courses based on the actual start and end date within the term. Certifying courses and/or labs in this manner should not have any impact on a student's tuition benefits. If there is a break in enrollment between lab segments, however, it could impact housing stipends.

The VA requires strict compliance with a number of other regulations. It is the student's responsibility to be informed of the requirements the Department of Veterans Affairs has in place regarding educational benefits. Students who have any questions or concerns regarding their eligibility under Chapter 33 (Post 9/11 GI Bill) should contact the U.S. Department of Veterans Affairs for more information.

## Call For Help Policy

Johnson & Wales University is committed to creating and maintaining a community that fosters the health and safety of every student, as well as personal responsibility and decision making. If a student is experiencing an alcohol or drug related emergency, the health and wellness of that student is the most important concern. Johnson & Wales wants to encourage students to call for help for themselves or on behalf of others, when they witness or are made aware of such an emergency.

As such, any individual who, in good faith, calls for help in a medical emergency related to alcohol or drug use, or who discloses any incident of violence to Johnson & Wales University officials or law enforcement, will not be subject to JWU's Conduct Review Process for alcohol or drug use policy violations occurring at or near the time of the commission of the reported incident. This policy also applies to student organizations and their members involved in the reported incident.

Any person who makes a good-faith report either as a complainant, respondent, or a third party witness, will not be held accountable through the university's Conduct Review Process related to alcohol or drug use with respect to the reported incident, but may be required to meet with an administrator for an educational conversation. An administrator may also encourage the student to attend an educational program or utilize on-campus resources. Failure to participate in an educational conversation will result in a hold being placed on the student's account.

This policy does not apply to individuals who did not seek assistance for a medical emergency related to alcohol or other drugs, but instead, were found to be in need of assistance by university officials (including but not limited to Resident Assistants, CS&S officers, faculty members, etc.).

This policy is not intended to shield or protect those students or organizations in cases of extreme, flagrant, or repeated violations of the Student Code of Conduct. In cases where extreme, flagrant, or repeated violations occur, the university reserves the right to implement the Conduct Review Process on a case-by-case basis, regardless of the manner in which the incident was reported. For such cases, the Dean of Students or designee will make the final determination as to the applicability of this policy.

This policy will not exempt students and organizations from being held accountable for violations regarding other behaviors including, but not limited to, assault, vandalism, domestic or dating violence, sexual assault, sexual harassment, sexual exploitation, and stalking.

In any emergency Johnson & Wales University strongly encourages students to call Campus Safety & Security or 911 for immediate assistance.

This policy is not intended to address possible violations of criminal laws or their consequences outside the university. This policy only applies to the university's Conduct Review Process. Criminal or police action may still occur separately from Community Standards and Conduct.

## Commuter and Community Relations

Student Affairs oversees the relationship between JWU and local citizens in the neighborhoods and districts where students live and spend time. Working with government officials, community organizations, civic leaders, property owners and residents, the office serves as a liaison between the university community and local community on matters involving JWU students off campus.

Off-Campus Student Services (OCSS) serves and supports commuter students in their academic and personal development. OCSS provides advocacy, assistance and services for students who commute and live in the JWU community. Whether a student needs to find a resource on campus, help in mediation of an off-campus housing issue or guidance any time from orientation to graduation, OCSS is the first point of contact for commuting students.

Students living off-campus can find the following resources available on [jwuLink](#):

- The university's Good Neighbor Policy (p. 62)
- Off-campus housing

The Gender Equity Center, started in 1997 as the Women's Center, furthers an inclusive campus culture at JWU by engaging our community in issues relating to intersectional feminism, non-toxic masculinity, gender identity and expression, sexual orientation, and power-based personal violence prevention and response.

The center, staffed by a professional director as well as student staff and volunteers, can help students navigate university resources and services relating to its purpose. Students from all JWU campuses, including online students, who are seeking support and assistance for a range of information or personal issues can contact the Gender Equity Center via email or phone; for contact information for the Gender Equity Center or the director, as well as location and hours, please consult the JWU Directory.

The center provides educational programming to the university community, including co-advising the ASK! Student to Student Wellness & Equity Educator program. The center supports power-based personal violence prevention work, including bystander training, awareness raising and harm reduction on all JWU campuses. The center can provide resources and referrals to resources within the university and greater community.

Students at the North Miami, Denver and Charlotte campuses are also encouraged to contact their campus dean of students for more local information and resources regarding gender, gender identity and expression, sexual orientation, and sexual assault and relationship violence prevention.

## Good Neighbor Policy

Living off-campus is a maturing experience, which carries certain responsibilities. Students living in the community are representatives of Johnson & Wales and their behavior reflects directly on the university.

Off-campus students must understand and appreciate that residents of a particular community have made a long-term commitment to their neighborhood; students are transient members of the community and usually remain only for the duration of their academic tenure. The quality of life and the overall character of a neighborhood can be greatly influenced by the behavior exercised by student residents. Displaying a respectful and courteous attitude may make the neighborhood a more pleasant place to live.

In fact, some students may find participating in community service activities furthers their sense of belonging in their neighborhood.

Families living in the neighborhoods around campus have the right to enjoy a reasonable level of peace and quiet. Students' academic and personal schedules often conflict with the more routine schedules of families. Students are expected to exercise good judgment and be sensitive to the needs of their neighbors.

Rowdiness, public drunkenness, disorderly conduct, and people partying outside with loud music or other noise late into the night is inconsistent with the university's behavioral expectations.

Johnson & Wales University Campus Safety & Security will respond to complaints from neighbors and others when behavior occurs off-campus that is inconsistent with the behavioral expectations of the university, and students will be subject to the university's Conduct Review Process and resulting sanctions when a violation of the Student Code of Conduct (p. 63) occurs. The university may find student tenants of an off-campus residence responsible for a violation of the Good Neighbor Policy that occurs at their address, regardless of their presence at the time of the incident.

The following are some examples of the behavioral expectations of the university with regard to off-campus living:

### **Noise**

Music and general noise should be maintained at reasonable levels and in accordance with relevant laws and ordinances. Music should be directed toward the interior of the residence. Students should remind visitors to exercise common courtesy when visiting, to refrain from excessive shouting between the street and the house, and to limit vehicle noise whenever possible.

### **Automobiles**

Students are expected to observe all city ordinances and exercise courtesy and common sense. Students and their visitors should not obstruct the street or private driveways, or park on someone else's property without permission. For students' own safety, as well as that of their neighbors, students must abide by all traffic laws and drive responsibly.

### **Property**

Students and their guests shall respect the property of their landlord, host and neighbors. They are to refrain from the destruction, defacing or littering of property.

### **Verbal Harassment**

Students should not engage in verbal harassment, profanity and fighting words directed toward others. Rather, when the potential for conflict develops, students are encouraged to seek assistance from Campus Safety & Security.

