Campus Facilities

The Providence Campus consists of the Downcity and Harborside campuses. It is spread across more than 170 acres and 2,320,000 square feet of 47 buildings, including residence halls, classrooms, labs, dining halls, libraries, a museum, offices, open spaces, and recreation/athletic and physical plant facilities.

Sustaining the Environment

JWU has revitalized close to 100 acres of waterfront alongside the Harborside Campus through significant brownfields remediation efforts. Improvements include shoreline reconstruction, an Urban Coastal Greenway, athletic fields, solar fields, wind turbines, and the donation of a six-acre waterfront parcel for an environmentally “smart design” educational and research center dedicated to the protection of Narragansett Bay and marine life.

The Cuisinart Center for Culinary Excellence, Grace Welcome Center, Center for Physician Assistant Studies and John J. Bowen Center for Science and Innovation have been awarded LEED® Gold certification by the U.S. Green Building Council (USGBC) for energy and material use and for incorporating a variety of other sustainable strategies.