### **Fighting/Assault**

Physical assault and confrontational behavior are unacceptable. If a volatile situation occurs, students are expected to walk away until the concerns can be appropriately addressed. Additionally, students can seek assistance from Campus Safety & Security.

### **Alcoholic Beverages**

The use of alcoholic beverages should be in accordance with all state and local laws.

### **Responsibility and the Social Host**

When entertaining guests, students must understand that, in addition to the Conduct Review Process (p. 65), students may also be subject to civil and criminal liability if their guests act irresponsibly. As a social host, a student assumes significant risks associated with state and local laws regulating drinking age, noise and public safety when the student hosts a party. Court decisions have found the social host to be liable for personal injury and property damage caused to third parties as a result of the irresponsible service of alcohol to guests. This liability is compounded when minors are involved.

## **Health Services**

JWU's health services are available to commuting and resident students.

- Providence
- North Miami

- Denver
- Charlotte

## **Class Absence**

Health Services does not provide routine sick notes to students due to brief absences from class because of illness or fatigue. Students are strongly encouraged to discuss absences directly with their faculty members and take personal responsibility for class attendance. In the event of a communicable, contagious (other than a common cold), or another serious documented health condition, it will be at the discretion of Health Services to notify students' faculty members about the medical absence directly via the university email system.

## **Residential Life**

The purpose of Residential Life is to encourage and inspire residents to expand their definition of learning through a supportive living environment in which students have meaningful and developmental opportunities to acquire essential life skills.

Additional information about Residential Life, rules, policies and procedures is outlined in the "Guide to On-Campus Living," which is available in jwuLink.

## **Student Code of Conduct**

The purpose of the Student Code of Conduct and the Conduct Review Process is to support the university in maintaining a safe, healthy and positive campus community and online environment for living, learning and working where individuals act lawfully and in compliance with university policies and rules, and with honesty, integrity, civility and respect for themselves and others. Any behavior inconsistent with these goals, whether on or off campus, is prohibited and constitutes a violation of the Student Code of Conduct.

*For purposes of the Student Code of Conduct and the Conduct Review Process only, any person subject to the Student Code of Conduct will be referred to as a "student" regardless of whether the person is registered for classes. Additionally, during the Conduct Review Process, the person making the complaint will be referred to as the "complainant," and the student responding to the complaint will be referred to as the "respondent." All students (including online students) are subject to the Student Code of Conduct and Community Standards and Conduct has the authority to proceed with the Conduct Review Process at any time after a student has been accepted to the university, even after a student leaves, withdraws or graduates.*

Behavior that violates the Student Code of Conduct includes the following, which is not intended to be an exclusive list of all conduct that may be deemed a violation:

## Conduct Review Process

The Johnson & Wales Conduct Review Process, like the Student Code of Conduct (p. 63), is designed to help the university maintain a safe, healthy and positive environment for living, learning and working, where individuals act lawfully and in compliance with university policies and rules, and act with honesty, integrity, civility and respect for themselves and others and the university community and the communities in which we live. The Conduct Review Process is used to support and enforce the Student Code of Conduct by providing procedures for determining whether a student is responsible or not responsible for a violation of the Student Code of Conduct.

The university administers the Conduct Review Process in good faith, making every reasonable effort to be fair to all involved. Students have the right to participate in the Conduct Review Process without having past student conduct violations discussed or used when a decision of responsibility is being made concerning a current alleged violation; however, past violations may be considered when determining a sanction for an individual found to be responsible for a violation of the Student Code of Conduct. Students have the obligation to participate in the Conduct Review Process, as a witness, when asked by a university representative.

Community Standards and Conduct generally follows the procedures under JWU Communications with Students (p. 9) whenever contact with students is necessary.

The university's Conduct Review Process does not serve as an extension of or replacement for the local, state or federal civil or criminal court system. In addition, the outcome of civil or criminal proceedings concerning a violation will not control or be binding on the outcome of the Conduct Review Process for the same violation.

All students should be aware that it is the policy of the university to cooperate with local, state and federal law enforcement authorities in the investigation of crime. The university will not provide a sanctuary against criminal prosecution.

## How the Conduct Review Process Works

### Reports of Violations and Notification

Any individual who witnesses or becomes aware of an alleged violation of the Student Code of Conduct should report the violation to Campus Safety & Security, any member of the Residential Life staff, the dean of students or Community Standards and Conduct. Once an alleged violation is reported, an incident report will be prepared by Campus Safety & Security and/or Residential Life (or by a faculty member when appropriate) describing the nature and circumstances of the incident and the parties involved. Campus Safety & Security may conduct further investigation if additional or supplemental information is needed. All incident reports are reviewed in Community Standards and Conduct and those that warrant action are then referred for either an educational conversation or a hearing, depending upon the nature of the alleged violation.

There are two types of hearings at Johnson & Wales:

- **Administrative hearings** are held before a single hearing officer, designated by Community Standards and Conduct, depending on the nature of the violation. Less serious violations are referred for an administrative hearing.
- **Panel hearings** are conducted in front of a panel made up of three trained panelists. More serious violations that may result in a sanction of dismissal or suspension, and violations of academic integrity, are referred to a panel hearing. Prior to the panel hearing, students will be asked to attend a pre-hearing conference to review any incident reports and/or

supplemental documentation and to review the Conduct Review Process with the hearing officer.

In both cases, the role of the hearing officer or panel is to consider information provided from the investigation, respondent and, to the extent necessary, any complainants or witnesses, in order to make a finding of "responsible" or "not responsible".

When a student is referred for a hearing, the student will receive a notification describing the alleged violation and indicating the time and place for the hearing or pre-hearing conference. Students have the right to access their education records under certain conditions (see Family Educational Rights and Privacy Act (p. 14) for university policies on access to and release of student records).

When a student is referred for an **educational conversation**, the student will not be charged with any violations of the Student Code of Conduct or receive any sanctions. However, a staff member will engage the student in a conversation to ensure that the student understands the behavioral expectations of Johnson & Wales University. Students who fail to attend an educational conversation will receive a hold on their account preventing future registration until they attend an educational conversation.

The hearing officer will consult the student's academic schedule prior to scheduling any meetings or hearings. Any unexcused failure to attend a hearing will result in the hearing being held in the student's absence. The hearing officer or panel will then make a decision based on the available information, without the benefit of the student's participation in the hearing. If there is a legitimate need to reschedule an educational conversation, pre-hearing conference, or hearing, the student must contact the hearing officer as early as possible before the scheduled date to request rescheduling.

The hearing officer will determine whether the request to reschedule is reasonable. Meetings and hearings may be held in person or via telephone/video conferencing.

When an incident report is received that involves a student respondent, not currently enrolled in classes, the student will receive a hold on their account preventing future registration until the conduct matter is resolved.

Students requesting an accommodation to fully participate in the Conduct Review Process shall contact Accessibility Services/the Center for Academic Support on their respective campus. A representative from Accessibility Services/the Center for Academic Support will make a determination regarding the request.

### Hearing Procedures

A student may bring any relevant materials and witnesses with personal, relevant knowledge of the incident to the hearing. A student may also have an advisor of their choice present in person with them during the hearing and any related meetings. Advisors may attend the hearing with the student, but cannot participate in any manner. If the student would like to consult their advisor during the course of the hearing, they may request a brief recess to speak with their advisor privately outside the hearing room. It is the hearing officer's discretion as to the reasonable nature of the request. If Community Standards and Conduct determines there is a legitimate conflict of interest related to the advisor, Community Standards and Conduct reserves the right to disqualify an advisor. The student would then be required to obtain a new advisor. When possible, the hearing officer will make reasonable adjustments in order to accommodate an advisor's schedule. However, the hearing officer is not obligated to reschedule meetings and/or hearings to accommodate the advisor. A student may select a new advisor in the event of a scheduling conflict. Except for witnesses and advisors, additional people may not attend the hearing with the student.

At the pre-hearing conference (for panel hearings), the student may be asked whether the student wishes to waive the hearing by acknowledging responsibility. If the student acknowledges responsibility, sanctions will be imposed and the student will not be entitled to an appeal. If the student does not acknowledge responsibility, or for administrative hearings, the hearing will proceed and the hearing officer or panel will

- outline the process
- review the incident report and/or allegations, and any supplemental information
- hear any statements relating to the incident
- hear or review the statements of witnesses with personal, relevant knowledge of the incident (but other witnesses, such as character witnesses, will not be allowed to attend or be heard). Where

confidentiality is a consideration, Community Standards and Conduct may determine that the identity of witnesses will not be disclosed to the student.

- either defer the decision or render a decision of "responsible" or "not responsible." Hearing officers and panels use the "more likely than not" standard to evaluate alleged violations.
- if the student is found responsible, recommend one or more sanctions to the hearing officer

The hearing officer will review the recommendation and make a final determination of appropriate sanction(s) (taking into consideration prior conduct violations). The student will receive a final written decision, which will set forth the final result and the sanction(s) imposed. The written decision will include information regarding the appeal process and the deadline for filing an appeal.

### Appeal

The decision of the hearing officer (for administrative hearings) or the panel (for panel hearings) is final unless it can be demonstrated that one of the following has occurred:

1. There is relevant, new information that was not available at the time of the hearing.
2. The Conduct Review Process, as outlined, was not followed.

To request an appeal, a student must submit a request in writing to Community Standards and Conduct. The request must be submitted within five business days after the date of notification of the outcome of the hearing and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within five business days after the appeal has been received. When the appeal review is unable to be completed within the five-business day time frame, the parties will be notified of the delay and reason for the delay. The sanction(s) outlined in the outcome notice will not go into effect until the conclusion of the appeal process. If interim measures were placed, those conditions will remain in effect until the conclusion of the appeal process. The appeal will either be granted, remanding the case back for a new hearing, or denied. The decision of the appeal officer will be final.

The student will receive a final written decision from the appeal officer, which will set forth the outcome of the appeal.

### Rights of the Complainant and Respondent (the "Parties") for Complaints of Sexual Harassment, Sexual Assault, Sexual Exploitation, Dating Violence, Domestic Violence and Stalking

For complaints of sexual harassment, sexual assault, sexual exploitation, dating violence, domestic violence and stalking, the parties will have the following rights in connection with the Conduct Review Process:

- The right to an investigation and resolution that is prompt, fair and impartial from the initial investigation to the final result as required by applicable law.
- The right to an investigation and a hearing conducted by unbiased investigators and university officials who receive annual training on issues related to sexual harassment, sexual assault, sexual exploitation, dating violence, domestic violence and stalking, and how to conduct an investigation.
- The right to a hearing process that protects the safety of the parties and promotes accountability. Hearing officers and panels use the "more likely than not" standard to evaluate alleged violations.
- The right to present relevant materials and witnesses with personal, relevant knowledge of the incident as outlined above
- The right to have an advisor of their choice present in person during the hearing and any related meetings. The advisor may accompany the student, but may not participate in any manner. If the student would like to consult their advisor during the course of the hearing, they may request a brief recess to speak with their advisor privately outside the hearing room. It is the hearing officer's discretion as to the reasonable nature of the request. If Community Standards and Conduct determines there is a legitimate conflict of interest related to the advisor, Community Standards and Conduct reserves the right to disqualify an advisor.
- The right to be informed in writing of the outcome of the hearing and any appeal, including when such results become final. This includes disclosure to the parties of any sanction imposed that pertains to a sex offense and any sanction imposed that directly relates to the complainant with

respect to other alleged sexual harassment violations. The parties do not need to submit a request for such information. In addition, for any crime of violence, the university will, upon written request and in accordance with applicable law, disclose to the complainant all sanctions imposed against the respondent. If the complainant is deceased as a result of the crime of violence, the outcome of the hearing and sanctions will be provided to the complainant's next of kin if so requested.

- The right to request an appeal as outlined above (under Appeal). A student who acknowledges responsibility will not be entitled to an appeal. The non-appealing party will have the opportunity to review the appeal and submit a response. The appealing party will not have the opportunity to comment on the non-appealing party's response.

The university will take steps to prevent the recurrence of any harassment, correct any discriminatory effects on the complainant and others, and implement protective or interim measures (such as No Contact Orders, room relocations, classroom relocations, interim suspensions, etc.) as requested and required by law. The university will complete the Conduct Review Process within a reasonably prompt time frame, usually within 60 days, but will allow for the extension of time frames for good cause with written notice to the complainant and respondent of the delay and the reason for the delay.

*Retaliation, including intimidation, threats, coercion or discrimination, against any individual who has made a good faith complaint, or who has participated in the Conduct Review Process, is unlawful and in violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal or termination from the university.*

## Group Conduct Review Process

Our students are held to high standards as defined in the Student Code of Conduct and other university policies, procedures and rules. Students remain subject to the provisions of the Student Code of Conduct and university policies, procedures and rules at all times, including while engaged in activities of university-recognized student organizations (each, a "group"), whether on or off campus.

In addition, groups are also held to the same high standards of conduct. The group's president, or the president's designee, and members of the group should at all times be aware that the actions of the group and its leaders and members, as well as individuals who are authorized or permitted to represent themselves as connected to the group ("group representatives") and guests of the group ("group guests"), reflect on both the university and the group. As a result, a group may be held responsible for both the group's misconduct and misconduct of any one or more of its leaders, members, group representatives and/or group guests. Such misconduct includes any violation of the Student Code of Conduct or any other university policy, rule or procedure, including but not limited to

- hazing
- theft
- assault
- vandalism
- discrimination and harassment
- dishonesty
- any violation of the Drug and Alcohol Policy (p. 13)
- any violation of the Good Neighbor Policy (p. 62)
- any violation of Residential Life policies and rules
- any violation of Student Involvement & Leadership rules governing student organizations, club sports, fraternities, sororities and social fellowships
- any violation of any academic policies
- any misappropriation or misuse of group funds or university funds

- any violation of any federal, state or local law, regulation, rule or ordinance

### When

- members of the group act in concert with respect to misconduct;
- the individual committing the misconduct was either acting on behalf of the group or engaged in a group-sponsored, -financed or -endorsed activity;
- the misconduct grows out of, occurs during, or is related to any group-sponsored, -financed or -endorsed activity, event or environment created by the group;
- the group's leaders have knowledge of the misconduct or incident before or while it occurred and failed to take corrective action; or
- a pattern of individual misconduct by group members is found to exist

The university administers the Group Conduct Review Process in good faith, making every reasonable effort to be fair to all involved. Groups have the right to participate in the Group Conduct Review Process without having past conduct violations discussed or used when a decision is being made concerning a current alleged violation; however, past violations may be considered when determining a sanction for a group found responsible for a violation of the Student Code of Conduct. All students have the obligation to participate in the Group Conduct Review Process, as a witness or otherwise, when asked by a university representative.

Community Standards and Conduct generally follows the procedures under JWU Communications with Students (p. 9) whenever contact with students or a group is necessary.

The Group Conduct Review Process does not replace the Conduct Review Process with respect to individual students, nor does it serve as an extension of or replacement for the local, state or federal civil or criminal court system. In addition, the outcome of civil or criminal proceedings concerning a violation will not control or be binding on the outcome of the university's Group Conduct Review Process for the same violation.

All groups should be aware that it is the policy of the university to cooperate with local, state and federal law enforcement authorities in the investigation of crime. The university will not provide a sanctuary against criminal prosecution.

## How the Group Conduct Review Process Works

### Reports of Violations and Notification

Any individual who witnesses or becomes aware of an alleged violation of the Student Code of Conduct should report the violation to Campus Safety & Security, any member of the Student Involvement & Leadership staff, the dean of students or Community Standards and Conduct. Once an alleged violation is reported, an incident report will be prepared by Campus Safety & Security describing the nature and circumstances of the incident and the parties involved. Campus Safety & Security may conduct further investigation if additional or supplemental information is needed. All incident reports that imply group involvement are reviewed in Community Standards and Conduct, and those that warrant action are then referred for either an educational conversation or a hearing, depending upon the nature of the alleged violation.

There are two types of hearings at Johnson & Wales:

- **Administrative hearings** are held before a single hearing officer, designated by Community Standards and Conduct, depending on the nature of the violation. Less serious violations are referred for an administrative hearing.
- **Panel hearings** are conducted in front of a panel made up of three trained panelists. More serious violations that may result in a sanction of dismissal or suspension are referred to a panel hearing. Prior to the panel hearing, the group's president or the president's designee will be asked to attend a pre-hearing conference to review any incident reports and/or supplemental documentation and to review the Conduct Review Process with the hearing officer.

In both cases, the role of the hearing officer or panel is to consider information provided from the investigation, respondent and, to the extent necessary, any complainants or witnesses, in order to make a finding of "responsible" or "not responsible".

When an incident report is referred for a hearing, the group's president or the president's designee will receive a notification describing the alleged

violation and indicating the time and place for the hearing or a pre-hearing conference.

When a group is referred for an educational conversation, the group will not be charged with any violations of the Student Code of Conduct or receive any sanctions. However, a staff member will engage the student in a conversation to ensure that the group understands the behavioral expectations of Johnson & Wales University.

Any unexcused failure to attend a hearing or conference will result in the hearing being held in the absence of the group's president or the president's designee. The hearing officer or panel will then make a decision based on the available information, without the benefit of the group's participation in the hearing. If the group has a legitimate need to reschedule a hearing or conference, the group's president or the president's designee must contact the hearing officer as early as possible before the scheduled hearing or conference date to request rescheduling. The hearing officer will determine whether the request to reschedule is reasonable. Meetings and hearings may be held in person or via telephone/video conferencing.

Students requesting an accommodation to fully participate in the Conduct Review Process shall contact Accessibility Services/the Center for Academic Support on their respective campus. A representative from Accessibility Services/the Center for Academic Support will make a determination regarding the request.

### Hearing Procedures

The group's president or the president's designee may participate in the Group Conduct Review Process. The group may bring any relevant materials and witnesses with personal, relevant knowledge of the incident to the hearing. The group may also have an advisor of their choice present in person during the hearing and any related meetings. Advisors may attend the hearing, but cannot participate in any manner. If the group's president or the president's designee would like to consult their advisor during the course of the hearing, they may request a brief recess to speak with their advisor privately outside the hearing room. It is the hearing officer's discretion as to the reasonable nature of the request. If Community Standards and Conduct determines there is a legitimate conflict of interest related to the advisor, Community Standards and Conduct reserves the right to disqualify an advisor. The group would then be required to obtain a new advisor. When possible, the hearing officer will make reasonable adjustments in order to accommodate an advisor's schedule. However, the hearing officer is not obligated to reschedule meetings and/or hearings to accommodate the advisor. A group may select a new advisor in the event of a scheduling conflict. Except for witnesses and advisors, other people may not attend the hearing with the group.

At a pre-hearing conference (for panel hearings), the group's president or the president's designee may be asked whether the group wishes to waive the hearing by acknowledging the group's responsibility in the incident. If the group acknowledges responsibility, sanctions will be imposed and the group will not be entitled to an appeal. If the group does not acknowledge responsibility, or for administrative hearings, the hearing will proceed and the hearing officer or panel will

- outline the process
- review the incident report and/or allegations and any supplemental information
- hear any statements relating to the incident
- hear or review the statements of witnesses with personal, relevant knowledge of the incident (but other witnesses, such as character witnesses, will not be allowed to attend or be heard). Where confidentiality is a consideration, Community Standards and Conduct may determine that the identity of witnesses will not be disclosed to the group.
- either defer the decision or render a decision of "responsible" or "not responsible." Hearing officers and panels use the "more likely than not" standard to evaluate alleged violations.
- if the group is found responsible, recommend one or more sanctions to the hearing officer

The hearing officer will review the recommendation and make a final determination of appropriate sanction(s) after consultation with the director of student involvement & leadership (taking into consideration the group's prior conduct violations). The group will receive a final written decision, which will set forth the final result and the sanction(s) imposed. The written decision

will also include information regarding the appeal process and deadline for filing an appeal.

### Appeal

The decision of the hearing officer (for administrative hearings) or the panel (for panel hearings) is final unless it can be demonstrated that one of the following has occurred:

1. That there is relevant, new information that was not available at the time of the hearing.
2. The Group Conduct Review Process, as outlined, was not followed.

To request an appeal, a group must submit a request in writing to Community Standards and Conduct. The request must be submitted within five business days after the date of notification of the outcome of the hearing and must state clearly the basis for the appeal. The appeal will be reviewed upon receipt, and a decision concerning the appeal will be available within five business days after the appeal has been received. When the appeal review is unable to be completed within the 5-business day time frame, the parties will be notified of the delay and reason for the delay. The sanction(s) outlined in the outcome notice will not go into effect until the conclusion of the appeal process. If interim measures were placed, those conditions will remain in effect until the conclusion of the appeal process. The appeal will either be granted, remanding the case back for a new hearing, or denied. The decision of the appeal officer will be final.

The group will receive a final written decision from the appeal officer, which will set forth the outcome of the appeal.

*Retaliation, including intimidation, threats, coercion or discrimination, against any individual who has made a good faith complaint, or who has participated in the Group Conduct Review Process, is unlawful and in violation of university policy. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal or termination from the university.*

### Questions?

For questions regarding the Student Code of Conduct (p. 63), Group Conduct Review Process or Sanctions for Groups (p. 69), please contact Community Standards and Conduct at your campus:

- 401-598-2885 (Providence Campus)
- 305-892-7602 (North Miami Campus)
- 303-256-9591 (Denver Campus)
- 980-598-1820 (Charlotte Campus)

## Sanctions for Individuals

If a student is found responsible for a violation of the Student Code of Conduct, the student will be given one or more sanctions. Sanctions are designed to help prevent future Student Code of Conduct violations, educate students on appropriate behavior required to succeed in the workplace and live in society, and where appropriate, remedy any damage done.

### University Dismissal

Permanent dismissal from the university (noted in the student's education records), which prohibits the student from attending the university (at any campus or learning site, or online) or any university events and from entering or being present without permission on any property of the university. A student who is dismissed from the university will still be responsible for certain tuition and housing charges, subject to any applicable refund policy.

### University Suspension

A temporary suspension from the university, which prohibits the student from attending the university (at any campus or learning site, or online) or any university events and from entering or being present without permission on any property of the university. During a university suspension, a community standards and conduct hold is placed on the student's academic record, which prevents the student from registering for classes and/or graduating. Requests for reinstatement after a university suspension will not be granted until all conditions of the suspension have been met and all other sanctions have been completed. Students who receive a university suspension will be provided information regarding the appropriate steps for requesting reinstatement to the university. As with dismissal, a student who is suspended from the university will still be responsible for certain tuition and housing charges, subject to any applicable refund policy. When a student returns from suspension, the student will be placed on conduct probation for a minimum

of two terms. In certain instances, a student may be suspended until the complainant graduates.

### **Dismissal from Housing**

Permanent dismissal from university housing, which prohibits the student from living or being a guest in any university or campus housing. In the case of dismissal from housing, the student is required to pay room and board charges for the remainder of the term during which the dismissal takes effect.

### **Suspension from Housing**

A temporary suspension from university housing, which prohibits the student from living or being a guest in any university or campus housing and from entering into a new housing contract for the duration of the suspension. Requests for new housing contracts after a suspension are handled by the dean of students or the dean's designee; a new student housing contract will be permitted only if the student is able to demonstrate to the satisfaction of the dean or the dean's designee that the student will not engage in any further violations of the Student Code of Conduct, and all other conditions of the suspension, if any, have been met and all sanctions have been completed. As with dismissal from housing, the student will be responsible to pay room and board charges for the remainder of the term during which the suspension takes effect.

### **Suspension of Privileges**

A suspension of privileges, which prohibits the student from participating in specified activities (such as intercollegiate or intramural athletics, campus events, extracurricular activities, student life activities, student leadership positions, student organizations, etc.) or from entering certain university buildings or facilities (such as residence halls, dining centers, university fitness or athletic facilities, certain administrative or academic buildings, parking garages/lots, etc.) or other areas of the university during the period of the suspension.

### **Interim Suspensions**

An immediate, temporary suspension that remains in effect until the Conduct Review Process has been completed. An interim suspension can be a suspension from the university, housing, a classroom, an academic course, lab, practicum, and/or a suspension of privileges. Interim suspensions are used when the university perceives that because of the nature of the alleged violation or other factors, an interim suspension is advisable to help protect an individual or the university community, property or the normal operations of the university until the Conduct Review Process has been completed.

### **Conduct Probation**

A student who receives a sanction of conduct probation and has subsequent policy violations may face more severe sanctions, up to and including university suspension or dismissal.

### **Conduct Warning**

A warning given to the student, which indicates that additional sanctions will be imposed if the student engages in future violations of the Student Code of Conduct.

### **Fines/Fees**

Monetary penalties, which must be paid by the date specified when the sanction is given.

### **Restitution**

The purpose of restitution is to make good or compensate the university for loss, damage or injury. Restitution can take the form of a monetary payment, the repair or replacement of damaged property, or participation in a campus or community work or service project. Restitution must be completed by the date specified when the sanction is given.

### **Campus/Community Service**

Campus/community service includes providing services to the university or a recognized nonprofit agency of the student's choice for a specified number of hours or a particular work or service project. Campus/community service must be completed by the date specified when the sanction is given.

### **No Contact Order**

A No Contact Order is a requirement to avoid another person or persons and not have any direct or indirect contact with such person(s), including email, text messages, mail, telephone, instant messaging, face-to-face contact, social media interactions or any contact through a third party. A No Contact

Order requires the student to take action to avoid encounters with the other person(s). In cases where a No Contact Order impacts class, lab or work activities, the student should notify the student's professors and/or supervisors to address any situations that may conflict with the No Contact Order. A No Contact Order may also be imposed as an interim action while a case is pending. If a student fails to abide by the No Contact Order, the student may be placed on interim suspension from the university.

### **Housing Relocation**

Required relocation to another room within the university housing system.

### **Educational Sanctions**

In addition to other sanctions, a student found responsible for violating the Student Code of Conduct may be assigned educational sanctions, such as required attendance at an educational program relevant to the violation for which the student was found responsible, reflective/research papers, classes, seminars, interviews, presentations, projects and/or other creative sanctions. Educational sanctions must be completed by the date specified when the sanction is given.

## **Sanctions for Groups**

If a group is found responsible for a violation of the Student Code of Conduct, the group will be given one or more sanctions. Sanctions are designed to help prevent future Student Code of Conduct violations, educate the group and its leaders and members on appropriate behavior required to succeed in the workplace and live in society, and, where appropriate, remedy any damage done.

### **Withdrawal of University Recognition**

Withdrawal of university recognition for a group means that the group may no longer exist as a group at the university and that students may no longer participate in that group as members, leaders or otherwise. Any student who continues to participate in or accept members into any group for which the university has withdrawn recognition will be subject to the Conduct Review Process. Withdrawal of university recognition is permanent.

### **Suspension of University Recognition**

Suspension of university recognition for a group means that the group may not exist as a group at the university during the stated period of the suspension, and that students may not participate in that group as members, leaders or otherwise during the stated period of the suspension. Additional conditions may be imposed upon the group's return to the university. Any student who continues to participate in or accept members into any group that the university has suspended will be subject to the Conduct Review Process.

### **Suspension of Group Privileges**

Suspension of a group's privileges includes, but is not limited to, suspension of university funding, holding events and/or meetings, accepting new members, participating as a group in university/campus events during the stated period of the suspension, etc. The group may not participate in any of the suspended privileges during the stated period of the suspension. Any group that continues to participate in any of the suspended privileges during the period of the suspension will be subject to additional sanctions.

### **Interim Suspension of University Recognition or Group Privileges**

This is an immediate, temporary suspension that remains in effect until the Group Conduct Review Process has been completed, unless otherwise stated. An interim suspension can be a suspension of university recognition or a suspension of group privileges. Interim suspensions are used when the university perceives that because of the alleged violation or other factors, an interim suspension is advisable to help protect an individual or the university community, property or the normal operations of the university, until the Group Conduct Review Process has been completed. Any student who continues to participate in or accept members into any group that the university has placed on interim suspension (other than as part of the Group Conduct Review Process) will be subject to the Conduct Review Process. For questions regarding interim suspensions, please contact Community Standards and Conduct.

## Conduct Probation

A group who receives a sanction of conduct probation and has subsequent policy violations may face more severe sanctions, up to and including university suspension or dismissal from JWU.

## Fines

Fines/fees are monetary penalties, which must be paid from the group's funds by the date specified when the sanction is given.

## Restitution

The purpose of restitution is to make good or compensate the university for loss, damage, or injury. Restitution can take the form of a monetary payment, the repair or replacement of damaged property, or participation in a campus or community work or service project. Restitution must be completed by the date specified when the sanction is given.

## Campus/Community Service

Campus/community service includes the group providing services to the university or a recognized nonprofit agency of the group's choice for a specified number of hours or a particular work or service project. Campus/community service must be completed by the date specified when the sanction is given.

## Educational Sanctions

In addition to other sanctions, a group found responsible for violating the Student Code of Conduct may be assigned educational sanctions, such as required attendance at an educational program relevant to the violation for which the group was found responsible, reflective/research papers, classes, seminars, interviews, presentations, projects and/or other creative sanctions. Educational sanctions must be completed by the date specified when the sanction is given.

## Conduct Warning

A warning given to the group, which indicates that additional sanctions will be imposed if the group engages in future violations of the Student Code of Conduct.

# Student Services

This section of the handbook includes academic and community-related services for students enrolled at JWU.

## Center for Academic Support

The Center for Academic Support promotes equal access and provides educational resources and opportunities for students and for students with disabilities to empower them to achieve success and become lifelong learners.

The Center for Academic Support offers specialized advising for students who self-identify with our department. The Center for Academic Support advisors advocate for equal access, accommodations and respect for students with disabilities in the campus communities.

Services through the Center for Academic Support are complimentary for all students.

Please see Services (p. 71) for detailed information offered by the Center for Academic Support.

For locations, hours and contact information for the Center for Academic Support on the Charlotte, Denver, and North Miami campuses, please consult the JWU Directory.

## Services

### Students With Disabilities

Students with disabilities requesting accommodations, including housing accommodations, should contact the Center for Academic Support. Students requesting accommodations may be asked to provide documentation of their disability, which supports the need for the requested accommodation.

### Technical Standards

Some programs of study at the university have technical standards. Students with disabilities who require accommodations in order to meet technical standards must contact the Center for Academic Support.

### Service Animals

JWU encourages students who have service animals to notify the Center for Academic Support on their campus. The center works with students to communicate with campus partners, including faculty, to provide additional support and accommodations as appropriate. Students with service animals will also need to obtain a copy of the university's Care and Responsibility of Service Animals Procedure.

### Emotional Support Animals

Students seeking to bring an emotional support animal into campus housing must meet with an advisor from the Center for Academic Support on their campus to determine if this is a reasonable accommodation. Students may be asked to provide documentation of their disability which supports the need for an emotional support animal. Emotional support animals are not permitted in any area other than the student's assigned residence hall room. Students with an emotional support animal will also need to obtain a copy of the university's Care and Responsibility of Emotional Support Animals Procedure.

### Review of Accommodation Decisions

Any student with a complaint or grievance about an accommodation decision should submit a written request for review of the decision to the Title IX Coordinator (who also serves as the university's nondiscrimination coordinator and Section 504 coordinator), Matthias Rubekeil (matthias.rubekeil@jwu.edu), 8 Abbott Park Place, Providence, RI, 02903, 401-598-2703.

## Resources for Students with Concussions

This information is provided to help the JWU community understand concussive injuries and the resources available to students. This is intended to serve as a guide following a concussion diagnosis by a qualified medical professional. It is not considered to be medical advice nor is it intended to replace consultation with a qualified medical professional.

## Concussions

A concussion is generally defined as a change in brain function following a force to the head. Concussions can be accompanied by a temporary loss of consciousness and subsequent neurologic and cognitive dysfunction. Depending upon the severity, concussions can affect and, at times, severely impact a student's physical, cognitive and emotional well-being. In the context of a student's academic program, a concussion can also affect concentration and memory, and may cause headaches, nausea and dizziness. Most concussions resolve spontaneously within a few weeks to six months. However, students should take the appropriate time to rest for a faster recovery. While physical rest is essential to post-concussive care, cognitive rest may also be necessary.

JWU is committed to helping students with concussions by providing a number of resources to assist them. The following services are available for eligible students:

- **Policies that Protect Students Who Are Injured While Participating in University-sanctioned Events:** Under the university's Attendance Policy (p. 42), students adversely affected by illness and injury due to participation in a university-sanctioned event will be allowed to make up all necessary work without penalty.
- **Academic Accommodations:** At Johnson & Wales University, the Center for Academic Support/Accessibility Services will provide reasonable academic accommodations to eligible students with disabilities. Students must provide appropriate documentation from a medical provider to show that they have been diagnosed and are undergoing treatment. Upon receipt of such documentation, the Center for Academic Support/Accessibility Services will engage with students on a case-by-case basis in an interactive process to determine the appropriate accommodations. For example, an accommodation plan may include additional time on examinations and copies of classroom notes. Faculty members who have questions or concerns about the requested accommodation(s) should contact the Center for Academic Support/Accessibility Services. Students should contact the Center for Academic Support/Accessibility Services as soon as possible after their injury. Students are also encouraged to contact their instructors to determine a plan and timeline for making up missed assignments and/or tests. Center for Academic Support/Accessibility Services advisors will work with both the student and faculty as necessary.
- **Medical Withdrawal:** Students may choose to apply for a voluntary medical withdrawal if they need to leave school in order to address physical or mental health conditions that impair their ability to function successfully or safely as members of the university community. Students who are granted voluntary medical withdrawals may be eligible for an additional tuition credit upon their return to the university. Students who are considering a voluntary medical withdrawal are encouraged to reach out to Student Health Services and reference Voluntary Medical Withdrawal (p. 38) for more information.
- **If Eligible, Consultation with Athletic Trainers:** After initial consultation with their own medical provider, student athletes who utilize an athletic trainer may reach out to that individual as a resource. For more information, students may also speak with their coach or the director of athletics.
- **Student Counseling Services:** Counseling Services provides confidential services for JWU students undergoing challenging life situations. For more information, students should contact Counseling Services.

## Accommodation of Food Allergies for Culinary and Hospitality Students

The College of Culinary Arts uses hundreds of various foods and food products in its classrooms and laboratories, including, but not limited to, spices, milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat and soybean, and other potential allergens.

All students are required to meet the essential academic functions of JWU's culinary education program (including, but not limited to, active participation in classes and culinary labs) with or without a reasonable accommodation. The College of Culinary Arts has eliminated two (taste and touch) of the three

types of allergic exposures (taste, touch and inhale) through the elimination of taste requirement and use of gloves. Students with known allergies are required to engage in self-care to mitigate the risk of an allergic reaction.

Students with airborne food allergies (or any other disability) who would like information on accommodations may contact the Center for Academic Support, who will work with each student on an individualized, case-by-case basis to determine whether any reasonable accommodations can be made. However, due to the nature of its dynamic and student-centered educational programming, the university cannot guarantee an allergen-free environment.

## Campus Dining

Johnson & Wales University's North Miami Campus dining center, The Mix, is managed by Chartwells, a division of Compass Group Inc.

The Mix seeks to provide the best in products and services for customers and guests; in many instances, food is prepared by culinary internship students. Reasonable efforts will be made to accommodate students with special dietary preferences based on health, religious or personal needs. Comments may be submitted to the Chartwells management team or by completing a comment card at The Mix. Details on meal plans, menus, dining events and coupons are also available online.

### Meal Plans

There are a variety of meal plan options available to campus residents.

Resident students are required to select a meal plan when they make their residence hall selection. Meal plan offerings vary based on class year and residence hall. New students (first-year students) may choose 14 or 18 meals per week. Returning students may choose 10, 14 or 18 meals per week. Full meals at The Mix consist of an entree, four sides and a beverage, or a meal equivalency at Willie's Café. Students have access to their meal plans Sunday through Saturday, one swipe per meal period. Unused meals do not roll over from week-to-week or term-to-term.

Every meal plan also offers flex dollars that can be used to purchase additional meals and guest meals at The Mix and retail purchases at Willie's Café. The balance declines as flex dollars are used. Flex dollars are allotted each term and unused dollars roll over from week-to-week but expire at the end of the term and cannot be rolled over to a new term.

All students, faculty and staff also have the ability to purchase individual meals at the door or Wildcat Meals in blocks of 10, 25 or 50. Additional flex dollars in increments of \$25 may also be purchased. Wildcat Meal blocks and additional flex dollars may be purchased online or at the Chartwells office on campus. All Wildcat Meals and additional flex dollars roll over from term-to-term but expire at the end of the academic year in which they are purchased.

Once a student has paid for the plan, they can check the status of meals and flex dollars by visiting either The Mix or Willie's Café. The student must present a valid student ID to the cashier to receive this information.

### Commuters

Commuter students can pay the door rate or purchase Wildcat Meals in blocks of 10, 25 or 50, as well as additional flex dollars in increments of \$25. Wildcat Meal blocks and additional flex dollars may be purchased online or at the Chartwells office on campus. All Wildcat Meals and additional flex dollars roll over from term-to-term but expire at the end of the academic year in which they are purchased. The cost of the Wildcat Meal plan and additional flex dollars is nonrefundable.

### Guests

Guests accompanied by a JWU student or employee may purchase a single meal at the door or use Wildcat Meals or flex dollars from their host's card.

### Hours

Hours and days of operation vary at each location. Campus Dining is closed during holidays and class breaks. Up-to-date listings are posted at each location and online.

### Policies

Campus Dining asks that students act and dress in an appropriate manner while in the dining facilities. Specific rules may be posted. Students must present their own valid ID cards to use the meal plan. Lost or stolen cards must be reported to Campus Safety & Security to prevent unauthorized use. Students who have a lost or stolen card will receive a one-day meal pass to

participate in meal services. Eco-friendly, reusable containers are available for purchase for take-out meals.

## Campus Safety & Security

Campus Safety & Security promotes the safety and well-being of JWU students, faculty, staff and property. Campus Safety & Security contributes to the quality of university life by fostering an environment in which security is balanced with freedom of movement, and individual rights are balanced with community needs. JWU strongly encourages the prompt and accurate reporting of all suspicious or criminal activity that occurs on or near university property. Students and staff should report this activity immediately by calling 305-892-7011. In any emergency situation, students should dial 911 (or 9-11 from a university telephone), and then contact Campus Safety & Security at 305-892-7011. Officers are available 24 hours a day, 365 days a year.

Campus Safety & Security distributes crime alerts and community notices containing descriptions of incidents to keep students informed of any serious and continuing threat on and near campus. A daily log of all crimes is maintained by Campus Safety & Security in the Campus Safety & Security station. The log is available to view.

Campus Safety & Security has an officer who focuses on crime prevention duties. The crime prevention officer administers the university's Project ID program, which provides students with an opportunity to engrave culinary knife kits and personal items brought to the university at no cost. In addition, officers conduct formal and informal training in a variety of safety programs.

Students who would like to file a report with Campus Safety & Security because they witnessed a crime or were a victim of one should call 305-892-7011 and an officer will be dispatched to them. Students who wish to file a complaint or handle a routine business matter in person can visit the Campus Safety & Security Station at 1705 NE 124<sup>th</sup> St. (open 24 hours a day, 365 days a year).

In compliance with the Higher Education Act, Johnson & Wales University publishes an Annual Security Report and Annual Fire Safety Report. The Annual Security Report discloses information about campus security and statistics concerning reported crimes that occurred on campus, on public property close to campus or on other property used or controlled by the university. The Annual Fire Safety Report discloses information about the campus fire safety policies and procedures, and statistics concerning the number of fires, deaths, injuries, fire drills and fire-related property damage within each residence hall. Copies of the Annual Security Report and Annual Fire Safety Report may be obtained by calling 305-892-7011 or by visiting the Campus Safety & Security website. The university also maintains a log of all fires that occur in on-campus housing.

Any student who resides in a university residence hall has the option to designate a contact person to be notified if the student is determined to be missing for more than 24 hours. This option is only available to students who are living in JWU residence halls. If a student registers a confidential contact, the identity of the contact will be kept confidential and cannot be accessed by anyone except Campus Safety & Security, a limited number of authorized JWU officials and local law enforcement personnel if needed for the investigation of the student's disappearance. Confidential contacts may be registered by email from a student's JWU-issued email account. Instructions for registering a confidential contact and further information regarding confidential contacts can be found on the Campus Safety & Security website.

## Emergency Procedures

Effective emergency response requires the coordinated efforts of students, staff and faculty. Each member of the Johnson & Wales community should be prepared to act promptly when faced with an emergency. The North Miami Campus has developed an Emergency Management Plan that contains information on building evacuation procedures; emergency responses related to explosions, hazardous materials release and other threatening situations; and actions that should be taken if the campus is in "lockdown" or "shelter in place" condition.

This information can be found on the JWU Alerts North Miami Campus webpage (under "Resources") or students may request a paper copy through Campus Safety & Security. Students may want to print copies of the Emergency Procedures Quick Reference and Emergency Evacuations and Rally Points to have on hand at all times when they are on campus. Rally point locations can be found on jwuLink (News > Safety & Security). Emergency preparedness involves everyone on campus. Students should do their part by reading all available information. The Emergency Procedures Quick Reference Guide is also published in the Annual Security Report and Annual Fire Safety Report available through Campus Safety & Security.

Johnson & Wales University uses the following systems to notify the university community in the event of an emergency:

### Emergency Notification System (Blackboard Connect)

This system quickly provides notice and accurate information and instructions to the entire university community during an unforeseen event or emergency. Emergency notifications are sent via voice and text messages; students are encouraged to update their contact information with a valid phone number (preferably a cellphone) through jwuLink.

### JWU Alerts North Miami Campus Webpage

Should an incident (natural or man-made) occur on or near the North Miami Campus, relevant information will be posted, when appropriate, on the JWU Alerts North Miami Campus webpage and jwuLink (under "Emergency Alerts").

### Alert Information Line

The North Miami Campus alert information line announces inclement weather cancellations and other important information regarding interruptions in normal campus activities. Call 305-892-7598 (24 hours a day, 7 days a week) to reach the information line.

### University Email

JWU email accounts are another way the university may communicate with the university community in times of an emergency. Each student is assigned a JWU email account.

Students can also email JWU IT (it@jwu.edu), chat online or call 866-JWU-HELP (866-598-4357) with any technology-related question.

### Username and Password

Each student needs a username and password to access campus computers, JWU email, jwuLink, and other important university resources. New students will receive login instructions shortly after the reservation fee has been satisfied. Students are expected to log in frequently to their email and jwuLink accounts, which are accessible wherever internet access is available, on or off campus.

Note: If forgotten, a password reset tool is available that gives students the ability to securely reset their own password.

The email account is accessed at email.jwu.edu and can be set up on smartphones and mobile devices. This allows students to send and receive email. (If a student's status is made inactive by Student Academic & Financial Services, the associated email and network accounts are disabled within one business day. If a student's status returns to active within 30 days, the email and network account will be re-enabled. If a student's status returns to active after 30 days, a new email and network account will be created 24 hours after they have registered for courses. This may or may not be the same as the student's previous account, depending on availability.)

The jwuLink account is accessed at link.jwu.edu, which is the university's central web portal where students connect with all the different systems utilized by the university, such as Wildcat Housing, course registration, and the Grad Planning System. Students also access things like grades, financial aid, news & announcements, events, and much more. Upon graduation or departure from the university, students will continue to have access to their records via jwuLink.

### Internet and Wi-Fi

Internet is available everywhere on campus with the JWU network, via WiFiJWU or a network cable.

To ensure the security of JWU's network, an authentication system checks for valid JWU user accounts so that only authorized users have access to it.

Anyone who uses the JWU network and related services must follow the policies and agreements set forth by the university. Violations or attempted violations will subject the violator to disciplinary and/or legal action by the university.

## Protect Your Information

Identity theft is a concern and the university strongly suggests that all students take necessary precautions to prevent a prohibited user from accessing their JWU email and password. It is everyone's responsibility to protect their personal information; the university strongly cautions students against freely sharing this information. Contact JWU IT immediately if unauthorized access has occurred or is suspected.

## University Web Policies

The contents of the JWU website are proprietary and as such are protected by federal, state and international copyright and trademark laws, or other proprietary rights. Refer to university policies and agreements for more information. Violations or attempted violations will subject the violator to disciplinary and/or legal action by the university.

Over the course of the year, many seminars are conducted to familiarize students with issues such as immigration, taxes, culture and employment.

International students must abide by the rules and regulations set forth by the US Department of Homeland Security. The 10 rules that international students are personally responsible for upholding are as follows:

1. Students must attend the school for which they are authorized. Make sure to use the Johnson & Wales University I-20 to enter the United States.
2. Students must keep their passport and I-20 valid at all times. I-20s must be reissued when any information on them changes (e.g., name, major, sponsor, etc.).
3. Students must carry a full course of study every term from September to May (undergraduate students: minimum of 12.0 quarter credit hours; graduate students: minimum of 9.0 quarter credit hours).

4. When continuing from one educational level to another within Johnson & Wales University (i.e., associate to bachelor's, or bachelor's to master's), students will need a new I-20 issued for the next degree level.
5. On-campus employment must be limited to a total of 20 hours per week while school is in session.
6. Off-campus employment may only be granted after applying to United States Citizenship and Immigration Services (USCIS) through ISSO. Students may not work off campus without authorization from USCIS.
7. All trips outside the United States require a signature on a student's I-20 from one of ISSO's Designated School Officials (DSO) to re-enter the United States. Travel signatures require updating each term.
8. Students should be aware of the expiration date on their I-20. Remember: If necessary, I-20s can be extended.
9. Students must report a change of residence to ISSO and USCIS within 10 days of the change.
10. Everyone, whether employed during the previous year or not, must file a tax form by April 15 for each year in the United States. To assist students, the university has established a relationship with a firm that specializes in foreign nationals' US tax matters. Note: Please note the limitations in the firm's terms of use. JWU assumes no liability for students' use of this service and cannot provide students with tax advice. If preferred, students may use a firm or tax preparer of their own choice. For such advice, students should contact the IRS or a professional tax preparer.

Refer to the ISSO webpage for further information.

All current insurance must be accepted and fully comprehensive for all of the student's needs in the U.S. and the state in which the student attends class. Students can opt out of/waive the university plan by submitting the online waiver form to demonstrate evidence of coverage. A new waiver form must be submitted each academic year. Students who are required to have health insurance and do not waive the Johnson & Wales University plan will be charged for it. The online waiver form and details of the plan, including the full brochure and benefit flyer, can be found on the University Health Plans website.
